Pre-Bid Meeting Questions and Answers**

- 1. What do we do with the gravel from the trenches?

Answer: Gravel can be stockpiled near the golf course maintenance complex as directed by the Owner. The soil mix stockpile can also be located there, as well as the construction staging area.

- 2. Does all of the work have to be done on plywood?

Answer: If the Contractor can demonstrate that work can be done without damage to the golf course, all work does not necessarily have to be done on plywood. The Contractor, however, will be responsible for repairing any damage to the golf course caused by his construction activities. The Contractor should bid the project as specified.

- 3. Once the soil mix stockpile is gone, does the stockpile area need to be seeded?

Answer: No.

- 4. If golfers cause damage to trenches repaired by the Contractor, will the Contractor be responsible for repairing the damage?

Answer: Yes.

- 5. Is the Contractor responsible for watering the sod?

Answer: Yes. On days that the Contractor is prohibited from doing construction work, he will be allowed access to the course for watering. Water will be furnished by the Owner but the Contractor may want to furnish his own fittings for connecting to the irrigation system.

- 6. Were the trenches originally "trenched" or "excavated"?

Answer: They were originally "trenched".

- 7. Will the Contractor be allowed to work night shifts?

Answer: Yes.

**PURCHASING AFFIDAVIT**

West Virginia Code §5A-3-10a states: No contract or renewal of any contract may be awarded by the state or any of its political subdivisions to any vendor or prospective vendor when the vendor or prospective vendor or a related party to the vendor or prospective vendor is a debtor and the debt owed is an amount greater than one thousand dollars in the aggregate.

**DEFINITIONS:**

"Debt" means any assessment, premium, penalty, fine, tax or other amount of money owed to the state or any of its political subdivisions because of a judgment, fine, permit violation, license assessment, defaulted workers' compensation premium, penalty or other assessment presently delinquent or due and required to be paid to the state or any of its political subdivisions, including any interest or additional penalties accrued thereon.

"Debtor" means any individual, corporation, partnership, association, limited liability company or any other form or business association owing a debt to the state or any of its political subdivisions. "Political subdivision" means any county commission; municipality; county board of education; any instrumentality established by a county or municipality; any separate corporation or instrumentality established by one or more counties or municipalities, as permitted by law; or any public body charged by law with the performance of a government function or whose jurisdiction is coextensive with one or more counties or municipalities. "Related party" means a party, whether an individual, corporation, partnership, association, limited liability company or any other form or business association or other entity whatsoever, related to any vendor by blood, marriage, ownership or contract through which the party has a relationship of ownership or other interest with the vendor so that the party will actually or by effect receive or control a portion of the benefit, profit or other consideration from performance of a vendor contract with the party receiving an amount that meets or exceeds five percent of the total contract amount.

**EXCEPTION:** The prohibition of this section does not apply where a vendor has contested any tax administered pursuant to chapter eleven of this code, workers' compensation premium, permit fee or environmental fee or assessment and the matter has not become final or where the vendor has entered into a payment plan or agreement and the vendor is not in default of any of the provisions of such plan or agreement.

Under penalty of law for false swearing (*West Virginia Code* §61-5-3), it is hereby certified that the vendor affirms and acknowledges the information in this affidavit and is in compliance with the requirements as stated.
