Addendum # 1

Item 1: The contractor will have 60 days from the date of the Notice to Proceed to complete construction activities on the project. The \$250 per day liquidated damage clause will be in effect after the 60 days. However, the total performance period will be 365 days from the date of the Notice to Proceed for invoicing purposes.

Item 2: Q: Where is the soil borrow area located?

A: There is a potential soil borrow area located off site. It is shown on the inset on Plan Sheet 2. Should the Contractor decide to obtain and utilize any borrow areas outside of construction limits, or move material from one property owner to another, unless designated, the Contractor shall be responsible to obtain from the property owner(s) of the borrow areas, all necessary rights of entry, including rights of entry for WVDEP and OSMRE for inspection purposes. The said rights of entry agreement must state that the property owner(s) indemnify and hold harmless the WVDEP for Contractor's action for any injury or damages whatsoever resulting from the use of the property. Please reference Special Provision VII of the Specifications.

Item 3: Q: Is burning permitted?

A: Burning of the combustible material will not be permitted on or near refuse, mine portals, or within close proximity to coal seams or utilities. The Contractor shall obtain all permits and licenses required prior to burning the material. Prior to burning, a plan showing the location of material to be burned, and all fire control measures to be implemented, including copies of permits and licenses, shall be submitted to the WVDEP's representative for approval. Please reference section 4.2.7 of the Specifications.

Item 4: Q: Does the chain link fence near the mobile have to be removed?

A: Please refer to plan notes and specification 4.1.2. It is anticipated that the chain link fence will have to be removed and replaced to facilitate the drainage/refuse work. The fence location is shown on the plans. The fence shall not be damaged or destroyed during the removal, and shall be replaced in the original location after construction is completed. Cost for fence removal shall be included in Item 4.1, Site Preparation.

Item 5: Q: Does the trash/debris beside the chain link fence have to be removed?

A: If the trash/debris is within the construction work limits, and must be moved to facilitate the drainage/refuse work, then the trash/debris must be disposed of offsite, in accordance with Specification 4.0, Site Preparation.

DEFINITIONS:

"Debt" means any assessment, premium, penalty, fine, tax or other amount of money owed to the state or any of its political subdivisions because of a judgment, fine, permit violation, license assessment, defaulted workers' compensation premium, penalty or other assessment presently delinquent or due and required to be paid to the state or any of its political subdivisions, including any interest or additional penalties accrued thereon.

"Debtor" means any individual, corporation, partnership, association, limited liability company or any other form or business association owing a debt to the state or any of its political subdivisions. "Political subdivision" means any county commission; municipality; county board of education; any instrumentality established by a county or municipality; any separate corporation or instrumentality established by one or more counties or municipalities, as permitted by law; or any public body charged by law with the performance of a government function or whose jurisdiction is coextensive with one or more counties or municipalities. "Related party" means a party, whether an individual, corporation, partnership, association, limited liability company or any other form or business association or other entity whatsoever, related to any vendor by blood, marriage, ownership or contract through which the party has a relationship of ownership or other interest with the vendor so that the party will actually or by effect receive or control a portion of the benefit, profit or other consideration from performance of a vendor contract with the party receiving an amount that meets or exceed five percent of the total contract amount.

EXCEPTION: The prohibition of this section does not apply where a vendor has contested any tax administered pursuant to chapter eleven of this code, workers' compensation premium, permit fee or environmental fee or assessment and the matter has not become final or where the vendor has entered into a payment plan or agreement and the vendor is not in default of any of the provisions of such plan or agreement.

Under penalty of law for false swearing (West Virginia Code §61-5-3), it is hereby certified that the vendor affirms and acknowledges the information in this affidavit and is in compliance with the requirements as stated.
