Sheri:

I appreciate the opportunity to continue providing products & services to the West Virginia Division of Highways. Enclosed, please find my bid response to RFQ # 6611C023. I have included label & MSDS information for alternate products that were not directly specified in the RFQ. I did not include that information for items that were directly specified – as the WVDOH should already be in possession of that information.

*Actually included
⇒ Flash drive
with labels + MSDS*

I wanted to make you aware of some product changes that have taken place since the RFQ was issued:

1. Roundup Pro Concentrate is no longer available in 150 gallon shuttles. The new container size is 265 gallons (which is indicated in my bid response).
2. Arsenal Powerline will no longer be available in quart containers once existing inventories have been depleted.
3. Plateau will no longer be available in 2.5 gallon containers once existing inventories have been depleted.
4. Vista is now being listed as Vista XRT – I have included a new label & MSDS for you to review.

If you have any questions or comments regarding the content of my bid response, please do not hesitate to contact me.

Yours truly,

2. BIDDING INSTRUCTIONS

Vendors may quote on any or all of the products listed herein. Vendors may quote Product Name requested or provide an equal product.

The award for each item will be based on the bid price per unit of measure as requested on the Bidding Schedule. Vendors are cautioned that the quantities on the Bidding Schedule are estimates only.

The State of West Virginia reserves the right to make multiple awards on this contract when it is in the best interest of the State to do so.

4. ACCEPTANCE PLAN
