CLARIFICATIONS

- The specifications for the substation, 16270-2,"2.1.A" notes products to be provided by a manufacturer but the two named in this section are not manufacturers, they are agents/distributors. Nitro Electric is using equipment furnished by the following manufacturers but not supplied by the two agents listed:
 - SPC
 - S&C
 - Royal
 - Ohio Brass
 - Newell
 - AEC
 - Priority
 - TW Metals
- Proposal does not include replacing the 480V secondary feeders to the following buildings, as we have included a short splice of these feeders @ or near the transformer secondary, as indicated on the drawings.
 - Buildings C, E, F, J, K, L, M, N, & O.
- Proposal is based upon the existing spare ducts to the transformers and sectionalizing cabinets to be free of obstructions as to allow the pull in of the new cable.
(No Repair of Existing Conduits or Adding New Conduits for These Runs Have Been Included)
- Due to the incredible cost to have a factory representative onsite fulltime for the installation supervision of the major equipment and cable per the specification, Nitro Electric will perform the installation and then have a factory representative review and certify the installation as required by Nitro. If a full time factory representative is required on-site for this, we can provide a price upon request.
- We have included lightning protection for the new switchgear house, and what is shown for the yard.
- We assume all excavation can be performed with an excavator without any rock obstructions.
- Proposal is based upon working straight time, day shift, 40 hours per week.
- We have received Addendum #1, #2 & #3.
- Proposal pricing valid for 90 days.

PURCHASING AFFIDAVIT

West Virginia Code §5A-3-10a states: No contract or renewal of any contract may be awarded by the state or any of its political subdivisions to any vendor or prospective vendor when the vendor or prospective vendor or a related party to the vendor or prospective vendor is a debtor and the debt owed is an amount greater than one thousand dollars in the aggregate.

DEFINITIONS:

"Debt" means any assessment, premium, penalty, fine, tax or other amount of money owed to the state or any of its political subdivisions because of a judgment, fine, permit violation, license assessment, defaulted workers' compensation premium, penalty or other assessment presently delinquent or due and required to be paid to the state or any of its political subdivisions, including any interest or additional penalties accrued thereon.

"Debtor" means any individual, corporation, partnership, association, limited liability company or any other form or business association owing a debt to the state or any of its political subdivisions. "Political subdivision" means any county commission; municipality; county board of education; any instrumentality established by a county or municipality; any separate corporation or instrumentality established by one or more counties or municipalities, as permitted by law; or any public body charged by law with the performance of a government function or whose jurisdiction is coextensive with one or more counties or municipalities. "Related party" means a party, whether an individual, corporation, partnership, association, limited liability company or any other form or business association or other entity whatsoever, related to any vendor by blood, marriage, ownership or contract through which the party has a relationship of ownership or other interest with the vendor so that the party will actually or by effect receive or control a portion of the benefit, profit or other consideration from performance of a vendor contract with the party receiving an amount that meets or exceeds five percent of the total contract amount.

EXCEPTION: The prohibition of this section does not apply where a vendor has contested any tax administered pursuant to chapter eleven of this code, workers' compensation premium, permit fee or environmental fee or assessment and the matter has not become final or where the vendor has entered into a payment plan or agreement and the vendor is not in default of any of the provisions of such plan or agreement.

Under penalty of law for false swearing (*West Virginia Code §61-5-3*), it is hereby certified that the vendor affirms and acknowledges the information in this affidavit and is in compliance with the requirements as stated.
