ADDENDUM NO. 1

Q1: What type of Grade 1 hardware do you mean? For instance there is lower grade 1 like US Lock, Falcon, Hager and Dorma. Then there is top of the line like Schlage.

A1: The specifications state Grade 1, of a current production, with available repair or replacement parts for at least a (3) three year period after the date of installation. That is all we are requiring. Our main concern is the availability of replacement parts the lower or higher end of Grade 1 is not a factor.

Q2: What is meant by certified locksmith? We have carpenters that do this type of work all the time.

A2: As per our specifications, a certified locksmith is a member of the Associated Locksmith of America or an equally accredited organization. Must be someone with the certified knowledge of locks and the internal workings of those locks and locksets.

Q3: We have one supplier that is certified by Ingersoll Rand Company, would this be OK?

A3: If the supplier is also going to be the installer or supervise the work, then yes. If not, then no.

Q4: Would the carpenters union be considered as an equally accredited organization?

A4: No.

Q5: Bid item #8 – are these doors all rated one-hour?

A5: All doors are a minimum one-hour. Not sure how this relates to the locks.

The bid opening is scheduled for 10/05/2011 at 1:30 pm.

No additional questions will be accepted on this RFQ.

PURCHASING AFFIDAVIT

West Virginia Code §5A-3-10a states: No contract or renewal of any contract may be awarded by the state or any of its political subdivisions to any vendor or prospective vendor when the vendor or prospective vendor or a related party to the vendor or prospective vendor is a debtor and the debt owed is an amount greater than one thousand dollars in the aggregate.

DEFINITIONS:

"Debt" means any assessment, premium, penalty, fine, tax or other amount of money owed to the state or any of its political subdivisions because of a judgment, fine, permit violation, license assessment, defaulted workers' compensation premium, penalty or other assessment presently delinquent or due and required to be paid to the state or any of its political subdivisions, including any interest or additional penalties accrued thereon.

"Debtor" means any individual, corporation, partnership, association, limited liability company or any other form or business association owing a debt to the state or any of its political subdivisions. "Political subdivision" means any county commission; municipality; county board of education; any instrumentality established by a county or municipality; any separate corporation or instrumentality established by one or more counties or municipalities, as permitted by law; or any public body charged by law with the performance of a government function or whose jurisdiction is coextensive with one or more counties or municipalities. "Related party" means a party, whether an individual, corporation, partnership, association, limited liability company or any other form or business association or other entity whatsoever, related to any vendor by blood, marriage, ownership or contract through which the party has a relationship of ownership or other interest with the vendor so that the party will actually or by effect receive or control a portion of the benefit, profit or other consideration from performance of a vendor contract with the party receiving an amount that meets or exceed five percent of the total contract amount.

EXCEPTION: The prohibition of this section does not apply where a vendor has contested any tax administered pursuant to chapter eleven of this code, workers' compensation premium, permit fee or environmental fee or assessment and the matter has not become final or where the vendor has entered into a payment plan or agreement and the vendor is not in default of any of the provisions of such plan or agreement.

Under penalty of law for false swearing (*West Virginia Code §61-5-3*), it is hereby certified that the vendor affirms and acknowledges the information in this affidavit and is in compliance with the requirements as stated.
