PURCHASING DIVISION  
STATE OF WV

September 20th, 2010

To Purchasing Division:

Thank you for the opportunity to bid on the 3-wheel motorcycle for the state of West Virginia. This letter is in regards to the General Three Wheel Motorcycle Specifications.

The first exception pertains to 8.7 regarding the minimum seat height. The Harley-Davidson FLHTCUTG has a seat height of 27.1 inches instead of the 27.5 inch requirement. The next item for exception is number 12.1.3 in which the Harley-Davidson FLHTCUTG does not have an engine temperature but an ambient air temperature gauge. Next is number 12.1.5 for a gear position instrument. The Harley-Davidson FLHTCUTG offers a neutral indicator light and 6th gear indicator light. The next number involves number 13.7. The Harley-Davidson FLHTCUTG is not offered with ABS. Number 13.8 is standard on the Harley-Davidson FLHTCUTG so the option for additional storage space isn't needed. The final exception pertains to 16.3 in which Harley-Davidson Motor Company has guaranteed a delivery of all ten units within 30 days of order placement. However, for S&P Harley-Davidson to adequately prep and install heated hand grips it will need an additional five days for a total of 35 days or order to ensure proper installation and preparation of the 3-wheel motorcycles.

Thank you again for the opportunity to work with the state of West Virginia.

Sincerely,

A handwritten signature in black ink, appearing to read "Kenny Hardy".

**PURCHASING AFFIDAVIT**

West Virginia Code §5A-3-10a states: No contract or renewal of any contract may be awarded by the state or any of its political subdivisions to any vendor or prospective vendor when the vendor or prospective vendor or a related party to the vendor or prospective vendor is a debtor and the debt owed is an amount greater than one thousand dollars in the aggregate.

**DEFINITIONS:**

"Debt" means any assessment, premium, penalty, fine, tax or other amount of money owed to the state or any of its political subdivisions because of a judgment, fine, permit violation, license assessment, defaulted workers' compensation premium, penalty or other assessment presently delinquent or due and required to be paid to the state or any of its political subdivisions, including any interest or additional penalties accrued thereon.

"Debtor" means any individual, corporation, partnership, association, limited liability company or any other form or business association owing a debt to the state or any of its political subdivisions. "Political subdivision" means any county commission; municipality; county board of education; any instrumentality established by a county or municipality; any separate corporation or instrumentality established by one or more counties or municipalities, as permitted by law; or any public body charged by law with the performance of a government function or whose jurisdiction is coextensive with one or more counties or municipalities. "Related party" means a party, whether an individual, corporation, partnership, association, limited liability company or any other form or business association or other entity whatsoever, related to any vendor by blood, marriage, ownership or contract through which the party has a relationship of ownership or other interest with the vendor so that the party will actually or by effect receive or control a portion of the benefit, profit or other consideration from performance of a vendor contract with the party receiving an amount that meets or exceeds five percent of the total contract amount.

**EXCEPTION:** The prohibition of this section does not apply where a vendor has contested any tax administered pursuant to chapter eleven of this code, workers' compensation premium, permit fee or environmental fee or assessment and the matter has not become final or where the vendor has entered into a payment plan or agreement and the vendor is not in default of any of the provisions of such plan or agreement.

Under penalty of law for false swearing (West Virginia Code §61-5-3), it is hereby certified that the vendor affirms and acknowledges the information in this affidavit and is in compliance with the requirements as stated.
