REQUEST FOR QUOTATION  
DEPARTMENT OF HEALTH & HUMAN RESOURCES  
BUREAU FOR CHILD SUPPORT ENFORCEMENT

RFQ CSE12083

The mission or purpose of this project is to provide Supplemental Process Service for the West Virginia Bureau for Child Support Enforcement ("Agency") for the purpose of serving child support and/or spousal support papers to absent parents, custodial parents and any other parties pursuant to the requirements of the West Virginia Rules of Civil Procedure.

The Vendor will not be an exclusive provider of the service. Multiple vendors may be awarded contracts for a respective county. Contracts will be awarded to all bidders satisfying the requirements and qualifications of this RFQ. The Agency will utilize Vendors based upon the lowest cost and performance of the Vendor.

The award of a contract to multiple Vendors will not guarantee work for any Vendor, and the Agency is under no legal obligation to use all of the qualified Vendors that have signed a Contract with the Agency. The Agency may allocate work among the Vendors based on the needs of the Agency. It is in the Agency's sole discretion to allocate work to any of the Vendors if more than one Vendor is selected. The Agency is not obligated to refer any specified number of papers for service and reserves the right to request service as needed, subject to volume and performance.

Approval for payments will be issued upon successful service only. If successful return of service is not received within the guidelines provided herein, the Agency shall not be charged.

The Agency will provide to the Vendor its most recent, most accurate address available for the party to be served. However, the Vendor is not limited to only serving at the addresses provided by the Agency. Given the critical need for effective and timely service of process, the Vendor must attempt to serve a party at any address necessary to affect service. Attempts should include, but are not limited to, serving during employment hours at the place of employment, outside employment hours at the residence, or at any other additional address, when multiple addresses are provided by the Department or other source. To affect successful service, the vendor should attempt service at as many of the addresses provided and at different time intervals as necessary. If service is successful at an address other than the address provided by the Agency, the Vendor will provide the Agency with that address within ten (10) days along with the Credible Person Return of Service.

## CREDIBLE PERSON RETURN OF SERVICE

For each legal document which has been successfully served, the Vendor shall provide the respective local office with a "Credible Person Return of Service" complying with the provisions of the West Virginia Rules of Civil Procedure (see Attachment A). Each Credible Person Return of Service must be signed by the Vendor's employee who has effectuated service and sworn or acknowledged before a Notary Public.

The Credible Person Return of Service document must include the name of the person being served, the address at which it was served, and a description of the person being served. If the document is not served on the person named, it may be served at the individual's dwelling place or usual place of abode to a member of the individual's family who is above the age of sixteen (16) years. The Vendor shall state the name and relationship of person served to the person named on the legal document.

The Vendor shall not perform substitute service of a person by service of the document to another party in the legal action being served.

If the service of process is made at the recipient's place of employment or institution, substitute service of the document is not acceptable.

The Vendor shall advise the person being served that the document is a legal document and should be reviewed. The Vendor shall refer all questions to the Agency.

## TIME GUIDELINES

The Vendor shall initially attempt service no more than five (5) calendar days following receipt of the document.

Upon successful service, the Credible Person Return of Service shall be forwarded to the respective local office within ten (10) calendar days from the date the legal document is served.

If the Agency requires service of process to be made less than thirty (30) days following the vendor's receipt, the Agency will advise the vendor in writing of the deadline for service upon the party. The Credible Person Return of Service must be received by the Agency prior to the deadline for service. If the vendor makes successful service but does not provide the Credible Person Return of Service prior to the deadline stated by the Agency, the Agency shall not be charged.

If the Vendor is unsuccessful at service of process after thirty (30) calendar days following receipt, the Vendor should contact the Agency to inquire whether further information is available. Likewise, the Agency requires the Vendor to provide any information secured by the Vendor regarding the location of the person to be served, in order to assist the Agency in its location efforts.

The documents not served by the Vendor shall be forwarded to the respective local office within ten (10) calendar days following the final attempt. Documents not served by the Vendor will be returned to the Agency with an explanation why the document was not served and documentation of dates, times, and addresses of all attempts. Upon return of an "unsuccessful" service of process, the Agency may request service of process from another vendor.

**All documents shall be served or returned to the Agency by the Vendor within forty-five (45) calendar days following receipt of the document from the Agency**

If the Vendor is making substantial progress and successful service is likely within fourteen (14) calendar days following the expiration of the 45-day service period, the Vendor may request written approval of the Agency for an additional fourteen (14) calendar days for the service of documents on a particular case.

**The legal documents remain the property of the Agency until successful service is obtained and shall be returned to the respective local office upon request, regardless of status.**

#### **AGENCY REQUEST FOR SERVICE**

The respective local office and the Vendor may mutually agree to the exchange of documents by the use of a mail service with tracking, if exchange in person is not practical. In the absence of a mutual agreement, the Vendor shall pick up and return documents to the local office in person on a scheduled basis. For in person pickup, all documents shall be picked by the Vendor within three (3) calendar days of a request for service by the local office.

#### **TRACKING AND COMPLIANCE**

The Agency will maintain a log of documents submitted for service of process to the Vendor. A sample is attached (Attachment B). A copy of the log, listing the documents being given for service, will be provided to the Vendor with the documents for service. The Agency will

track the date of receipt by the Vendor and the date of return to the Agency. The copy of the log will serve as the cover sheet/verification of vendor's receipt of all listed documents. If a specific deadline for service has been identified by the Agency for the Vendor, such date must be noted on the Agency's log.

By use of said log, each respective local office will ensure that the Vendor has no more than twenty (20) documents for service at any point in time. If twenty (20) documents are outstanding with the Vendor, the Vendor must return a number of documents before he/she may be given a like number of new documents for service. Likewise, the Vendor should not accept more than twenty (20) documents for service from a respective local office.

If a Vendor fails three (3) times (i.e., three documents) to comply with the time limits prescribed herein, then the Agency has the discretion whether to contact the vendor for additional service of process until all service documents are brought up to date. After a vendor has failed to comply a fourth time with the time limits prescribed herein, the Agency has the discretion to discontinue or limit its use of the Vendor's services.

Non-compliance of these requirements can result in non-payment of services and/or a formal vendor complaint being filed with the West Virginia Department of Administration. If non-compliance continues to be a method of service delivery, the contract may be cancelled.

Further, the Agency reserves the right to request liquidated damages in the amount of \$100.00 per occurrence of failure to timely return documents within ten (10) calendar days of successful service or within forty-five (45) days of non-service in the absence of the written consent and agreement of the local office. Said liquidated damages shall compensate the Agency for Vendor's failure to meet contract specifications. Payment of liquidated damages by the Vendor does not preclude the Agency from termination of the contract for Vendor's failure to perform within the specifications of the contract.

## **CHANGES OF LAW**

If changes are enacted in Federal or State law which amend the law relating to the service of process, each contract granted pursuant to this RFQ will be automatically and impliedly amended to comply with the change. All Vendors will be required to comply with the changes in the law or the contract may be terminated by the Agency. Any change in Federal or State law which makes the performance of this contract illegal shall be deemed to void the contract as of the effective date or enactment of said law.

## VENDOR RESPONSIBILITIES

The bid quotation shall include all costs of service.

Any and all anticipated costs for travel shall be included in the Vendor's fee. The Vendor and its employees will be responsible for all costs, including but not limited to the transportation, travel, and parking expenses incurred.

The Vendor shall be responsible for establishing and maintaining sufficient and adequate space, equipment, facilities and the necessary supplies required to maintain a safe and acceptable standard of performance. The Vendor's operational standards shall include, but are not limited to: 1) maintaining a competent staff adequate for the successful and timely performance of the required service of legal documents; 2) maintaining comprehensive and sufficient quality controls to ensure that equipment and personnel will perform as required; and 3) developing and maintaining a schedule detailing all policies and procedures used in the Process Service Operation. This schedule must be reviewed and updated at least annually by the Vendor.

The Vendor shall require all employees or contractors to execute a confidentiality statement that the employees or contractors of the Vendor will secure and protect the documents and personal data on the Agency's documents against unauthorized access. The Vendor shall provide documentation to the Agency of confidentiality statements prior to the employee or contractor's receipt of the Agency's documents. The Vendor must require each employee or contractor to identify to the Vendor if he or she or a member of his/her family is a party in a support case in the State of West Virginia. Further, the Vendor must prohibit the employee or contractor so identified from access to the documents related to such case(s).

The Vendor shall submit detailed invoices for services provided. A description of the document being served must be included by the Vendor on the invoice. Invoices should be received in the local Agency office at least once per month. State law forbids said invoices to be paid in advance of services provided.

The Vendor shall provide its mailing address, telephone number(s), and email address to the Agency. The Vendor shall advise the Agency of any change in telephone number within twenty-four (24) hours of the change. The Vendor shall advise the Agency of any change in the

mailing and email address within five (5) calendar days of any change. Likewise, the Agency will provide the Vendor with the contact information for each local office in the same manner.

The Vendor shall return telephone calls and messages, as well as email messages, from the Agency within 48 hours of its receipt from the Agency.

Failure of the Vendor to advise of changes in contact information resulting in the Agency's inability to contact the Vendor may invoke the provisions of the liquidated damages clause herein.

The Vendor shall make the necessary individual available as a witness in the event that testimony is required as a result of the Service of Process. The Agency shall not be charged for such service.

#### **SERVICE OF PROCESS BY SHERIFF**

The local office, at its sole discretion, may use the Sheriff in the appropriate county for the service of legal documents. When the Agency's local office determines, in its sole discretion, that service by the Sheriff is not appropriate or available, the Vendor shall provide service of legal documents pursuant to the requirements of the West Virginia Rules of Civil Procedure. Further, if the Agency receives "unsuccessful" service of process by the Sheriff, the Agency may request service of process by the Vendor.

#### **CONTRACT PER COUNTY**

Quantities listed in the RFQ Attachment C are approximations only, based on estimates supplied by the Agency. The estimates are for total documents served, not necessarily those served by private vendor. It is understood and agreed that the contract shall cover the quantities actually ordered for delivery during the term of the contract, whether more or less than the quantities shown.

The Vendor must identify the counties in which service will be provided. The Vendor may receive requests for service of process from any office of the Agency; however, if the Vendor has not been awarded the bid for that county, the Vendor may not serve that process and should return the document to the requesting Agency office.

The Agency is divided into nine (9) regions consisting of all fifty-five (55) counties. Bids will be accepted for five (5) counties which are Boone, Lincoln, Mingo, Nicholas, and Webster counties. The Agency reserves the right to issue multiple contracts.

The five (5) counties, local offices, and estimated annual quantities are listed on Attachment C.

#### LIFE OF CONTRACT

This contract becomes effective on \_\_\_\_\_ and shall extend for a period of one (1) year or until such "reasonable time" thereafter as is necessary to obtain a new contract or renew the original contract. The "reasonable time" period shall not exceed twelve (12) months. During the "reasonable time", the Vendor may terminate the contract for any reason upon giving thirty (30) days written notice to the Director of Purchasing.

Notice by Vendor of intent to terminate will not relieve Vendor of the obligation to continue to provide services pursuant to the terms of the contract.

Unless specific provisions are stipulated elsewhere in this contract, the terms, conditions, and pricing set herein are firm for the life of the contract.

This contract may be RENEWED upon the mutual written consent of the Agency and the Vendor, submitted to the Director of Purchasing thirty (30) days prior to the expiration date. Such Renewal shall be in accordance with the terms and conditions of the original contract and shall be limited to two (2) one-year periods.

#### PURCHASING AFFIDAVIT

West Virginia Code §5A-3-10a (3)(d) requires that all Vendors submit a Purchasing Affidavit regarding any debt owed to the State of West Virginia. The Purchasing Affidavit must be signed and submitted prior to award. It is preferred that the Purchasing Affidavit be submitted with the bid quotation.

*The terms and conditions contained in this contract shall supersede any and all subsequent terms and conditions which may appear on any attached printed documents such as price lists, order forms, sales agreements or maintenance agreements, including any electronic medium such as CD-ROM.*

 Bidder is a nonresident vendor employing a minimum of one hundred state residents or is a nonresident vendor with an affiliate or subsidiary which maintains its headquarters or principal place of business within West Virginia employing a minimum of one hundred state residents who certifies that, during the life of the contract, on average at least 75% of the employees or Bidder's affiliate's or subsidiary's employees are residents of West Virginia who have resided in the state continuously for the two years immediately preceding submission of this bid; or,
4.  Application is made for 5% resident vendor preference for the reason checked:  
 Bidder meets either the requirement of both subdivisions (1) and (2) or subdivision (1) and (3) as stated above; or,

6.  Application is made for 3.5% resident vendor preference who is a veteran for the reason checked:  
 Bidder is a resident vendor who is a veteran of the United States armed forces, the reserves or the National Guard, if, for purposes of producing or distributing the commodities or completing the project which is the subject of the vendor's bid and continuously over the entire term of the project, on average at least seventy-five percent of the vendor's employees are residents of West Virginia who have resided in the state continuously for the two immediately preceding years.

Bidder understands if the Secretary of Revenue determines that a Bidder receiving preference has failed to continue to meet the requirements for such preference, the Secretary may order the Director of Purchasing to: (a) reject the bid; or (b) assess a penalty against such Bidder in an amount not to exceed 5% of the bid amount and that such penalty will be paid to the contracting agency or deducted from any unpaid balance on the contract or purchase order.

By submission of this certificate, Bidder agrees to disclose any reasonably requested information to the Purchasing Division and authorizes the Department of Revenue to disclose to the Director of Purchasing appropriate information verifying that Bidder has paid the required business taxes, provided that such information does not contain the amounts of taxes paid nor any other information deemed by the Tax Commissioner to be confidential.

Under penalty of law for false swearing (*West Virginia Code*, §61-5-3), Bidder hereby certifies that this certificate is true and accurate in all respects; and that if a contract is issued to Bidder and if anything contained within this certificate changes during the term of the contract, Bidder will notify the Purchasing Division in writing immediately.
