6. Prepare and submit project closeout report, complete with as-built plans and all documents and photographs of construction, at completion of the Project.

QUALITY CONTROL/QUALITY ASSURANCE

Stantec's Project Management (PM) Framework mandates compliance on all Stantec projects/contracts with the requirements of our ISO9001:2008 registered Quality Management System.

Quality control of construction materials and work is detailed in the proposed project management plan hereinbefore noted.

Project cost control is rigorously pursued by our designers during each state of the work. These efforts include comparison of alternate design costs, alternative materials costs, and construction bid alternates, with final decisions based on whether the completed project will fulfill the client's requirements.

We are pleased with this opportunity to establish a working relationship with the West Virginia Army National Guard Construction and Facilities Management Office. .

Should any questions arise, or if we can supply additional information or be of further service to you, please contact me at (304) 722-3951 or Greg Linder at (304) 472-7140.

Yours very truly
