Dear Mr. Whittaker:

Gordon and Greenberg is pleased to submit our qualifications and expression of interest to provide architectural and engineering services for the Canaan Valley Resort State Park. We are very experienced with hotel and lodging projects of a variety of scales which include existing building rehabilitation and renovation as well as new building/facility design.

In addition to that of our consultants, our past experience with architectural projects has been on the local, state and national levels. This opportunity is of great interest to us and we will commit the required resources to executing the scope of work within the dictated time line for the project.

We believe that you will find the attached response to your request to be complete and comprehensive and look forward to the opportunity of bringing our team's expertise to your project.

Truly,

Robert D. Greenberg, RA
