#### **Treatment Charges**

The WVDEP shall be responsible for payment of the treatment charges to the wastewater treatment plant. These costs will **not** be included in the amount bid. The vendor shall submit load receipts to the WVDEP Project Manager from the wastewater treatment plant indicating date, time and amount of leachate disposed. These receipts must have the signature of the agent of the wastewater treatment plant and will be the basis for payment. Stamped signatures are not accepted.

#### Vendor Responsibilities:

The mileage is approximately 6 miles one way from the landfill to the wastewater treatment plant.

The vendor shall comply with all common carrier requirements of the West Virginia Public Service Commission to haul leachate in the State of West Virginia. The vendor shall be solely liable for any damages or claim thereof resulting from the vendor's conduct in loading, transporting or unloading leachate, and agrees to fully indemnify the WVDEP for any such claims brought against it. The vendor will only haul and dispose of leachate at the times designated by the wastewater treatment plant. The contract shall require the vendor to haul from the tank as directed by the WVDEP.

The vendor shall lock the discharge valve while it is not in use. The Valve will remain locked to prevent unauthorized use. The WVDEP Project Manager will furnish all keys to the locks at the facility.

The vendor will have approved gauges or meters (site glasses or manometers, etc.) on the hauling equipment to be used for easy verification of the amount of each load by the attendant at the disposal site. The vendor will verify and document the actual capacity of the equipment used to haul leachate. In case of emergency, the vendor must respond within 4 hours of being contacted by DEP.

The vendor shall maintain the liquid level in the leachate storage tank as low as possible to comply with the 15 day storage capacity requirement, as well as the zero discharge limitations in effect for the storage tank.

The vendor shall provide equipment suitable to the WVDEP for performing the work. The tanker(s) shall have adequate capacity to transport the volumes required. The WVDEP shall provide a graduated scale calibrated in feet and inches showing conversion ratios in gallons per vertical inch, based upon the tank gauge reading of the tank contents.

Each load is sampled at the wastewater treatment plant, composite samples are created and the samples analyzed. The vendor is required to assist in collecting these samples as required.

The WVDEP shall provide a form and the vendor shall complete the form in accordance with the graduated scale, indicating the beginning feet to the inch and corresponding number of gallons and the ending feet to the inch and corresponding number of gallons for every truck load and attach the form (s) to invoices submitted to the WVDEP for payment (See Attachments "A" and "B")

## **PURCHASING AFFIDAVIT**

West Virginia Code §5A-3-10a states: No contract or renewal of any contract may be awarded by the state or any of its political subdivisions to any vendor or prospective vendor when the vendor or prospective vendor or a related party to the vendor or prospective vendor is a debtor and the debt owned is an amount greater than one thousand dollars in the aggregate

"Debt" means any assessment, premium, penalty, fine, tax or other amount of money owed to the state or any of its political subdivisions because of a judgment, fine, permit violation, license assessment, defaulted workers' compensation premium, penalty or other assessment presently delinquent or due and required to be paid to the state or any of its political subdivisions, including any interest or additional penalties accrued thereon.

"Debtor" means any individual, corporation, partnership, association, Limited Liability Company or any other form or business association owing a debt to the state or any of its political subdivisions. "Political subdivision" means any county commission; municipality; county board of education; any instrumentality established by a county or municipality; any separate corporation or instrumentality established by one or more counties or municipalities, as permitted by law; or any public body charged by law with the performance of a government function or whose jurisdiction is coextensive with one or more counties or municipalities. 'Related party' means a party, whether an individual, corporation, partnership, association, limited liability company or any other form or business association or other entity whatsoever, related to any vendor by blood, marriage, ownership or contract through which the party has a relationship of ownership or other interest with the vendor so that the party will actually or by effect receive or control a portion of the benefit, profit or other consideration from performance of a vendor contract with the party receiving an amount that meets or exceed five percent of the total contract amount.

EXCEPTION: The prohibition of this section does not apply where a vendor has contested any tax administered pursuant to chapter eleven of this code, workers' compensation premium, permit fee or environmental fee or assessment and the matter has not become final or where the vendor has entered into a payment plan or agreement and the vendor is not in default of any of the provisions of such plan or agreement.

Under penalty of law for false swearing (West Virginia Code §61-5-3), it is hereby certified that the vendor affirms and acknowledges the information in this affidavit and is in compliance with the requirements as stated.
