Lab Supplies – Specifications**0008****LABSUP12****I. PURPOSE AND SCOPE:**

The West Virginia Department of Administration, Purchasing Division, is soliciting bids to establish a statewide contract for lab supplies. The Contract awarded from this RFQ shall cover Eligible Items from Vendor's Catalogue of lab supplies for all types of research and clinical laboratories. The Contract may be utilized by West Virginia State agencies and all political subdivisions of the State in all 55 counties.

II. DEFINITIONS:

The terms listed below shall have the meanings assigned to them as follows:

1. "Agency" or "Agencies" means any public entity seeking to procure Eligible Items under this Contract.
2. "Catalogue" means the price list or sales catalogue that includes all items that Vendor intends to sell under this Contract.
3. "Contract" means the binding agreement that is entered into between the Purchasing Division and the Vendor to provide the Eligible Items as specified herein.
4. "Discounted Unit Price" means the price of an Eligible Item purchased under this Contract. The Discounted Unit Price is calculated by reducing the lowest Catalogue price for an Eligible Item by the discount percentage quoted by Vendor on the Pricing Page.
5. "Eligible Item" means any lab supply item, other than gloves which are specifically excluded from this Contract, included in the Catalogue that will cost the State of West Virginia \$1,000 or less per item once the discount percentage has been applied. Examples of Eligible Items include glassware, plastic ware, chemicals, measuring devices, etc.
6. "Pricing Pages" means the schedule of prices, discount percentage, estimated usage, and totals attached hereto as Exhibit A and used to evaluate the RFQ.
7. "Purchasing Division" means the West Virginia Department of Administration, Purchasing Division.
8. "RFQ" means the official RFQ published by the Purchasing Division and identified as LABSUP12.

Lab Supplies – Specifications**0009****LABSUP12**

9. "State" means the State of West Virginia and/or any of its agencies, commissions, boards, etc.
10. "Vendor" or "Vendors" means the successful bidder(s).

III. CONTRACT AWARD, PERCENTAGE DISCOUNT, CATALOGUE

1. **Contract Award:** The Contract is intended to provide Agencies with a discounted price on all Eligible Items. The Contract shall be awarded to the Vendor that provides the lowest overall total cost for the items listed on the Pricing Page based on the Catalogue price of those items and the single percentage discount applied.
2. **Percentage Discount:** Vendor shall quote a single percentage discount that will reduce the lowest price shown in the Catalogue for every Eligible Item. The resulting Discounted Unit Price shall be the price Agencies pay for purchases of Eligible Items under this Contract. The Purchasing Division reserves the right to reject any or all bids if the discount percentage quoted is not sufficient to justify, in its sole discretion, a statewide contract.
3. **Pricing Pages:** Vendor should complete the Pricing Pages by inserting Catalogue prices, the discount percentage, Discounted Unit Prices, totals, and all other information requested thereon. Vendor should complete all columns as failure to complete the Pricing Pages in their entirety may result in Vendor's bids being disqualified.

The Pricing Pages contain a list of the most frequently purchased items and estimated purchase volume. The estimated purchase volume for each item represents the approximate volume of anticipated purchases only. No future use of the Contract or any individual item is guaranteed or implied.

The Discounted Unit Price lists in the Pricing Pages must be the final price that will be charged to an Agency. Notwithstanding the foregoing, the Purchasing Division may correct errors as described herein. Vendor should type or electronically enter the information into the Pricing Pages to prevent errors in the evaluation. The Pricing Pages were created as a Microsoft Excel document and Vendor can request an electronic copy for bid purposes by sending an email request to the following address: Tara.L.Lyle@wv.gov.

Lab Supplies – Specifications**0010****LABSUP12**

4. **Catalogue:** Vendor must submit its Catalogues prior to award of this Contract for evaluation purposes. Vendor shall also mail the Catalogue to any Agency desiring to use this contract free of charge. Copies of the Catalogue may be requested in an electronic format and should be provided in that format if possible. Vendor's Catalogue will be used by Agencies to order Eligible Items under this Contract.

Vendor should identify all items listed on the Pricing Pages by circling or highlighting those items in its Catalogue and earmarking or tabbing the pages for those items, to assist in the evaluation and verification of the bids and pricing. If any discrepancies exist between the Pricing Pages and the actual price listed in the Catalogue, the actual price shall prevail and the Pricing Pages may be corrected by the buyer for evaluation purposes.

The Catalogue may be updated at renewal, but any such renewal must be approved by the Purchasing Division at its sole discretion. Unless an updated catalogue is approved, the Eligible Items available under this Contract and prices for those items shall remain unchanged during the term of this Contract.

IV. ORDERING AND PAYMENT

1. **Ordering:** Vendor shall accept orders by regular mail, facsimile, e-mail, or any other written forms of communication. Vendor may, but is not required to, accept on-line orders through a secure internet ordering portal/website. If Vendor has the ability to accept on-line orders, it should include in its response a brief description of how Agencies may utilize the on-line ordering system. Any on-line ordering system must have the capability to restrict prices and available items to conform to the Catalogue originally submitted with this RFQ. Vendor shall ensure that its on-line ordering system is properly secured prior to processing Agency orders on-line.
2. **Payment:** Vendor shall accept payment in accordance with the payment procedures of the State of West Virginia. Methods of acceptable payment must include the West Virginia Purchasing Card.

Lab Supplies -- Specifications**0011****LABSUP12****V. DELIVERY AND RETURN**

1. **Delivery Time:** Vendor shall deliver standard orders within five (5) working days after orders are received. Vendor shall deliver emergency orders within one (1) working day after orders are received. Vendor shall ship all orders in accordance with the above schedule and shall not hold orders until a minimum delivery quantity is met.
2. **Late Delivery:** The Agency placing the order under this Contract must be notified in writing if orders will be delayed for any reason. Any delay in delivery that could cause harm to an Agency will be grounds for:
 - (a) Cancellation of the delayed order, and
 - (b) Obtaining the items ordered from a third party.

Any Agency seeking to obtain items from a third party under this provision must first obtain approval of the State Purchasing Division, if applicable.

3. **Delivery Payment/Risk of Loss:** Standard order delivery shall be F.O.B. destination to the Agency's location. Vendor shall include the cost of standard order delivery charges in its bid pricing/discount and is not permitted to charge the Agency separately for such delivery. The Agency will pay delivery charges on all emergency orders provided that Vendor invoices those delivery costs as a separate charge with the original freight bill attached to the invoice.
4. **Return of Unacceptable Items:** Items that Agency deems unacceptable shall be returned to Vendor at Vendor's expense and with no restocking charge. Vendor shall either make arrangements for the return within five (5) days of being notified that items are unacceptable, or permit the Agency to arrange for the return and reimburse Agency for delivery expenses. If the original packaging cannot be utilized for the return, Vendor will supply the Agency with appropriate return packaging upon request. All returns of unacceptable items shall be F.O.B. the Agency's location. The returned product shall either be replaced with acceptable equipment or supplies, or the Agency shall receive a full credit or refund for the purchase price, at the Agency's discretion.
5. **Return Due to Agency Error:** Items ordered in error by the Agency will be returned for credit within 30 days of receipt, F.O.B. Vendor's location. Vendor shall not charge a restocking fee if returned products are in a resalable condition. Items shall be deemed to be in a resalable condition if they are unused and in the original packaging. Any restocking fee for items not in a resalable condition shall be the lower of the Vendor's customary restocking fee or 5% of the total invoiced value of the returned items.

Lab Supplies – Specifications**0012****LABSUP12****VI. MISCELLANEOUS**

1. **No Substitutions:** Vendor shall supply only Eligible Items contained in its Catalogue submitted in response to the RFQ or an updated Catalogue approved by the Purchasing Division as described above. Vendor shall not supply substitute items.
2. **Pricing:** The terms, conditions and pricing shall be firm for the life of the contract.
3. **Vendor Supply:** Vendor must carry sufficient inventory of the Eligible Items being offered to fulfill its obligations under this Contract. By signing its bid, Vendor certifies that it can supply the Eligible Items contained in its bid response.
4. **Reports:** Vendor shall, upon request, provide quarterly reports and annual summaries to the Purchasing Division showing items purchased, quantities of items purchased, total dollar value of the items purchased and Agencies (including political subdivisions) which have used this Contract. Vendor shall also provide reports, upon request, showing the top 50 items purchased during the term of this Contract, the quantity purchased for each of those items, and the total value of purchases for each of those items. Failure to supply such reports may be grounds for cancellation of this Contract.
5. **Contract Manager:** During its performance of this Contract, Vendor must designate and maintain a primary contract manager responsible for overseeing Vendor's responsibilities under this Contract. The Contract manager must be available during normal business hours to address any customer service or other issues related to this Contract.
6. **Mandatory Requirements:** The terms "must", "will", "shall", "minimum" "maximum" or "is/are" required" identify a mandatory item or factor. Decisions regarding compliance with any mandatory requirements shall be at the sole discretion of the State. Failure on the part of the Vendor to meet any of the mandatory specifications shall result in the possible disqualification of the bid.

VENDOR PREFERENCE CERTIFICATE

Certification and application* is hereby made for Preference in accordance with *West Virginia Code*, §5A-3-37. (Does not apply to construction contracts). *West Virginia Code*, §5A-3-37, provides an opportunity for qualifying vendors to request (at the time of bid) preference for their residency status. Such preference is an evaluation method only and will be applied only to the cost bid in accordance with the *West Virginia Code*. This certificate for application is to be used to request such preference. The Purchasing Division will make the determination of the Resident Vendor Preference, if applicable.

1. Application is made for 2.5% resident vendor preference for the reason checked:
 _____ Bidder is an individual resident vendor and has resided continuously in West Virginia for four (4) years immediately preceding the date of this certification; or,
 _____ Bidder is a partnership, association or corporation resident vendor and has maintained its headquarters or principal place of business continuously in West Virginia for four (4) years immediately preceding the date of this certification; or 80% of the ownership interest of Bidder is held by another individual, partnership, association or corporation resident vendor who has maintained its headquarters or principal place of business continuously in West Virginia for four (4) years immediately preceding the date of this certification; or,
 _____ Bidder is a nonresident vendor which has an affiliate or subsidiary which employs a minimum of one hundred state residents and which has maintained its headquarters or principal place of business within West Virginia continuously for the four (4) years immediately preceding the date of this certification; or,
2. Application is made for 2.5% resident vendor preference for the reason checked:
 _____ Bidder is a resident vendor who certifies that, during the life of the contract, on average at least 75% of the employees working on the project being bid are residents of West Virginia who have resided in the state continuously for the two years immediately preceding submission of this bid; or,
3. Application is made for 2.5% resident vendor preference for the reason checked:
 _____ Bidder is a nonresident vendor employing a minimum of one hundred state residents or is a nonresident vendor with an affiliate or subsidiary which maintains its headquarters or principal place of business within West Virginia employing a minimum of one hundred state residents who certifies that, during the life of the contract, on average at least 75% of the employees or Bidder's affiliate's or subsidiary's employees are residents of West Virginia who have resided in the state continuously for the two years immediately preceding submission of this bid; or,
4. Application is made for 5% resident vendor preference for the reason checked:
 _____ Bidder meets either the requirement of both subdivisions (1) and (2) or subdivision (1) and (3) as stated above; or,
5. Application is made for 3.5% resident vendor preference who is a veteran for the reason checked:
 _____ Bidder is an individual resident vendor who is a veteran of the United States armed forces, the reserves or the National Guard and has resided in West Virginia continuously for the four years immediately preceding the date on which the bid is submitted; or,
6. Application is made for 3.5% resident vendor preference who is a veteran for the reason checked:
 _____ Bidder is a resident vendor who is a veteran of the United States armed forces, the reserves or the National Guard, if, for purposes of producing or distributing the commodities or completing the project which is the subject of the vendor's bid and continuously over the entire term of the project, on average at least seventy-five percent of the vendor's employees are residents of West Virginia who have resided in the state continuously for the two immediately preceding years.

Bidder understands if the Secretary of Revenue determines that a Bidder receiving preference has failed to continue to meet the requirements for such preference, the Secretary may order the Director of Purchasing to: (a) reject the bid; or (b) assess a penalty against such Bidder in an amount not to exceed 5% of the bid amount and that such penalty will be paid to the contracting agency or deducted from any unpaid balance on the contract or purchase order.

By submission of this certificate, Bidder agrees to disclose any reasonably requested information to the Purchasing Division and authorizes the Department of Revenue to disclose to the Director of Purchasing appropriate information verifying that Bidder has paid the required business taxes, provided that such information does not contain the amounts of taxes paid nor any other information deemed by the Tax Commissioner to be confidential.

Under penalty of law for false swearing (*West Virginia Code*, §61-5-3), Bidder hereby certifies that this certificate is true and accurate in all respects; and that if a contract is issued to Bidder and if anything contained within this certificate changes during the term of the contract, Bidder will notify the Purchasing Division in writing immediately.

"Debtor" means any individual, corporation, partnership, association, limited liability company or any other form or business association owing a debt to the state or any of its political subdivisions.
