4. All services performed or goods delivered under State Purchase Order/Contracts are to be continued for the term of the Purchase Order/Contracts, contingent upon funds being appropriated by the Legislature or otherwise being made available. 5. Payment may only be made after the delivery and acceptance of goods or services.
6. Interest may be paid for late payment in accordance with the *West Virginia Code*.
7. Vendor preference will be granted upon written request in accordance with the *West Virginia Code*.
8. The State of West Virginia is exempt from federal and state taxes and will not pay or reimburse such taxes.
9. The Director of Purchasing may cancel any Purchase Order/Contract upon 30 days written notice to the seller.
10. The laws of the State of West Virginia and the *Legislative Rules* of the Purchasing Division shall govern the purchasing process.
11. Any reference to automatic renewal is hereby deleted. The Contract may be renewed only upon mutual written agreement of the parties.
12. **BANKRUPTCY:** In the event the vendor/contractor files for bankruptcy protection, the State may deem this contract null and void, and terminate such contract without further order.

Provided that the Agency meets the definition of a Cover Entity (45 CFR §160.103) and will be disclosing Protected Health Information (45 CFR §160.103) to the vendor.
14. **CONFIDENTIALITY:** The vendor agrees that he or she will not disclose to anyone, directly or indirectly, any such personally identifiable information or other confidential information gained from the agency, unless the individual who is the subject of the information consents to the disclosure in writing or the disclosure is made pursuant to the agency's policies, procedures, and rules. The vendor must provide all necessary releases to obtain information to enable the director or spending unit to verify that the vendor is licensed and in good standing with the above entities.
16. **ANTITRUST:** In submitting a bid to any agency for the State of West Virginia, the bidder offers and agrees that if the bid is accepted the bidder will convey, sell, assign or transfer to the State of West Virginia all rights, title and interest in and to all causes of action it may now or hereafter acquire under the antitrust laws of the United States and the State of West Virginia for price fixing and/or unreasonable restraints of trade relating to the particular commodities or services purchased or acquired by the State of West Virginia. Such assignment shall be made and become effective at the time the purchasing agency tenders the initial payment to the bidder.

I certify that this bid is made without prior understanding, agreement, or connection with any corporation, firm, limited liability company, partnership, or person or entity submitting a bid for the same material, supplies, equipment or services and is in all respects fair and without collusion or fraud. DEFINITIONS:

"Debt" means any assessment, premium, penalty, fine, tax or other amount of money owed to the state or any of its political subdivisions because of a judgment, fine, permit violation, license assessment, defaulted workers' compensation premium, penalty or other assessment presently delinquent or due and required to be paid to the state or any of its political subdivisions, including any interest or additional penalties accrued thereon.

"Debtor" means any individual, corporation, partnership, association, limited liability company or any other form or business association owing a debt to the state or any of its political subdivisions. "Political subdivision" means any county commission; municipality; county board of education; any instrumentality established by a county or municipality; any separate corporation or instrumentality established by one or more counties or municipalities, as permitted by law; or any public body charged by law with the performance of a government function or whose jurisdiction is coextensive with one or more counties or municipalities. "Related party" means a party, whether an individual, corporation, partnership, association, limited liability company or any other form or business association or other entity whatsoever, related to any vendor by blood, marriage, ownership or contract through which the party has a relationship of ownership or other interest with the vendor so that the party will actually or by effect receive or control a portion of the benefit, profit or other consideration from performance of a vendor contract with the party receiving an amount that meets or exceed five percent of the total contract amount.

EXCEPTION: The prohibition of this section does not apply where a vendor has contested any tax administered pursuant to chapter eleven of this code, workers' compensation premium, permit fee or environmental fee or assessment and the matter has not become final or where the vendor has entered into a payment plan or agreement and the vendor is not in default of any of the provisions of such plan or agreement.

Under penalty of law for false swearing (*West Virginia Code §61-5-3*), it is hereby certified that the vendor affirms and acknowledges the information in this affidavit and is in compliance with the requirements as stated.

Re: Our Company History and Biography
State Police Academy located at 135 Academy Drive, Dunbar, WV

Please accept the following information as an introduction and brief history of our construction company.

City Construction Company, Inc. is a family owned and operated corporation. 2011 marks our 46th year of continued service. The principals are Oral Henderson, Jr. and his five (5) sons...Bud, Ron, Mark, Brian and Scott. Four generations of the Henderson family are the vital life blood of our company. We have all grown up in the business. Learning from bottom to the top. This is not only a job; it is our life's work. And each and everyday we put our reputation on the line. Our success lies in the golden rule...Treat others as you would want to be treated.

Currently, we are one of the two largest general contractors in North Central West Virginia. The Henderson family actually owns four (4) different construction firms with a combined annual gross sales of over \$50 million dollars.

City Construction Company, Inc. – Commercial building company
City Window Systems, LLC. – Commercial window replacement company

We were also a three (3) time term contractor for the Appalachian District of the United States Postal System. Currently our bond program is \$50,000,000.00. Plus City Window and Construction Company was a founding and current term contractor for West Virginia University. We're very proud of our outstanding record for quality workmanship and service. During this four decade plus span we've built a solid reputation and superior record of successful projects. Below are a more complete overview of our construction companies and a history of successful projects.

We recently finished the new Bridgeport Public Safety Complex adjacent to the new UHC Hospital and opened our new WV DOT rest stops within the last few months. We

actually received a 2010 AIA Architectural Achievement of Excellence award for the 1-79 DOT Rest Stops at Burnsville, the Hazelton I-68 DOT WVA Welcome Center and the new wooden Amphitheater at the Waterfront Park in Morgantown. Our crews are busy at several school renovations projects in Raleigh, Tyler, Braxton, Boone and Harrison County Schools. Just now putting the finish touches on the Concord University Chapel and Alumni Center. A few months ago we completed the 20,000 + sf National Oilwell Varco complex in Bridgeport. We have just finished another renovation job at the Salem Industrial Home for Youth. We recently completes the new Preston County 911 Center in Kingwood. We have almost completed the Simpson School addition. We are currently working on Logan County DOT Headquarters, Fairmont Senior High School, Bridgeport Recreation Center, NOV Tuboscope development and A-B College Campus Center renovations.

In the past we completed a five million dollar Welcome Center building project for the West Virginia Department of Highways in Hazelton, WV. We were busy on numerous other projects in a five state area. We have worked on and built several large five – seven million dollar school building projects. Chapmanville Regional High School, Chapmanville, WV and Salem/Gore Middle School (Mountaineer Middle School), Clarksburg, WV, Doddridge County High School, West Union, WV are all our new buildings.
