REV. 3-15-10 PURCHASING CONTINUATION SHEET
VENDOR:

SCOPE OF WORK

The successful bidder shall provide appropriate equipment, materials, labor and any technical services needed for the successful reclamation of Linn Mining Co., Permit U-1008-92, and any disturbance associated with such operation. The General Performance Standards (GPS) shall apply to all items in Scope of Work.

Work necessary on this site will include the following items, but is not limited to these:

1. Upon mobilization to the site, which will be directed in a written Notice to Proceed, the access roads shall be developed in accordance with bid item # 3.0. If, fuel and lubricants are to be stored on site, bid item #2.0 shall be in place before fuel is delivered. Project sign is to be obtained and installed.
2. Storm water management shall be in place using bid items 7.0 and 8.0 in described locations prior to any disturbance of materials or earthwork takes place. See Water Quality Control under the General Performance Standards.
3. Concurrent and continuous reclamation shall begin at slip area #1 as shown on the site plan and shall end at slip area #2. Regrading and topsoiling is required for all disturbed areas. Revegetation is required for all disturbed areas. Reclamation is to be according to the attached specifications, plans, and clarifying discussions at the Pre-Bid Conference.
4. Construction stakeout as necessary to carry out work.
5. All bid items specified by ACRE on this project in the Bid Schedule shall require the submittal of a final survey to verify final acreages. This submittal shall include a copy of all field notes, a map to scale in paper and electronic form. The final survey must be conducted under the direct supervision of and certified by a Professional Surveyor or Professional Engineer licensed in the state of West Virginia. Partial payments may be made for estimated acreages that are field verified and agreed upon with the DEP onsite representative. Partial payments may not exceed 75% of bid item prior to final survey. This shall be paid from the Construction Stakeout bid item.
6. It shall be the contractor's responsibility to check for and locate all utilities within the work area to provide and maintain a safe working area in addition to preventing damage to the utility.
7. Repair slip area #1 which includes installing a rock toe buttress to stabilize the base. This area also includes a section of the existing access road which was damaged from the slip.
8. Upgrade existing access road in select areas.
9. Construct underdrains and solid HDPE piping in slip area #1 to collect and drain any ground water which may be contributing to the slip.
10. Construct riprap ditches in areas as described at the Pre Bid Conference.
11. Remove a portion of existing fencing, and install temporary fencing at slip area #1 as required to accommodate the landowner's cattle farming with as minimal disruptions as possible during construction.
12. Install new permanent fencing after completion of all work at slip area #1, and remove any temporary fencing as required.

13. A section of the old haulroad area must be upgraded to accommodate access to the back portion of the permit area (slip area #2). This may require grading and stockpiling of topsoil material, placing limestone for hauling of rock to site, and eventual abandonment of the temporary road section. Regrading of the topsoil will be required, in addition to any enhancement of soils to revegetate the area to pre-disturbed conditions. Soil enhancement shall include amending the area with use of lime, fertilizers, or organic wastes.
14. Construct seep collectors/underdrains in areas as described at the Pre Bid Conference.
15. Repair slip area #2 which includes removing material and proper placement and recompacting of material, shaping and grading. Surface runoff water will be diverted around the slip area with ditching under a separate bid item.
16. Install grass mat ditching above and below slip area #2 along the contour to divert and control surface water.
17. Install riprap ditching down the slopes on either side of slip area #2 to control surface runoff water from the area.
18. Install seep collector/underdrains in areas below slip area #2, and convey water to new portions of riprap ditching. These areas will be shown at the Pre Bid Conference.
19. Reclaim the temporary access road after all work is completed on the back portion of the permit.
20. Vegetative all disturbed areas with seed, lime, fertilizer, and mulch.
21. Any other site specific items required, or discussed at the Pre Bid Conference.

I, David B. McCoy, the undersigned, hereby certify¹ that this Reclamation Plan is correct and shows to the best of my knowledge and belief all the information required by the surface mining laws of the State of West Virginia. The source of information was the approved mining and reclamation plan contained in the forfeited surface mine permit, existing site conditions and information contained in the WV DEP, Inspection and Enforcement files.

BID BOND

KNOW ALL MEN BY THESE PRESENTS, That we, the undersigned, Breakaway, Inc.
of Sutton, WV, as Principal, and Ohio Farmers Insurance Company
of Westfield Center, OH, a corporation organized and existing under the laws of the State of
OH with its principal office in the City of Westfield Center, as Surety, are held and firmly bound unto the State
of West Virginia, as Obligee, in the penal sum of Five Percent of Amount Bid (\$ 5%) for the payment of which,
well and truly to be made, we jointly and severally bind ourselves, our heirs, administrators, executors, successors and assigns.

The Condition of the above obligation is such that whereas the Principal has submitted to the Purchasing Section of the
Department of Administration a certain bid or proposal, attached hereto and made a part hereof, to enter into a contract in writing for
The Mining Operation of Linn Mining Company, Harrison County, DEP15535

NOW THEREFORE,

(a) If said bid shall be rejected, or
(b) If said bid shall be accepted and the Principal shall enter into a contract in accordance with the bid or proposal attached
hereto and shall furnish any other bonds and insurance required by the bid or proposal, and shall in all other respects perform the
agreement created by the acceptance of said bid, then this obligation shall be null and void, otherwise this obligation shall remain in full
force and effect. It is expressly understood and agreed that the liability of the Surety for any and all claims hereunder shall, in no event,
exceed the penal amount of this obligation as herein stated.

The Surety, for the value received, hereby stipulates and agrees that the obligations of said Surety and its bond shall be in no
way impaired or affected by any extension of the time within which the Obligee may accept such bid, and said Surety does hereby
waive notice of any such extension.

IN WITNESS WHEREOF, Principal and Surety have hereunto set their hands and seals, and such of them as are corporations
have caused their corporate seals to be affixed hereunto and these presents to be signed by their proper officers, this
19th day of October, 2011.

PURCHASING AFFIDAVIT

West Virginia Code §5A-3-10a states: No contract or renewal of any contract may be awarded by the state or any of its political subdivisions to any vendor or prospective vendor when the vendor or prospective vendor or a related party to the vendor or prospective vendor is a debtor and the debt owed is an amount greater than one thousand dollars in the aggregate.

DEFINITIONS:

"Debt" means any assessment, premium, penalty, fine, tax or other amount of money owed to the state or any of its political subdivisions because of a judgment, fine, permit violation, license assessment, defaulted workers' compensation premium, penalty or other assessment presently delinquent or due and required to be paid to the state or any of its political subdivisions, including any interest or additional penalties accrued thereon.

"Debtor" means any individual, corporation, partnership, association, limited liability company or any other form or business association owing a debt to the state or any of its political subdivisions. "Political subdivision" means any county commission; municipality; county board of education; any instrumentality established by a county or municipality; any separate corporation or instrumentality established by one or more counties or municipalities, as permitted by law; or any public body charged by law with the performance of a government function or whose jurisdiction is coextensive with one or more counties or municipalities. "Related party" means a party, whether an individual, corporation, partnership, association, limited liability company or any other form or business association or other entity whatsoever, related to any vendor by blood, marriage, ownership or contract through which the party has a relationship of ownership or other interest with the vendor so that the party will actually or by effect receive or control a portion of the benefit, profit or other consideration from performance of a vendor contract with the party receiving an amount that meets or exceeds five percent of the total contract amount.

EXCEPTION: The prohibition of this section does not apply where a vendor has contested any tax administered pursuant to chapter eleven of this code, workers' compensation premium, permit fee or environmental fee or assessment and the matter has not become final or where the vendor has entered into a payment plan or agreement and the vendor is not in default of any of the provisions of such plan or agreement.

Under penalty of law for false swearing (*West Virginia Code §61-5-3*), it is hereby certified that the vendor affirms and acknowledges the information in this affidavit and is in compliance with the requirements as stated.
