GENERAL TERMS & CONDITIONS REQUEST FOR QUOTATION (RFQ) AND REQUEST FOR PROPOSAL (RFP)

1. Awards will be made in the best interest of the State of West Virginia.
2. The State may accept or reject in part, or in whole, any bid.
3. Prior to any award, the apparent successful vendor must be properly registered with the Purchasing Division and have paid the required \$125 fee.
4. All services performed or goods delivered under State Purchase Order/Contracts are to be continued for the term of the Purchase Order/Contracts, contingent upon funds being appropriated by the Legislature or otherwise being made available. In the event funds are not appropriated or otherwise available for these services or goods this Purchase Order/Contract becomes void and of no effect after June 30.
5. Payment may only be made after the delivery and acceptance of goods or services.
6. Interest may be paid for late payment in accordance with the *West Virginia Code*.
7. Vendor preference will be granted upon written request in accordance with the *West Virginia Code*.
8. The State of West Virginia is exempt from federal and state taxes and will not pay or reimburse such taxes.
9. The Director of Purchasing may cancel any Purchase Order/Contract upon 30 days written notice to the seller.
10. The laws of the State of West Virginia and the *Legislative Rules* of the Purchasing Division shall govern the purchasing process.
11. Any reference to automatic renewal is hereby deleted. The Contract may be renewed only upon mutual written agreement of the parties.
12. **BANKRUPTCY:** In the event the vendor/contractor files for bankruptcy protection, the State may deem this contract null and void, and terminate such contract without further order.
13. **HIPAA BUSINESS ASSOCIATE ADDENDUM:** The West Virginia State Government HIPAA Business Associate Addendum (BAA), approved by the Attorney General, is available online at www.state.wv.us/admin/purchase/vrc/hipaa.htm and is hereby made part of the agreement. Provided that the Agency meets the definition of a Cover Entity (45 CFR §160.103) and will be disclosing Protected Health Information (45 CFR §160.103) to the vendor.
14. **CONFIDENTIALITY:** The vendor agrees that he or she will not disclose to anyone, directly or indirectly, any such personally identifiable information or other confidential information gained from the agency, unless the individual who is the subject of the information consents to the disclosure in writing or the disclosure is made pursuant to the agency's policies, procedures, and rules. Vendor further agrees to comply with the Confidentiality Policies and Information Security Accountability Requirements, set forth in <http://www.state.wv.us/admin/purchase/privacy/noticeConfidentiality.pdf>.
15. **LICENSING:** Vendors must be licensed and in good standing in accordance with any and all state and local laws and requirements by any state or local agency of West Virginia, including, but not limited to, the West Virginia Secretary of State's Office, the West Virginia Tax Department, and the West Virginia Insurance Commission. The vendor must provide all necessary releases to obtain information to enable the director or spending unit to verify that the vendor is licensed and in good standing with the above entities.
16. **ANTITRUST:** In submitting a bid to any agency for the State of West Virginia, the bidder offers and agrees that if the bid is accepted the bidder will convey, sell, assign or transfer to the State of West Virginia all rights, title and interest in and to all causes of action it may now or hereafter acquire under the antitrust laws of the United States and the State of West Virginia for price fixing and/or unreasonable restraints of trade relating to the particular commodities or services purchased or acquired by the State of West Virginia. Such assignment shall be made and become effective at the time the purchasing agency tenders the initial payment to the bidder.

I certify that this bid is made without prior understanding, agreement, or connection with any corporation, firm, limited liability company, partnership, or person or entity submitting a bid for the same material, supplies, equipment or services and is in all respects fair and without collusion or Fraud. I further certify that I am authorized to sign the certification on behalf of the bidder or this bid.

INSTRUCTIONS TO BIDDERS

1. Use the quotation forms provided by the Purchasing Division. Complete all sections of the quotation form.
2. Items offered must be in compliance with the specifications. Any deviation from the specifications must be clearly indicated by the bidder. Alternates offered by the bidder as **EQUAL** to the specifications must be clearly defined. A bidder offering an alternate should attach complete specifications and literature to the bid. The Purchasing Division may waive minor deviations to specifications.
3. Unit prices shall prevail in case of discrepancy. All quotations are considered F.O.B. destination unless alternate shipping terms are clearly identified in the quotation.
4. All quotations must be delivered by the bidder to the office listed below prior to the date and time of the bid opening. Failure of the bidder to deliver the quotations on time will result in bid disqualifications: Department of Administration, Purchasing Division, 2019 Washington Street East, P.O. Box 50130, Charleston, WV 25305-0130
5. Communication during the solicitation, bid, evaluation or award periods, except through the Purchasing Division, is strictly prohibited (W.Va. C.S.R. §148-1-6.6).

VENDOR:

SCOPE OF WORK

The successful bidder shall provide appropriate equipment, materials, labor and any technical services needed for the successful reclamation of SANDRIDGE COAL, LLC Permit UO-401, and any disturbance associated with such operation. The General Performance Standards (GPS) shall apply to all items in Scope of Work.

Work necessary on this site will include the following items, but is not limited to these:

1. Upon mobilization to the site, which will be directed in a written Notice to Proceed, the main access road shall be developed in accordance with bid item #3.0. If, fuel and lubricants are to be stored on site, bid item #2.0 (Spill Containment Area) shall be in place before fuel is delivered. Project sign is to be obtained and installed.
2. Storm water management in the form as described in bid item #10.0, accompanying specifications and as shown on the plans shall be installed.
3. Concurrent and continuous reclamation shall begin at Point A as shown on the site plan and shall end at Point C. Backfill is required for highwall area as shown in attached plans, per bid item 6.0. Regrading and topsoiling is required for all disturbed areas, per bid item 7.0. Revegetation and soil improvement is required for all disturbed areas, per bid item 9.0. Reclamation is to be according to the attached specifications, plans, and clarifying discussions at the Pre-Bid Conference.
4. Construction stakeout as necessary to carry out work. (bid item 11.0)
5. The existing main haul/access roadway from turnoff from County Rt. 6 up to Point A will be maintained as necessary, per bid item 3.0. Access from County Rt. 6 through the site during construction will be required to allow adjacent property owners continual all-weather access. See the attached plans and or specifications.
6. Construct and install four (4) deep mine seals, per bid items 4.0 and 5.0. Two (2) seals will be wet type seals. Two (2) seals will be dry type seals. Wet seals #1 and #2 drain pipe will extend outward past the toe of the seals, combine in to one line and discharge in to a collection V-Ditch as shown in the attached plans and/or specifications. A cleanout will be provided for the line from each seal.
7. Excavate borrow material from designated spoil borrow areas per bid item 6.0. Spoil material will be excavated first from Office Trailer Area to designated limits. Additional spoil material needed to complete reclamation of the Cut-through Area will then be removed from the existing contour mining Highwall Backfill Area. Existing highwall borrow area shall not be excavated beyond being able to leave the highwall at a 2h:1v terraced slope. See the attached plans and or specifications.
8. Backfill and eliminate mining highwall within the designated project area, per bid item 6.0. Utilize all available materials from the two designated borrow areas to backfill the existing highwall to the maximum extent possible, per the attached plans and specifications.
9. Construct approximately 220 L.F. of grouted riprap Ditch #CT-1a (per bid item 12.0) to collect surface water from above the site and convey it to Ditch CT-1. See the attached plans and/or specifications.

10. Construct approximately 1150 L.F. of grouted riprap Ditches #CT-1, CT-2 and CT-3 (per bid item 13.0) to collect surface runoff from above and on the site and convey it to the existing pond prior to discharge off site. See the attached plans and/or specifications.
11. Construct approximately 170 L.F. of grouted riprap Ditch #H-1 (per bid item 14.0) to collect surface runoff from the adjacent contour mining and highwall backfill borrow area and convey it to the existing pond prior to discharge off site. See the attached plans and/or specifications.
12. Construct approximately 150 L.F. of grouted riprap Ditch #H-2 (per bid item 15.0) to collect and convey surface water runoff from above the mine site down across the backfill and to discharge into Ditch #H-1. This ditch will be constructed on a 38 percent grade and grouted throughout. See the attached plans and / or specifications.
13. The existing access road (beginning at/near Point B, ending at/near Point C) will be removed during reclamation activities to facilitate excavation and backfilling operations. Also, the Pond Access Road will be reconnected to the Lower Access Road. A total of 1,350 LF of access roads will be reconstructed across the finished regraded site, per the attached plan for the Lower, Pond and Upper access roads (per bid item 16.0). Access through the site during construction will be required to allow adjacent property owners access. The existing gate at the far end of the project area will be protected to provide continuous security to the adjacent properties.
14. Remove all buildings, trailers, junk, concrete pads, metal and debris from the site and dispose of in an approved manner, per bid item 18.0. This work includes removal of water well equipment and casing and complete grouting of the water well next to the bath house trailer. This item also includes removal and disposal of all equipment and piping associated with the septic system and water well plus grouting of the water well. Receipts will be provided to the on-site DEP representative as proof of proper disposal.
15. Remove existing power and phone lines and poles on the entire project area, including fencing and support structures at the on-site sub-station per bid item 19.0. This work includes installing proper anchorage at the last pole structure up-line from the sub-station. Also, remove existing transformers, switches and other auxiliary power supply equipment associated with utilities, installed or deposited on-ground. Disposal of any materials will be performed in an approved manner. Receipts will be provided to the on-site DEP representative as proof of proper disposal.
16. Regrade and revegetate approximately twelve point zero (12.0) acres, per bid item 9.0, according to the attached plans and/or specifications, using the standard seed and fertilizer mixtures listed.

BID ITEM TECHNICAL SPECIFICATIONS (CONT.)

20.0 GRASS LINED DITCH - UPPER ACCESS ROAD

Provide all materials and construct ditch as indicated on the attached typical plans, cross-section and specifications. Ditch shall be free draining upon completion of construction. Length of ditch may be adjusted to meet on-site conditions. The ditch is V-notch shape with 2h:1v side slopes, a depth of one and one-half (1.5) feet and a top width of approximately six (6) feet. The ditch shall be vegetated and lined with excelsior erosion control matting. Matting shall be placed on all areas of the ditch and extend to the top of the ditch.

Excelsior Matting: Matting shall be Curlex I erosion control matting or approved equal. The mat shall consist of a machine-produced mat of wood excelsior with 80 percent of the fibers 6-inches (150 mm) in length or longer. The wood from which the excelsior is cut shall be properly cured to achieve adequately curled and barbed fibers.

The matting shall be of a consistent thickness with the fibers evenly distributed over the entire area of the mat. The mat shall be covered on the top side with an open weave netting of acceptable material which will slowly degrade with no adverse environmental effects.

The mat shall be made smolder resistant with nontoxic chemicals that will not affect the germination of seed nor inhibit plant growth.

Excelsior erosion control matting shall be installed, anchored and maintained in accordance with the manufacturer's specifications and as per WVDON specifications Section 655 at the locations shown on the plans.

The Contractor shall maintain the areas upon which the matting is placed, including from erosion, wind, fire or other causes, until all work has been completed and accepted. Such damaged areas shall be reestablished, the matting shall be replaced and the area re-fertilized and reseeded per the Revegetation item.

BID BOND

KNOW ALL MEN BY THESE PRESENTS, That we, the undersigned, Stanley Industries, Inc.
of Bridgeport, WV, as Principal, and Travelers Casualty and Surety Company of America
of Hartford, CT, a corporation organized and existing under the laws of the State of
CT with its principal office in the City of Hartford, as Surety, are held and firmly bound unto the State
of West Virginia, as Obligee, in the penal sum of Five Percent of Amount Bid (\$ 5%) for the payment of which,
well and truly to be made, we jointly and severally bind ourselves, our heirs, administrators, executors, successors and assigns.

The Condition of the above obligation is such that whereas the Principal has submitted to the Purchasing Section of the
Department of Administration a certain bid or proposal, attached hereto and made a part hereof, to enter into a contract in writing for
Isaacs Run, Barbour County, Century, WV DEP15190

NOW THEREFORE,

(a) If said bid shall be rejected, or
(b) If said bid shall be accepted and the Principal shall enter into a contract in accordance with the bid or proposal attached
hereto and shall furnish any other bonds and insurance required by the bid or proposal, and shall in all other respects perform the
agreement created by the acceptance of said bid, then this obligation shall be null and void, otherwise this obligation shall remain in full
force and effect. It is expressly understood and agreed that the liability of the Surety for any and all claims hereunder shall, in no event,
exceed the penal amount of this obligation as herein stated.

The Surety, for the value received, hereby stipulates and agrees that the obligations of said Surety and its bond shall be in no
way impaired or affected by any extension of the time within which the Obligee may accept such bid, and said Surety does hereby
waive notice of any such extension.

IN WITNESS WHEREOF, Principal and Surety have hereunto set their hands and seals, and such of them as are corporations
have caused their corporate seals to be affixed hereunto and these presents to be signed by their proper officers, this
18th day of November, 2010.

PURCHASING AFFIDAVIT

West Virginia Code §5A-3-10a states: No contract or renewal of any contract may be awarded by the state or any of its political subdivisions to any vendor or prospective vendor when the vendor or prospective vendor or a related party to the vendor or prospective vendor is a debtor and the debt owned is an amount greater than one thousand dollars in the aggregate

DEFINITIONS:

"Debt" means any assessment, premium, penalty, fine, tax or other amount of money owed to the state or any of its political subdivisions because of a judgment, fine, permit violation, license assessment, defaulted workers' compensation premium, penalty or other assessment presently delinquent or due and required to be paid to the state or any of its political subdivisions, including any interest or additional penalties accrued thereon.

"Debtor" means any individual, corporation, partnership, association, Limited Liability Company or any other form or business association owing a debt to the state or any of its political subdivisions. "Political subdivision" means any county commission; municipality; county board of education; any instrumentality established by a county or municipality; any separate corporation or instrumentality established by one or more counties or municipalities, as permitted by law; or any public body charged by law with the performance of a government function or whose jurisdiction is coextensive with one or more counties or municipalities. "Related party" means a party, whether an individual, corporation, partnership, association, limited liability company or any other form or business association or other entity whatsoever, related to any vendor by blood, marriage, ownership or contract through which the party has a relationship of ownership or other interest with the vendor so that the party will actually or by effect receive or control a portion of the benefit, profit or other consideration from performance of a vendor contract with the party receiving an amount that meets or exceed five percent of the total contract amount.

EXCEPTION: The prohibition of this section does not apply where a vendor has contested any tax administered pursuant to chapter eleven of this code, workers' compensation premium, permit fee or environmental fee or assessment and the matter has not become final or where the vendor has entered into a payment plan or agreement and the vendor is not in default of any of the provisions of such plan or agreement.

Under penalty of law for false swearing (*West Virginia Code §61-5-3*), it is hereby certified that the vendor affirms and acknowledges the information in this affidavit and is in compliance with the requirements as stated.
