WEST VIRGINIA SCHOOLS FOR THE DEAF AND THE BLIND

FOOD COMMODITIES—PRODUCE

REQUEST FOR QUOTATION—DSBM121059

PURPOSE

The purpose and intent of this request for quotation is to establish a contract to provide specified food products to the West Virginia Schools for the Deaf and the Blind, Romney, WV, in accordance with the terms, conditions, and specifications contained herein.

SCOPE OF WORK

The successful vendor shall furnish all resources required to provide the West Virginia Schools for the Deaf and the Blind with the food items specified herein.

1. **Pricing, Invoicing & Percentage Mark-up:** Upon submission of invoice for payment the successful vendor will be required to provide a current invoice from the vendor's supplier which lists the actual wholesale cost paid by the vendor for the product. (Normally, food will be ordered during the week prior to delivery and the vendor shall submit a current invoice from the vendor's supplier that reflects that week's wholesale costs for product purchase.) Example: If the vendor receives an order the week of March 5, 2012, and delivery is set for the following week of March 12, 2012, the invoice(s) from the vendor's supplier(s) shall reflect prices for the week of March 5, 2012. Percentage (%) mark-up shall be fixed by the successful vendor and shall be good for the life of the contract. The percentage (%) mark-up shall reflect the vendor's profit, overhead, and delivery charges. If there is any item the bidder is not bidding on, it should be notated on the bid form as "no bid" by filling in "nb" in the mark-up column.
2. **Estimated Quantities:** The quantities specified on the bid form/pricing schedules are provided for bidder information purposes only and don't represent actual volume, which may or may not be experienced. The successful vendor shall be required to fill all orders regardless of the original estimated quantities shown on the bid form/pricing schedules. The West Virginia Schools for the Deaf and the Blind will not consider any bids that stipulate a guarantee to order a specific quantity or dollar amount of any item. Some reduction in pack size on various items may be required. The school, to the degree possible, has notated on the bid sheet items for which smaller pack sizes need to be available.
3. **Use of Brand Names and Product Availability:** Unless otherwise provided in this solicitation by the notation "no substitutes," the use of a certain brand name(s) and/or product number(s) does not restrict bidders to specific brand names and/or product numbers, but conveys the general style, type, source and quality of the item desired. If there is any deviation in pack, source, quality, etc. of the bid item from that prescribed in the specification, bidders shall indicate in the column marked "proposed brand/packaging" on the bid form/pricing schedule and clearly indicate the proposed substitution and packaging information. Bidders shall submit a sample if requested, so the School can determine if the substitution is of equal quality. If an

ADDENDUM

8. **Inspection/Testing:** An authorized representative of the school will have the right to inspect the premises, facilities, and processing methods for producing items covered by this contract. The representative may conduct standard tests for any items delivered under the terms of this contract, for the purpose of insuring satisfactory vendor performance. Products supplied under the resulting contract must be in strict accordance with the specifications herein, and may be subject to testing by the school's food service staff and/or the West Virginia Department of Health or the West Virginia Department of Education Office of Child Nutrition. The school may also conduct periodic random product testing during the term of the contract.

9. **Time of Performance/Delivery:** The successful vendor shall provide delivery within 7 business days **after receipt of order.** Day(s) of delivery will be mutually agreed upon by the successful vendor and the school. Minimally, the school will require one day a week delivery preferably on Tuesday or Wednesday with the option of a second day during the week, preferably Thursday or Friday. All deliveries should be made at the school at the designated campus locations between the hours of 8:00 AM and 3:00 PM, on the mutually designated day(s) (same day(s) each week), and at the designated campus locations, unless otherwise notified. Deliveries will be made at the school's two cafeterias and the food warehouse (Central Supply) as designated on the weekly order form. The vendor should make deliveries as required, based on the delivery schedules agreed upon between the school's representative (Director of Food Service) and the vendor. During certain weeks of the year there may be no food orders as the school/campus does not have programs in session, e.g., holiday and summer breaks. There may also be weeks in which higher/lower order volumes are experienced due to increased or decreased programming.

10. **Location:** The West Virginia Schools for the Deaf and the Blind is located at 301 East Main Street, Romney, WV 26757. The vendor will make all deliveries **inside**, to the locations designated by the school's director of food service.

11. **Sales/Delivery Tickets:** The vendor shall leave two copies of all delivery/sales tickets at the school. The vendor shall obtain the signature of the food service manager or designee on all delivery/sales tickets at each location. The vendor shall supply the following information on each and every delivery/sales ticket:
 - Bill to: specific location name, ship-to-location, and account number
 - Name, quantity and unit price and extension for each item, and total for all items
 - Notation of any/all shortages
 - Signature of authorized receiving personnel
 - Breakdown of items by category

12. **Delivery Vehicles:** The vendor should deliver all products in vehicles maintained in a sanitary condition. The vendor should organize products to prevent damage or spoilage during transport, and to allow easy access upon delivery. The vendor should provide vehicles that maintain the proper temperature for frozen, fresh and perishable items. The vendor should not leave vehicle engines running during deliveries, and should lock and secure vehicles while away from them during deliveries.

the vendor may terminate this contract for any reason upon giving the school and the WV State Director of Purchasing 30 days written notice. This contract may be renewed upon the mutual written consent of the spending unit (school) and vendor, submitted to the WV State Director of Purchasing thirty (30) days prior to the expiration date. Such renewal shall be in accordance with the terms and conditions of the original contract and shall be limited to two (2) one (1) year periods. The WV State Director of Purchasing reserves the right to cancel this contract immediately upon written notice to the vendor if the commodities and/or services supplied are of an inferior quality or do not conform to the specifications of the bid and contract herein.

18. **Open Market Clause:** The WV State Director of Purchasing may authorize a spending unit (school) to purchase on the open market, without the filing of a requisition or cost estimate, items specified on this contract for immediate delivery in emergencies due to unforeseen causes (including but not limited to delays in transportation or an unanticipated increase in the volume of work.)
19. **Evaluation and Award:** The spending unit (school) will evaluate and award the bid to the lowest responsive, responsible bidder(s), based on the **extended cost** for items as specified on the Bid Form/Pricing Schedule. In order to calculate the **extended cost** for each item, bidders shall *multiply the estimated quantity times the total wholesale* unit cost plus (+) the percentage mark-up*. Bidders shall calculate the **grand total extended cost** by *adding all extended costs for each individual item*. The school reserves the right to make a separate award of each item or all items and to make an award either in whole or in part, whichever is its best interest. The school reserves the right to award to only one (1) or two (2) bidders. The state also reserves the right to reject any bids, in whole or in part, to waive informalities and to delete items prior to making the award, whenever it is deemed in the sole opinion of the procuring public body to be its sole interest. **Bidders are reminded to return all required forms when submitting their bid.**
- *Wholesale cost provided on the bid sheet will be for evaluation purposes only, and should be based on wholesale cost the week prior to bid opening.

20. **Method of Invoicing/Payment:**

Invoicing: The vendor shall submit detailed invoices to Accounts Payable, WV Schools for the Deaf and the Blind, 301 East Main Street, Romney, WV 26757 on a monthly basis. Delivery tickets at the ship-to location will not be considered for payment. The signed delivery tickets provided with each delivery will be used to verify the invoices. The vendor will provide the detailed information as specified in #2 and # 11 of this document on each invoice.

Payment: The West Virginia Schools for the Deaf and the Blind will make payment within forty-five (45) days of receipt of accurate and complete invoices.

PURCHASING AFFIDAVIT

West Virginia Code §5A-3-10a states: No contract or renewal of any contract may be awarded by the state or any of its political subdivisions to any vendor or prospective vendor when the vendor or prospective vendor or a related party to the vendor or prospective vendor is a debtor and the debt owed is an amount greater than one thousand dollars in the aggregate.

DEFINITIONS:

"Debt" means any assessment, premium, penalty, fine, tax or other amount of money owed to the state or any of its political subdivisions because of a judgment, fine, permit violation, license assessment, defaulted workers' compensation premium, penalty or other assessment presently delinquent or due and required to be paid to the state or any of its political subdivisions, including any interest or additional penalties accrued thereon.

"Debtor" means any individual, corporation, partnership, association, limited liability company or any other form or business association owing a debt to the state or any of its political subdivisions. "Political subdivision" means any county commission; municipality; county board of education; any instrumentality established by a county or municipality; any separate corporation or instrumentality established by one or more counties or municipalities, as permitted by law; or any public body charged by law with the performance of a government function or whose jurisdiction is coextensive with one or more counties or municipalities. "Related party" means a party, whether an individual, corporation, partnership, association, limited liability company or any other form or business association or other entity whatsoever, related to any vendor by blood, marriage, ownership or contract through which the party has a relationship of ownership or other interest with the vendor so that the party will actually or by effect receive or control a portion of the benefit, profit or other consideration from performance of a vendor contract with the party receiving an amount that meets or exceeds five percent of the total contract amount.

EXCEPTION: The prohibition of this section does not apply where a vendor has contested any tax administered pursuant to chapter eleven of this code, workers' compensation premium, permit fee or environmental fee or assessment and the matter has not become final or where the vendor has entered into a payment plan or agreement and the vendor is not in default of any of the provisions of such plan or agreement.

Under penalty of law for false swearing (*West Virginia Code §61-5-3*), it is hereby certified that the vendor affirms and acknowledges the information in this affidavit and is in compliance with the requirements as stated.

DBSM121059**Addendum No. 1****Question:**

How do you expect vendors to submit wholesale pricing before we deliver on product that is priced daily? I'm not sure that is possible to be exact on, however we can be exact on the % we will bill?

Response:

The wholesale price submitted is for bid comparison purposes only. In order to have equivalent data to compare from, the vendor should submit wholesale prices based on the date of May 14, 2012. Based on wholesale prices for that date, the vendor should establish the percent (%) mark-up. The percent (%) mark-up will remain fixed for the life of the contract.
