1. SCOPE OF WORK

The Division of Highways is issuing this Request for Quotation requesting bidders to furnish Concrete Barrier Blocks for use in the temporary storage of roadway salt stockpiles. Locations of these stockpiles sites are listed in Section 7. An Agency Release will be issued by the Division of Highways at the time of need.

2. BIDDING INSTRUCTIONS

Vendors shall quote a delivered price, per block, to each stockpile site on the Bid Schedule. Unloading of the vendors' trucks shall be the responsibility of the Division of Highways.

Vendors should be cautioned that the quantities listed on the Bid Schedule are estimates. The Agency Release will provide the quantities needed.

Vendors may bid any or all stockpile sites.

Any qualification of bids or any modification of the specifications or conditions governing the bids, by the vendor, may be cause for their rejection.

3. DESCRIPTION

Concrete Barrier Blocks shall have an overall dimension of 2' x 2' x 6' and shall be constructed with interlocking grooves on top, bottom and both ends to allow the blocks to be locked together when stacked or placed end to end.

A lifting device or lifting eye, capable of supporting the weight of the block, shall be cast into the top of each block.

Blocks may be constructed of any class of concrete, but must have a minimum of 400#/cubic yard of Portland cement.

4. METHOD OF AWARD

All vendors meeting the specifications will be awarded a contract. Award to multiple vendors will be made in the best interest of the State of West Virginia.

5. ORDERING AND DELIVERY PROCEDURE

Districts will contact the low bid vendor for each stockpile location. District will list quantities needed on the Agency Release. Delivery must begin no later than May 15, 2012 and be completed no later than June 15, 2012, unless an alternative delivery timeline can be established by the District and the vendor. If the low bid vendor is unable to fulfill the total quantity requested on the Agency Release within the delivery time frame, the vendor must advise the ordering District within 24 hours from the time of the Agency Release as to how many blocks they can produce and deliver to the stockpile site by the deadline.

If after the low bid vendor has advised the District of the number of blocks that they can produce and deliver to the stockpile site by the deadline, the District will go to the next low bid vendor and issue an Agency Release for the balance of blocks required to fulfill the original quantity ordered. The vendor must advise the ordering District within 24 hours from the time of the Agency Release as to how many blocks they can produce and deliver to the stockpile site by the deadline.

This procedure shall continue every 24 hours until the total quantity of blocks can be produced and delivered to the stockpile site by the deadline of June 15, 2012 or an alternate established deadline date.

Vendors shall provide the Division of Highways 48 hours notice prior to each delivery so that the site may be prepared to unload the blocks.

6. VENDOR'S INVOICE

Vendor's invoices must be submitted in original and one copy and contain the following:

- a. The Agency Release Number and this Contract Number.
- b. Total quantity and unit price with the total cost of blocks.

Note: Under no circumstance will the Division of Highways accept, or pay for, quantities of material in excess of the quantity stated on the Agency Release.
