**BID SPECIFICATIONS
SECURITY HYGIENE
RJC693**

SCOPE

This request for quotation is to establish an Agency contract for the West Virginia Regional Jail and Correctional Facility Authority to supply various personal care/hygiene products for use in Correctional Institutions. This contract may be utilized by other state agencies requiring similar safety and security requirements. These products must be specifically tailored in size, quantity and/or packaging for use in a correctional institution environment. It is the intention of this agency to award one contract. This award will not be split and will be made to the most complete bid and based on the lowest total of all items listed on the attached pricing pages.

**** This contract SHALL not include identical products currently available on other State wide contracts.

All terms and conditions in the written specifications are absolute and the compliance with cannot be waived. Mandatory terms are included by the use of the terms *shall, will, must, maximum or minimum*.

General Information

- 1) Vendor shall quote a percentage discount from the lowest price listed in the catalog submitted. The Agency is requesting a percentage discount for each of the listed categories. All items in the discounted category must have the exact same discount. (For example, if a personal care product in the category has a discount of 40%, EVERY personal care product sold in that category must have the same 40% discount). Vendors MAY submit alternate bids by using a separate or additional catalogs. Bids must plainly and clearly indicate the percentage discount for each of the specified categories. Bids that are not clearly identifiable will be disqualified. For bidding purposes, a list of the items most frequently purchased and a yearly estimate of quantity is reflected in the Pricing Page. **NOTE:** The category discount must apply to all items in that category. Bidders shall not offer greater discounts for items on the pricing pages than the category discount offered. The categories are listed below:

**Tooth & Lip Care
Hair Care
Soap
Antiperspirant/Deodorant
Feminine Care
Razors/Shave**

**BWB ENTERPRISE
P.O. BOX 184
MATEWVA, WV, 25678**

- 2) Catalogs must contain certain items specifically designed and packaged for use in Correctional Institutions. Those items are more clearly defined below and identified with an asterisk (*) on the Pricing Page;

- Toothpaste (paste or gel) must be available in clear or see-through packages or tubes;
- Gel Toothpaste must be available in red;
- Toothbrushes must be sealed in clear or see-through packages;
- No-Shank toothbrushes must be made of a translucent material;
- Shampoos must be available in clear or see through packets or bottles;
- Soaps must be available in clear or see through packaging;
- Deodorants must be available in see through packaging;
- Sanitary Napkins must have adhesive strip; be powder free; individually wrapped and available in bulk packaging;
- Tampons must be fragrance free; individually wrapped and available in bulk packaging;
- Razors must be Disposable, Stainless Steel Single Blade with a clear safety cap, and available in bulk packaging;
- Shave Gel must be available in single use clear or see through packets;
- Soap Boxes must be hinged and constructed of clear material;
- Lice shampoo must be available in 1 Gallon size with pump; formula must be non-foaming and fast acting.

- 3) A vendors' catalog should be submitted with the bid and must contain product lines broad enough to meet the needs of the Agency(s) who might utilize this contract. The vendor's most current catalog is preferred. **NOTE:** Internet catalogs must be submitted in paper format.

- 4) Bidders shall provide all information requested on "RCJ693 Pricing Pages". Bidders should complete all columns. Where an item is unavailable, "No Bid" must appear on the pricing page in the column labeled "Reference or Product #". The pricing page contains a list of the most frequently purchased items however, the discount rate must be extended to all items found and ordered from that specified category. The quantities provided for each item listed on the pricing pages represents the approximate volume of anticipated purchases. The "net unit price" is to be all inclusive and must be the final price that will be charged to the State of West Virginia.

- 5) The "net unit price" shown on the pricing pages will be verified using the percentage discount shown on the pricing pages against the lowest price in the catalog bid. If any discrepancies are found, it may be cause for rejection of bid.

- 6) The lowest cost, most complete bidder shall be awarded a contract. The discount shall remain the same during the entire contract period including any renewals.

- 7) The catalog may be updated at renewal. If the Agency and Purchasing Division extends the offer to renew and the new catalogs have significant price increases, the Agency or the Purchasing Division may decline and re-bid the commodity.

- 8) The successful vendor shall provide catalogs, at no charge, upon request to the various correctional institutions utilizing this contract. Additional catalogs may be required from the vendor at any time. These shall be provided at no cost to the State. Correctional Institutions may obtain the catalogs contacting the contract coordinator listed on the pricing page.
- 9) Orders shall be delivered within five (5) working days after orders are received.
- 10) All bids are to be quoted as F.O.B. destination to any facility location. The minimum order for prepaid shipping to one, facility destination shall be \$200.00. For orders less than \$200.00, transportation charges (if any) may be invoiced as a separate charge with the original freight bill attached to the invoice. Facilities may make purchases that fall under the \$200.00 limit from a local source to avoid the delivery charges only in the event of an authorized emergency.
- 11) Verification of product quality is the responsibility of the vendor. The Agency may require certified mail test data, certifications or samples for testing of the commodity(s) bid. All costs of test samples shall be borne by the vendor as well as freight costs to and from the agency.
- 12) The successful bidder shall not substitute any other brand products from those awarded. Substitution of products will be grounds for cancellation of the contract.
- 13) Bidders must be a manufacturer or a regular stocking licensed dealer for the products offered at the time of bid.
- 14) Successful vendor shall provide quarterly reports and annual summaries showing quantities, dollar value and facilities which have used this contract at the Agency's request. Should these reports be requested, the vendor should submit them to the Procurement Officer of the requesting agency.
- 15) Non conforming materials shall be returned to the vendor at no expense to the State of West Virginia at any time during the life of this contract.
- 16) Internet Access – Vendor should be able to provide internet access. If the vendor has such capabilities, this should be so noted in their quotation and shall describe the process for setting up such ordering for state agencies. However, Internet access is not a mandatory requirement.

Reminder to Bidders:

Prior to submitting bids, bidders are cautioned to comply with ALL mandatory bid requirements.

Bidders shall quote a single discount for all items within a single category.

BWB ENTERPRISE
P.O. BOX 184
MATEWAN, WV. 25678

Include dated and numbered catalog(s) – Two Sets
Please supply an electronic copy of catalog(s).

Complete the Pricing Pages – including the name and other requested information of the contract coordinator who will respond to agency inquiries on using the contract.

If the price list makes reference to prices being subject to change, those terms are null and void. All price changes shall be in accordance with Paragraph 7 of this request.

Samples MAY be requested during the bid evaluation. Samples shall be received within seven (7) days after request is made and at no cost to the State of West Virginia. Certain items within some categories must be specifically designed and packaged for use in Correctional Institutions. Those items are more clearly defined in Paragraph 2 and identified with an asterisk (*) on the Pricing Page.

RFQ No. RJC693

STATE OF WEST VIRGINIA
Purchasing Division

PURCHASING AFFIDAVIT

West Virginia Code §5A-3-10a states: No contract or renewal of any contract may be awarded by the state or any of its political subdivisions to any vendor or prospective vendor when the vendor or prospective vendor or a related party to the vendor or prospective vendor is a debtor and the debt owed is an amount greater than one thousand dollars in the aggregate.

DEFINITIONS:

"Debt" means any assessment, premium, penalty, fine, tax or other amount of money owed to the state or any of its political subdivisions because of a judgment, fine, permit violation, license assessment, defaulted workers' compensation premium, penalty or other assessment presently delinquent or due and required to be paid to the state or any of its political subdivisions, including any interest or additional penalties accrued thereon.

"Debtor" means any individual, corporation, partnership, association, limited liability company or any other form or business association owing a debt to the state or any of its political subdivisions. "Political subdivision" means any county commission; municipality; county board of education; any instrumentality established by a county or municipality; any separate corporation or instrumentality established by one or more counties or municipalities, as permitted by law; or any public body charged by law with the performance of a government function or whose jurisdiction is coextensive with one or more counties or municipalities. "Related party" means a party, whether an individual, corporation, partnership, association, limited liability company or any other form or business association or other entity whatsoever, related to any vendor by blood, marriage, ownership or contract through which the party has a relationship of ownership or other interest with the vendor so that the party will actually or by effect receive or control a portion of the benefit, profit or other consideration from performance of a vendor contract with the party receiving an amount that meets or exceeds five percent of the total contract amount.

EXCEPTION: The prohibition of this section does not apply where a vendor has contested any tax administered pursuant to chapter eleven of this code, workers' compensation premium, permit fee or environmental fee or assessment and the matter has not become final or where the vendor has entered into a payment plan or agreement and the vendor is not in default of any of the provisions of such plan or agreement.

Under penalty of law for false swearing (*West Virginia Code* §61-5-3), it is hereby certified that the vendor affirms and acknowledges the information in this affidavit and is in compliance with the requirements as stated.

VENDOR PREFERENCE CERTIFICATE

Certification and application* is hereby made for Preference in accordance with West Virginia Code, §5A-3-37. (Does not apply to construction contracts). West Virginia Code, §5A-3-37, provides an opportunity for qualifying vendors to request (at the time of bid) preference for their residency status. Such preference is an evaluation method only and will be applied only to the cost bid in accordance with the West Virginia Code. This certificate for application is to be used to request such preference. The Purchasing Division will make the determination of the Resident Vendor Preference, if applicable.

- 1. Application is made for 2.5% resident vendor preference for the reason checked: Bidder is an individual resident vendor and has resided continuously in West Virginia for four (4) years immediately preceding the date of this certification; or, Bidder is a partnership, association or corporation resident vendor and has maintained its headquarters or principal place of business continuously in West Virginia for four (4) years immediately preceding the date of this certification; or 80% of the ownership interest of Bidder is held by another individual, partnership, association or corporation resident vendor who has maintained its headquarters or principal place of business continuously in West Virginia for four (4) years immediately preceding the date of this certification; or, Bidder is a nonresident vendor which has an affiliate or subsidiary which employs a minimum of one hundred state residents and which has maintained its headquarters or principal place of business within West Virginia continuously for the four (4) years immediately preceding the date of this certification; or,
2. Application is made for 2.5% resident vendor preference for the reason checked: Bidder is a resident vendor who certifies that, during the life of the contract, on average at least 75% of the employees working on the project being bid are residents of West Virginia who have resided in the state continuously for the two years immediately preceding submission of this bid; or,
3. Application is made for 2.5% resident vendor preference for the reason checked: Bidder is a nonresident vendor employing a minimum of one hundred state residents or is a nonresident vendor with an affiliate or subsidiary which maintains its headquarters or principal place of business within West Virginia employing a minimum of one hundred state residents who certifies that, during the life of the contract, on average at least 75% of the employees or Bidder's affiliate's or subsidiary's employees are residents of West Virginia who have resided in the state continuously for the two years immediately preceding submission of this bid; or,
4. Application is made for 5% resident vendor preference for the reason checked: Bidder meets either the requirement of both subdivisions (1) and (2) or subdivision (1) and (3) as stated above; or,
5. Application is made for 3.5% resident vendor preference who is a veteran for the reason checked: Bidder is an individual resident vendor who is a veteran of the United States armed forces, the reserves or the National Guard and has resided in West Virginia continuously for the four years immediately preceding the date on which the bid is submitted; or,
6. Application is made for 3.5% resident vendor preference who is a veteran for the reason checked: Bidder is a resident vendor who is a veteran of the United States armed forces, the reserves or the National Guard, if, for purposes of producing or distributing the commodities or completing the project which is the subject of the vendor's bid and continuously over the entire term of the project, on average at least seventy-five percent of the vendor's employees are residents of West Virginia who have resided in the state continuously for the two immediately preceding years.

Bidder understands if the Secretary of Revenue determines that a Bidder receiving preference has failed to continue to meet the requirements for such preference, the Secretary may order the Director of Purchasing to: (a) reject the bid; or (b) assess a penalty against such Bidder in an amount not to exceed 5% of the bid amount and that such penalty will be paid to the contracting agency or deducted from any unpaid balance on the contract or purchase order.

By submission of this certificate, Bidder agrees to disclose any reasonably requested information to the Purchasing Division and authorizes the Department of Revenue to disclose to the Director of Purchasing appropriate information verifying that Bidder has paid the required business taxes, provided that such information does not contain the amounts of taxes paid nor any other information deemed by the Tax Commissioner to be confidential.

Under penalty of law for false swearing (West Virginia Code, §61-5-3), Bidder hereby certifies that this certificate is true and accurate in all respects; and that if a contract is issued to Bidder and if anything contained within this certificate changes during the term of the contract, Bidder will notify the Purchasing Division in writing immediately.

Bidder: BWA Enterprise Signed: Roger Small
Date: 01/03/11 Title: President

RJC693
Addendum No. 2

Q1. Can you please send me the previous pricing you all had for the Personal Hygiene Products Contract (#RJC693).

A1. **There has not been a Personal Hygiene Contract for many, many years for the items specific to this bid. That information is not available.**

Q2. I was interested in a bid I found on bidnet.com. Regional Jail and Correctional Authority. The toothbrush and the hair care products; on that, is there a specific brand, and specific ingredients we need to make sure it has and also what about the packaging specs on the bottles?

A2. **There is no specific brand name or ingredient list associated with these products. If there is a particular type of packaging required, it is listed under General Information; item 2) in the bid specifications and again on the pricing page.**

Lice B Gone

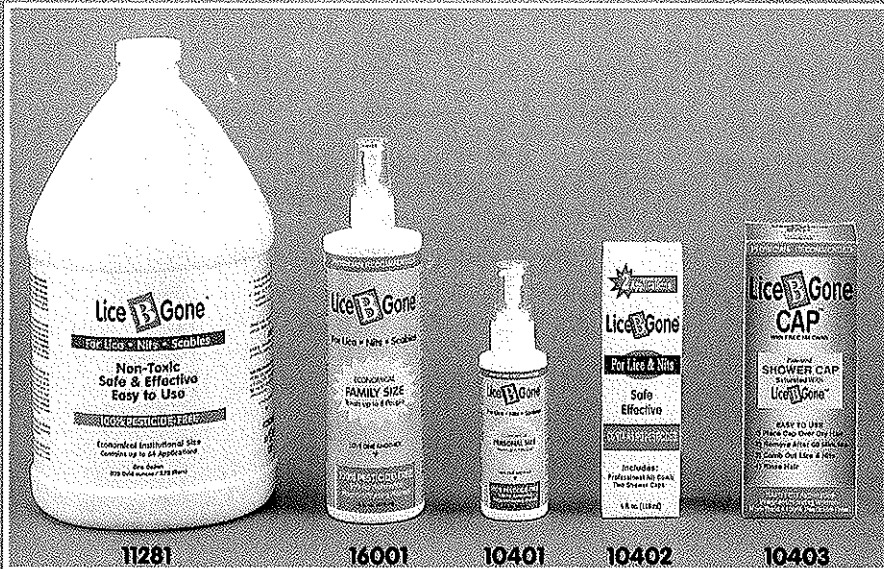

Lice B Gone™ is a safe, non-toxic lice, nit and scabies treatment that is used worldwide. This extra-strength, 100% pesticide-free formula contains enzymes that are derived from natural plant sources. It has been clinically proven to be effective on lice without the use of harmful pesticides or irritating chemicals. It is also effective on the nits (eggs)...

it softens the glue, which holds them to the hair shaft, making them easier to remove with a nit comb.

Most cases only require one treatment, so you don't need to retreat again in 7 days like other products. However, if re-exposure to lice should occur, Lice B Gone™ can be used as often as needed. Medicaid approved in some states.

11281

16001

10401

10402

10403

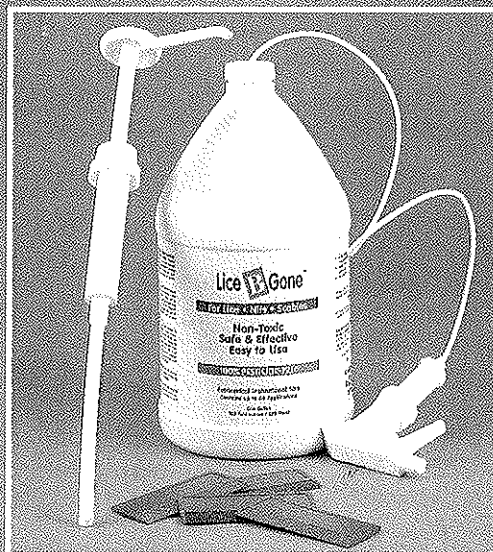

10401 PERSONAL SIZE
(2 treatments-4 fl oz)

- **100% PESTICIDE-FREE** Safe for asthmatics & pregnant/nursing women.
- **ONLY ONE TREATMENT NEEDED** Clinically proven to be effective on lice and nits (eggs) with only one treatment.
- **SIMPLE TO USE** Apply to dry hair. After an hour, comb out lice and nits and rinse.
- **ECONOMICALLY PRICED** for a great value.

10403 Lice B Gone CAP™

(1 treatment) Includes disposable Lice B Gone CAP™ with thick liner saturated with Lice B Gone™ and Nit Comb. Convenient new method is this easy: Place patented shower cap saturated with Lice B Gone™ over dry hair for an hour. Remove, comb out lice and nits and rinse.

11281 INSTITUTIONAL SIZE

(64 treatments-128 fl oz) Gallon size for nursing homes, hospitals, jails, prisons, detention centers, camps, schools, missionary work.

Pump dispenser (10002), Trigger Sprayer with 3' hose (10003) and Nit Combs (10001) available separately.

10402 PERSONAL SIZE KIT

(2 treatments) Includes 4 oz bottle, nit comb and 2 shower caps

BWB ENTERPRISE
P.O. BOX 184
MATEWAN, WV. 25678

Lice B Gone™ is a safe, non-toxic, 100% pesticide-free multi-enzyme shampoo made from natural plant sources. This extra-strength formula has been clinically proven to effectively remove lice and nits without harmful pesticides or irritating chemicals. Most cases require only one application, so you don't need to re-treat again in 7 days like the other products. However, if re-exposure should occur, it may be used as often as needed, for actual treatment or as a precautionary measure. Lice B Gone™ can be used by pregnant women, nursing mothers, young children and most people with asthma and allergies. It is also effective on body lice, crab lice and scabies. Lice B Gone™ is Medicaid approved in some states.

Lice B Gone™ is available in five packages: the Institutional Size (contains 64 applications), the Family Size (8), the Personal Size/Personal Size Kit (2) and the Lice B Gone CAP™.

Lice B Gone™ INGREDIENTS

Filtered water and enzymes (amylase, cellulase, lipase, protease) from natural plant sources. Not tested on animals. Made in USA.

Lice B Gone™ CONTAINS NO

Irritating chemicals or harmful pesticides such as permethrin, pyrethrum, pyrethrin, piperonyl butoxide, lindane or malathion.

Other 100% Pesticide-Free SEA products:

Flea 'n Tick B Gone™ (16oz and Gallon Bottles)

DIRECTIONS

For Head Lice: Place the Lice B Gone CAP™ saturated with Lice B Gone™ over dry hair or spray Lice B Gone™ from the bottle onto dry hair and massage treatment into hair until completely saturated. Be sure to keep out of eyes. Allow Lice B Gone™ to remain on the hair for 60 minutes. This is the length of time required for Lice B Gone™ to soften the glue, which holds the nits (lice eggs) to the hair shaft. If using the Lice B Gone CAP™, remove and discard appropriately. Comb the hair carefully with a nit comb to remove all lice and nits. If hair is long, thick and/or curly, comb with a wide tooth comb to straighten and de-tangle before using the nit comb. Rinse hair with warm water and inspect under a bright light using a magnifying glass. Visit our website (www.s-e-a.net) for more information.

The Importance of Nit Removal:

After a louse lays an egg (nit), it is attached to the hair shaft about ¼" above the scalp with a very strong glue. It takes 7 days for the nit to hatch and another 7 days for the nymph to begin laying eggs. In the balance of its 30-day life span, it can lay 100 eggs. As you can see, it is very important to comb all of the nits out of the hair.

HOW TO GET RID OF HEAD LICE

1. TREAT EVERYONE IN THE HOUSE WITH LICE B GONE™

Statistics suggest that many people with lice don't know that they have them or don't show signs of having them. As a result, they unknowingly keep passing them to the one(s) in the family known to have lice...so the cycle continues on and on. Treating everyone in the family with Lice B Gone™ is the best first step toward breaking this cycle.

2. LAUNDER THE BEDDING AND RECENTLY WORN CLOTHING

Wash the bedding (sheets, pillow cases, blankets, etc.) and recently worn clothing (fabric permitting) in hot water and leave it in the dryer on high heat for at least 30 minutes.

3. VACUUM VACUUM VACUUM !!!

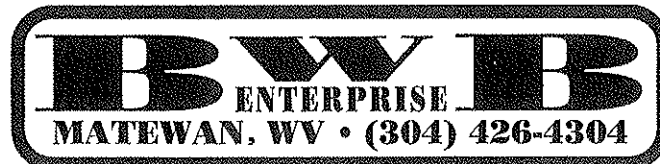

Vacuum every item you can, including the bare mattress, carpet, floor, stuffed animals, coat collars, hats, couches, chairs, car upholstery, etc. Any place where a louse could have fallen off to or crawled off to are areas which need vacuuming.

* **FOR LICE** Lice are parasites that need a blood meal from the scalp every three hours. If they crawl or fall off of the host, they can only live for 48 hours without feeding again. That is why it is so important to vacuum them up as quickly as possible and dispose of the vacuum bag.

* **FOR NITS** It is highly unlikely that they will simply fall off the hair because they are glued to the hair shaft with a very strong glue. If a hair falls out or is pulled/combed out, the nit usually remains glued to the hair shaft. They can remain in the dormant stage and still hatch for up to 30 days, depending on the temperature, so it is necessary to vacuum up them as well.

4. TREAT YOUR PETS WITH FLEA 'N TICK B GONE™

Head lice do not live on pets. However, they can be a carrier from one person/one bed/one room to another. **Example:** A child and his/her pet are sleeping in the same bed and a louse crawls off of the head and onto the animal. The pet goes into another child's or adult's bed, into another room or onto the couch, chair, blanket, car, etc. The louse crawls off of the animal and onto another person or object. If you have an indoor pet, it is a good policy to treat the animal(s) with Flea 'n Tick B Gone™, another SEA product that is 100% pesticide-free.

Lice B Gone

Lice B Gone™ is a safe, non-toxic lice, nit and scabies treatment that is used worldwide. This extra-strength, 100% pesticide-free formula contains enzymes that are derived from natural plant sources. It has been clinically proven to be effective on lice without the use of harmful pesticides or irritating chemicals. It is also effective on the nits (eggs).

It softens the glue, which holds them to the hair shaft, making them easier to remove with a nit comb.

Most cases only require one treatment, so you don't need to retreat again in 7 days like other products. However, if re-exposure to lice should occur, Lice B Gone™ can be used as often as needed. Medicaid approved in some states.

16001 FAMILY SIZE
(8 treatments-16 fl oz)

Lice B Gone™ is a safe, non-toxic, 100% pesticide-free multi-enzyme shampoo made from natural plant sources. This extra-strength formula has been clinically proven to effectively remove lice and nits without harmful pesticides or irritating chemicals. Most cases require only one application, so you don't need to re-treat again in 7 days like the other products. However, if re-exposure should occur, it may be used as often as needed, for actual treatment or as a precautionary measure. Lice B Gone™ can be used by pregnant women, nursing mothers, young children and most people with asthma and allergies. It is also effective on body lice, crab lice and scabies. Lice B Gone™ is Medicaid approved in some states.

Lice B Gone™ is available in five packages: the Institutional Size (contains 64 applications), the Family Size (8), the Personal Size/Personal Size Kit (2) and the Lice B Gone CAP™.

Lice B Gone™ INGREDIENTS

Filtered water and enzymes (amylase, cellulase, lipase, protease) from natural plant sources. Not tested on animals. Made in USA.

Lice B Gone™ CONTAINS NO

Irritating chemicals or harmful pesticides such as permethrin, pyrethrum, pyrethrin, piperonyl butoxide, lindane or malathion.

Other 100% Pesticide-Free SEA products:

Flea 'n Tick B Gone™ (16oz and Gallon Bottles)

DIRECTIONS

For Head Lice: Place the Lice B Gone CAP™ saturated with Lice B Gone™ over dry hair or spray Lice B Gone™ from the bottle onto dry hair and massage treatment into hair until completely saturated. Be sure to keep out of eyes. Allow Lice B Gone™ to remain on the hair for 60 minutes. This is the length of time required for Lice B Gone™ to soften the glue, which holds the nits (lice eggs) to the hair shaft. If using the Lice B Gone CAP™, remove and discard appropriately. Comb the hair carefully with a nit comb to remove all lice and nits. If hair is long, thick and/or curly, comb with a wide tooth comb to straighten and de-tangle before using the nit comb. Rinse hair with warm water and inspect under a bright light using a magnifying glass. Visit our website (www.s-e-a.net) for more information.

The importance of Nit Removal:

After a louse lays an egg (nit), it is attached to the hair shaft about 1/4" above the scalp with a very strong glue. It takes 7 days for the nit to hatch and another 7 days for the nymph to begin laying eggs. In the balance of it's 30-day life span, it can lay 100 eggs. As you can see, it is very important to comb all of the nits out of the hair.

HOW TO GET RID OF HEAD LICE

1. TREAT EVERYONE IN THE HOUSE WITH LICE B GONE™

Statistics suggest that many people with lice don't know that they have them or don't show signs of having them. As a result, they unknowingly keep passing them to the one(s) in the family known to have lice...so the cycle continues on and on. Treating everyone in the family with Lice B Gone™ is the best first step toward breaking this cycle.

2. LAUNDRY THE BEDDING AND RECENTLY WORN CLOTHING

Wash the bedding (sheets, pillow cases, blankets, etc.) and recently worn clothing (fabric permitting) in hot water and leave it in the dryer on high heat for at least 30 minutes.

3. VACUUM VACUUM VACUUM !!!

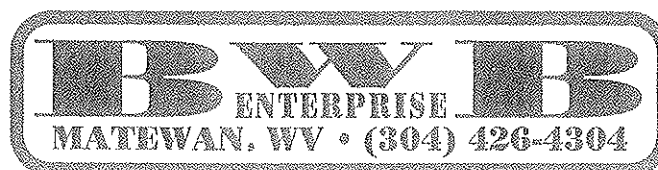

Vacuum every item you can, including the bare mattress, carpet, floor, stuffed animals, coat collars, hats, couches, chairs, car upholstery, etc. Any place where a louse could have fallen off to or crawled off to are areas which need vacuuming.

* **FOR LICE** Lice are parasites that need a blood meal from the scalp every three hours. If they crawl or fall off of the host, they can only live for 48 hours without feeding again. That is why it is so important to vacuum them up as quickly as possible and dispose of the vacuum bag.

* **FOR NITS** It is highly unlikely that they will simply fall off the hair because they are glued to the hair shaft with a very strong glue. If a hair falls out or is pulled/combed out, the nit usually remains glued to the hair shaft. They can remain in the dormant stage and still hatch for up to 30 days, depending on the temperature, so it is necessary to vacuum up them as well.

4. TREAT YOUR PETS WITH FLEA 'N TICK B GONE™

Head lice do not live on pets. However, they can be a carrier from one person/one bed/one room to another. **Example:** A child and his/her pet are sleeping in the same bed and a louse crawls off of the head and onto the animal. The pet goes into another child's or adult's bed, into another room or onto the couch, chair, blanket, car, etc. The louse crawls off of the animal and onto another person or object. If you have an indoor pet, it is a good policy to treat the animal(s) with Flea 'n Tick B Gone™, another SEA product that is 100% pesticide-free.
