Re: RFQDCH12046

We would like to inform you that Borroughs along with our master distributor AJ-Allegheny Systems (Located in Charleston, WV) will not be submitting a bid for RFQ=DCH12046.

Due to the lack of information, in particular the answers to questions submitted, and overall time frame of the bid due date we have chosen to not bid this project. The answers to the questions were very vague. For example there is no clear information to how tall the bulkrack units are and how many beam levels for each unit.

An additional example is questions 21 & 22, which are proprietary to one manufacture. The drive guide system being requested is patented, therefore only one company can meet the specification thus eliminating the opportunity for competition.

Borroughs is a certified small business, who manufactures all of the products requested, and we look forward to the opportunity to work with the state of West Virginia on future projects.

Thank you,

Paul R. Rozgonyi
