RE: RFQ# BCF13013 for the Department of Health & Human Resources – Logan County

Dear Frank:

Thank you for giving us the opportunity to bid on this project.

We have used our Herman Miller Action Office System, Sit On It Seating, and Workstream Freestanding Desk Units. (Brochures, warranty and info are included.)

A few differences/deviations are as follows:

- The desk units/laterals have a pull options to select from.
- All of the large conference tables come included with a pre-determined base.
- The coffee table and end table are slightly different in size and they have full end/side panels for the legs. (As shown in brochure.)
- The open style shelving was quoted as a 4 shelf unit with an additional package of 2 shelves to make the required 6H unit.

Please call if you have any questions or need any more information. (304) 344-1231.

Thank you for your interest in Contemporary Galleries.

Sincerely,

Jennifer B. Kirkpatrick

BCF13013 ADDENDUM #1

Logan County Modular Furniture

Questions & Answers

1. **Question:** Is there a loading dock at the site? If not, what is distance our installation team must travel transport the furniture?

Answer: Yes

2. **Question:** Is there an elevator we can use to transport the furniture to different floors?

Answer: Yes

3. **Question:** The excel spreadsheet contains a locked column with the quantities. Could you send us an unlocked version of the spreadsheet so that our team can change the quantities and add rows for supports and other necessary components?

Answer: Columns for quantity and to add rows has been opened.

4. **Question:** Section 3.33 - Does not have a unit column within the electronic version, will this be added when the State sends over the unlocked spreadsheet?

Answer: Corrected on spreadsheet

5. **Question:** Section 3.3B - Has a quantity of (5) in the column for 24 x 48 worksurfaces and we should only require (1) instead. Can the electronic version be corrected?

Answer: Yes, corrected

6. **Question:** Allsteel does not have a solution to meet specifications for (16) sections of metal shelving, (2) sofas, (4) lounge chairs, (1) enclosed conference board, (1) coffee table, (1) end table. When we "no bid" these items, will our submission still be considered? Those items are available from Parkersburg Office Supply; however, they are on the Allsteel SYSFURN10 contract.

7. **Question:** I created a typo in error in Question 6 below that changed the meaning of our question. The products Parkersburg Office Supply would be substituting will NOT be on the SYSFURN10 contract through the dealership.

Answer: If it is not on the SYSFURN10 contract it cannot be bid.

8. **Question:** Parkersburg Office Supply is our servicing dealer for Allsteel products to the State of West Virginia. They are a licensed and registered West Virginia vendor, similar to our competition. However, Allsteel is located in Muscatine, IA and holds the SYSFURN10 contract with the State. Does Parkersburg Office Supply qualify for vendor preference certification?

Answer: The vendor must meet qualifications for vendor preference.

9. Question: Section 3.37 on the cost sheet under the seating, there is Room 103 in the location/room column.

Correction to spreadsheet: Removed Room 103 from column.

10. Correction to spreadsheet: Section 3.43

Reads: 42" h x 36" w, 3 adjustable shelves in 1" increments, must have finished back.

Change to Read: Bookcase 42" h x 36" w, 3 adjustable shelves in 1" increments, must have finished back.

11. Correction to specifications:

Workstations Groups with 6 or more workstations will require two (2) power poles due to Office of Technology running data lines.

12. Correction to Specifications:

Reads: The objective of this quotation is to obtain a turn-key installation of new modular furniture in the new Logan County office to be located in Logan, WV. The successful vendor and DHHR will mutually agree on a firm and fixed delivery date. September 17, 2012 will be the targeted date for this solicitation based on current construction schedule for the new building.

West Virginia Code §5A-3-10a states: No contract or renewal of any contract may be awarded by the state or any of its political subdivisions to any vendor or prospective vendor when the vendor or prospective vendor or a related party to the vendor or prospective vendor is a debtor and the debt owned is an amount greater than one thousand dollars in the aggregate

DEFINITIONS:

"Debt" means any assessment, premium, penalty, fine, tax or other amount of money owed to the state or any of its political subdivisions because of a judgment, fine, permit violation, license assessment, defaulted workers' compensation premium, penalty or other assessment presently delinquent or due and required to be paid to the state or any of its political subdivisions, including any interest or additional penalties accrued thereon.

"Debtor" means any individual, corporation, partnership, association, Limited Liability Company or any other form or business association owing a debt to the state or any of its political subdivisions. "Political subdivision" means any county commission; municipality; county board of education; any instrumentality established by a county or municipality; any separate corporation or instrumentality established by one or more counties or municipalities, as permitted by law; or any public body charged by law with the performance of a government function or whose jurisdiction is coextensive with one or more counties or municipalities. "Related party" means a party, whether an individual, corporation, partnership, association, limited liability company or any other form or business association or other entity whatsoever, related to any vendor by blood, marriage, ownership or contract through which the party has a relationship of ownership or other interest with the vendor so that the party will actually or by effect receive or control a portion of the benefit, profit or other consideration from performance of a vendor contract with the party receiving an amount that meets or exceed five percent of the total contract amount.

EXCEPTION: The prohibition of this section does not apply where a vendor has contested any tax administered pursuant to chapter eleven of this code, workers' compensation premium, permit fee or environmental fee or assessment and the matter has not become final or where the vendor has entered into a payment plan or agreement and the vendor is not in default of any of the provisions of such plan or agreement.

Under penalty of law for false swearing (*West Virginia Code* §61-5-3), it is hereby certified that the vendor affirms and acknowledges the information in this affidavit and is in compliance with the requirements as stated.

VENDOR PREFERENCE CERTIFICATE

Certification and application* is hereby made for Preference in accordance with West Virginia Code, §5A-3-37. (Does not apply to construction contracts). West Virginia Code, §5A-3-37, provides an opportunity for qualifying vendors to request (at the time of bid) preference for their residency status. Such preference is an evaluation method only and will be applied only to the cost bid in accordance with the West Virginia Code. This certificate for application is to be used to request such preference. The Purchasing Division will make the determination of the Resident Vendor Preference, if applicable.

- 1. Application is made for 2.5% resident vendor preference for the reason checked: Bidder is an individual resident vendor and has resided continuously in West Virginia for four (4) years immediately preceding the date of this certification; or, Bidder is a partnership, association or corporation resident vendor and has maintained its headquarters or principal place of business continuously in West Virginia for four (4) years immediately preceding the date of this certification; or 80% of the ownership interest of Bidder is held by another individual, partnership, association or corporation resident vendor who has maintained its headquarters or principal place of business continuously in West Virginia for four (4) years immediately preceding the date of this certification; or, Bidder is a nonresident vendor which has an affiliate or subsidiary which employs a minimum of one hundred state residents and which has maintained its headquarters or principal place of business within West Virginia continuously for the four (4) years immediately preceding the date of this certification; or,
2. Application is made for 2.5% resident vendor preference for the reason checked: Bidder is a resident vendor who certifies that, during the life of the contract, on average at least 75% of the employees working on the project being bid are residents of West Virginia who have resided in the state continuously for the two years immediately preceding submission of this bid; or,
3. Application is made for 2.5% resident vendor preference for the reason checked: Bidder is a nonresident vendor employing a minimum of one hundred state residents or is a nonresident vendor with an affiliate or subsidiary which maintains its headquarters or principal place of business within West Virginia employing a minimum of one hundred state residents who certifies that, during the life of the contract, on average at least 75% of the employees or Bidder's affiliate's or subsidiary's employees are residents of West Virginia who have resided in the state continuously for the two years immediately preceding submission of this bid; or,
4. Application is made for 5% resident vendor preference for the reason checked: Bidder meets either the requirement of both subdivisions (1) and (2) or subdivision (1) and (3) as stated above; or,
5. Application is made for 3.5% resident vendor preference who is a veteran for the reason checked: Bidder is an individual resident vendor who is a veteran of the United States armed forces, the reserves or the National Guard and has resided in West Virginia continuously for the four years immediately preceding the date on which the bid is submitted; or,
6. Application is made for 3.5% resident vendor preference who is a veteran for the reason checked: Bidder is a resident vendor who is a veteran of the United States armed forces, the reserves or the National Guard, if, for purposes of producing or distributing the commodities or completing the project which is the subject of the vendor's bid and continuously over the entire term of the project, on average at least seventy-five percent of the vendor's employees are residents of West Virginia who have resided in the state continuously for the two immediately preceding years.

Bidder understands if the Secretary of Revenue determines that a Bidder receiving preference has failed to continue to meet the requirements for such preference, the Secretary may order the Director of Purchasing to: (a) reject the bid; or (b) assess a penalty against such Bidder in an amount not to exceed 5% of the bid amount and that such penalty will be paid to the contracting agency or deducted from any unpaid balance on the contract or purchase order.

By submission of this certificate, Bidder agrees to disclose any reasonably requested information to the Purchasing Division and authorizes the Department of Revenue to disclose to the Director of Purchasing appropriate information verifying that Bidder has paid the required business taxes, provided that such information does not contain the amounts of taxes paid nor any other information deemed by the Tax Commissioner to be confidential.

Under penalty of law for false swearing (West Virginia Code, §61-5-3), Bidder hereby certifies that this certificate is true and accurate in all respects; and that if a contract is issued to Bidder and if anything contained within this certificate changes during the term of the contract, Bidder will notify the Purchasing Division in writing immediately.

ADDITIONAL TERMS AND CONDITIONS

Various Legislative acts passed in the 2012 session require inclusion of certain provisions in all state contracts. Accordingly, this addendum will add the three provisions listed below to the solicitation and resulting contract entered into between the State of West Virginia and the vendor. In the event that the solicitation is not for construction or architectural/engineering work, sections 2 and 3 below will not apply.

1. **BACKGROUND CHECK:** In accordance with W. Va. Code § 15-2D-3, the Director of the Division of Protective Services may require any service provider whose employees are regularly employed on the grounds or in the buildings of the Capitol complex or who have access to sensitive or critical information to submit to a fingerprint-based state and federal background inquiry through the state repository.

After the contract for such services has been approved, but before any such employees are permitted to be on the grounds or in the buildings of the Capitol complex or have access to sensitive or critical information, the service provider shall submit a list of all persons who will be physically present and working at the Capitol complex to the Director of the Division of Protective Services for purposes of verifying compliance with this provision.

The State reserves the right to prohibit a service provider's employees from accessing sensitive or critical information or to be present at the Capitol complex based upon results addressed from a criminal background check.

2. **SUBCONTRACTOR LIST SUBMISSION:** In accordance with W. Va. Code § 5-22-1, The apparent low bidder on a contract for the construction, alteration, decoration, painting or improvement of a new or existing building or structure valued at more than \$500,000.00 shall submit a list of all subcontractors who will perform more than \$25,000.00 of work on the project including labor and materials. This provision shall not apply to any other construction projects, such as highway, mine reclamation, water or sewer projects.

- a. **Required Information.** The subcontractor list shall contain the following information:

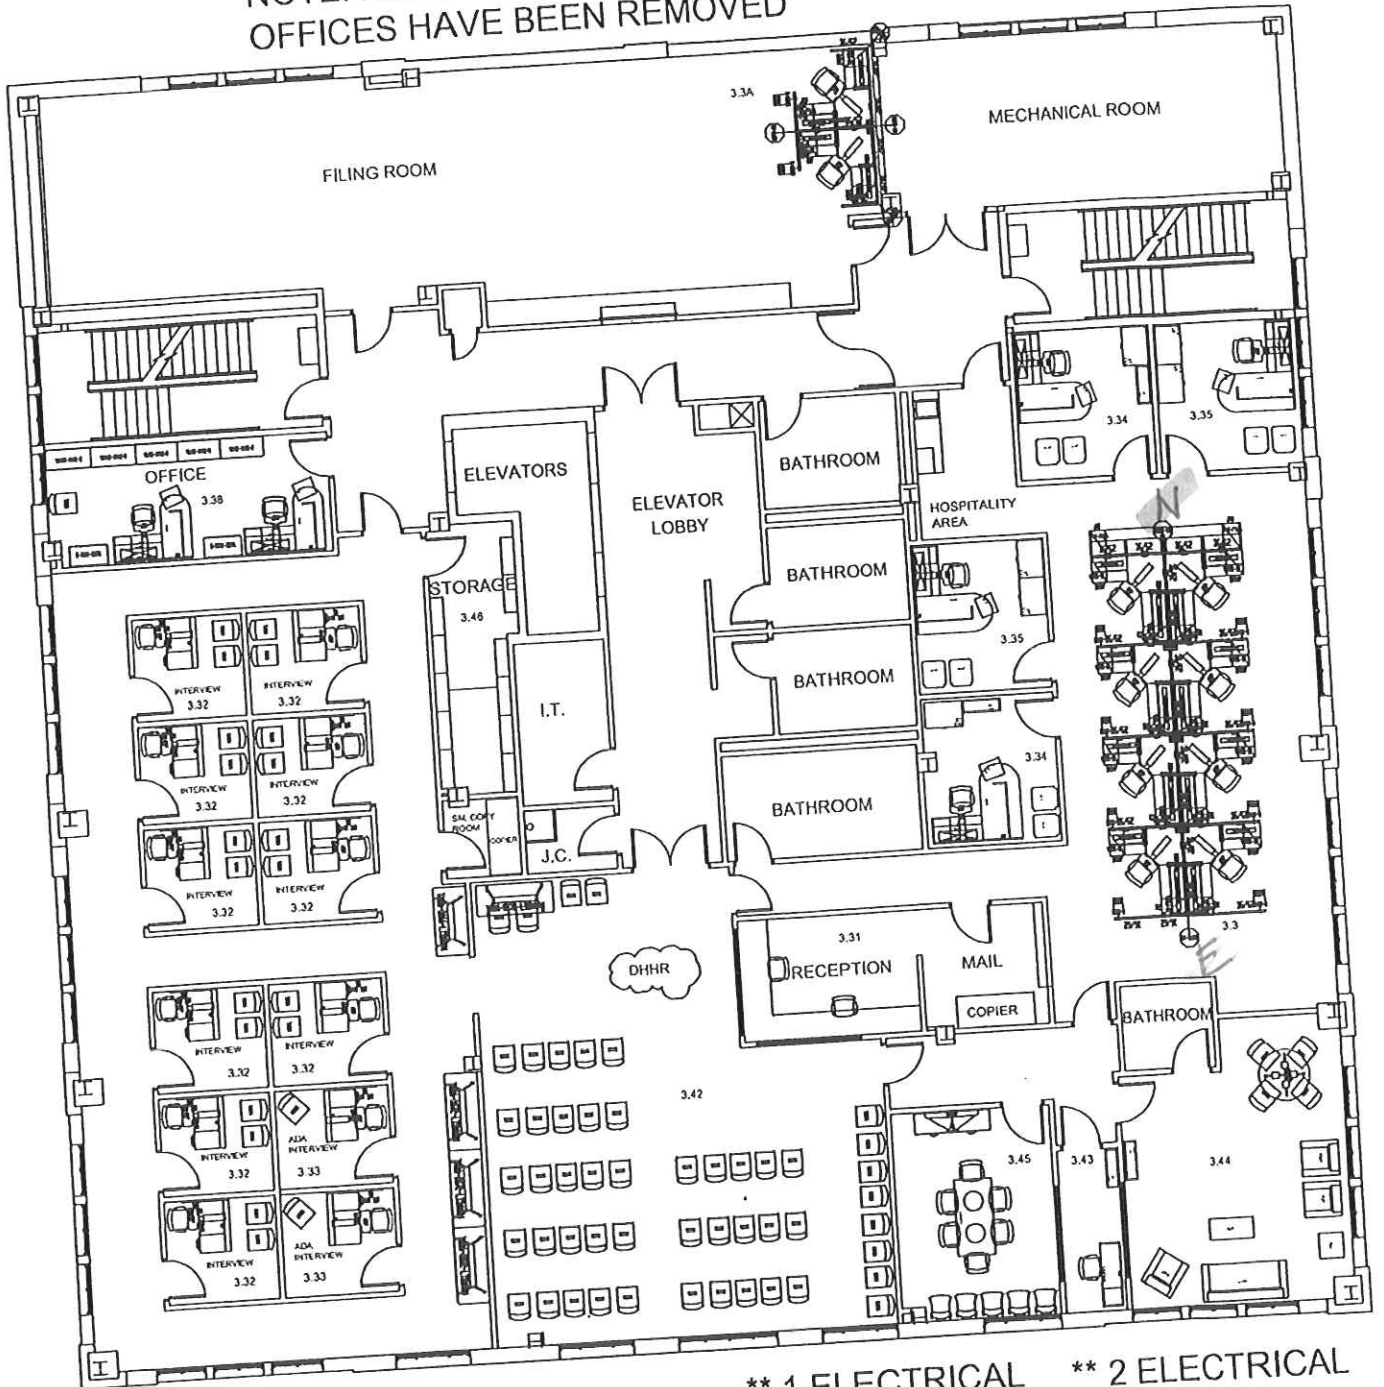

- i. Bidder's name
 - ii. Name of each subcontractor
 - iii. License numbers as required by W. Va. Code § 21-11-1 et. seq.
 - iv. Notation that no subcontractors will be used if the bidder will perform the work

- b. **Submission.** The completed subcontractor list shall be provided to the Purchasing Division within one business day of the opening of bids for review. Failure to submit the subcontractor list within one business day after the deadline for submitting bids shall result in disqualification of the bid.
 - c. **Substitution of Subcontractor.** Written approval must be obtained from the Purchasing Division before any subcontractor substitution is permitted. Substitutions are not permitted unless:
 - i. The subcontractor listed in the original bid has filed for bankruptcy;
 - ii. The subcontractor in the original bid has been debarred or suspended; or
 - iii. The contractor certifies in writing that the subcontractor listed in the original bill fails, is unable, or refuses to perform his subcontract.
3. **GREEN BUILDINGS MINIMUM ENERGY STANDARDS:** In accordance with § 22-29-4, all new building construction projects of public agencies that have not entered the schematic design phase prior to July 1, 2012, or any building construction project receiving state grant funds and appropriations, including public schools, that have not entered the schematic design phase prior to July 1, 2012, shall be designed and constructed complying with the ICC International Energy Conservation Code, adopted by the State Fire Commission, and the ANSI/ASHRAE/IESNA Standard 90.1-2007: *Provided*, That if any construction project has a commitment of federal funds to pay for a portion of such project, this provision shall only apply to the extent such standards are consistent with the federal standards.

RE: RFQ# BCF13013 for the Department of Health & Human Resources – Logan County

Dear Frank:

Due to the nature of the Excel spreadsheet that was included in the bid request, I have included quotations that are divided up by each section with a total as well as a combined quotation with a grand total. I have put the columns the same way the excel spreadsheet was laid out.

The spreadsheet had various sections that; lines could not be added, formulas were not calculating across the board, grand totals per section were either not working or did not include all the lines needed, columns could not be made larger as needed and some other minor items.

Please call if you have any questions or need any more information. (304) 344-1231.

Thank you for your interest in Contemporary Galleries.

Sincerely,

Jennifer B. Kirkpatrick
