Pre-Bid Meeting Minutes  
August 19, 2011

1. A pre-bid meeting was held as advertized for this project, at 10:00 am at the State Park Headquarters.
2. A sign in sheet was circulated and a copy is attached.
3. James Schotsch, WVDNR, discussed administrative items and Jeff Nelsen, E. L. Robinson, discussed scope of project and other technical items.
4. All attendees were instructed to submit all technical questions in writing to Frank Whittaker at the Division of Purchasing. It was also noted that verbal responses to questions are not binding. The bid documents and addendums should be the basis for their bid.
5. It was noted the period of the contract is 150 days. Additionally, it was noted that setting the date for the Notice to Proceed will be discussed at the Pre-Work Meeting.
6. Several key locations in the project area were observed and discussed.
7. A question regarding the required amount of liability insurance was asked. The RFQ states the amount at \$250,000.00 and the Project Manual includes a sample Certificate of Liability Insurance with a different amount. I stated the discrepancy would be cleared up in an addendum.
8. Maintenance of Traffic requirements were discussed. MOT flagmen would be necessary during construction activities in the road curve of the project area. Flagmen would not be necessary in the straight roadway due to the existing vehicle sight-lines and the low speed limit on Park roads.
