WHEN RESPONDING TO RFQ, INSERT NAME AND ADDRESS IN SPACE ABOVE LABELED 'VENDOR'

The Acquisition and Contract Administration Section of the Purchasing Division, hereinafter referred to as "State", is soliciting quotes for an Open-End contract with the West Virginia Regional Jail Authority, hereinafter referred to as "Agency", to provide Liquid Propane Gas (LPG) for the operation of the Potomac Highlands Regional Jail and the J.M. "Chick" Buckbee Juvenile Center as further defined in this RFQ.

General Information:

The Potomac Highlands Regional Jail is a 100,000 square foot facility located at #13 Dolan Drive, in Augusta, Hampshire County, West Virginia. The J.M. "Chick" Buckbee Juvenile Center is a 27,000 square foot facility constructed adjacent to the Regional Jail.

The facilities have one (1) 18,000 gallon tank for the storage of liquid propane gas. The gas is used primarily for cooking and heating of the Potomac Highlands Regional Jail and the J.M. "Chick" Buckbee Juvenile Center.

The aboveground tank is owned by the Agency.

Quality of Product:

The Agency reserves the right to require that prospective vendors provide proof of the quality of product provided, both during the bid evaluation process, and at any time during the life of the contract. Such proof may include the identity and location of the refiner producing the fuel, and the exact specifications/content of the fuel.

Vendors must be an established Refiner, distributor or Dealer, and must satisfactorily prove to the Agency that adequate facilities and/or equipment are available to perform all the requirements of this contract. References may be required.

In the event any adulterated or substandard fuel is delivered, all costs associated with emptying and cleaning the Agency's tank will be the responsibility of the Vendor.

Delivery:

All costs associated with delivery must be reflected within the section below entitled "Price Quotations"

Prospective Vendors must be willing and able to place the Potomac Highlands Regional Jail on an "automatic fill" program. For the purpose of this contract the term "automatic fill" means the Vendor will monitor fuel consumption at the facility in order to establish a consumption track record for the facility. Having established this track record, the Vendor will then replenish the facility's fuel tank automatically without an order being placed by Agency personnel. The object of this program is to eliminate the need for Agency personnel to monitor fuel levels and place orders, while at the same time not running the risk of being out of fuel.

If an order is placed by Agency personnel, delivery **must** be made within 48 hours of the time when an order is placed. Agency orders will be placed by telephone or fax. It is the intent of the Agency that "manual" orders of this type will be the exception, and will only be used in other than normal circumstances.

Delivery documents must be presented to Agency personnel when fuel is unloaded. The documents must be signed by an Agency employee after unloading and verification of quantity received is made.

The Vendor will not be held liable in damages for the delay of shipment or failure to deliver caused by fire, flood, Acts of God, Acts of government or by any other circumstances in which in the opinion of the Agency are beyond the control of the Vendor. The Agency may, in its discretion, purchase the product on the open market until such time as product becomes available from the Vendor.

Taxes:

The West Virginia Regional Jail Authority, as an agency of the State of West Virginia, is exempt from West Virginia Consumer Sales Tax. The State of West Virginia does not charge State Excise Tax on LPG. All invoices are to be submitted for payment "Net" of taxes.

Pricing:

The vendor must bid a "Firm Fixed Mark-Up Price" per gallon on fuel (inclusive of all deliver costs) with product prices tied to the OPIS publication "Rack Reports" (via fax or web). The Vendor is to bid only a firm fixed mark-up for business profit and expenses in supplying the product to the Agency. Product cost shall be the LP Spot Weekly average (TEPPCO) at Greensburg, Pennsylvania as published for the week preceding delivery.

Invoicing:

Vendor shall invoice the Agency their "Firm Fixed Mark-Up Bid Price" plus the Oil Price Information Services (OPIS) weekly newsletter published price for the week preceding delivery. OPIS, as published by United Communications Group, 11300 Rockville Pike, Suite 1100, Rockville, Maryland 20852 (telephone: 800-929-4824).

Vendor shall be required to submit proof of cost in conjunction with the submission of invoices. A copy of the page(s) showing the date and the cost will be acceptable.
