Failure to comply with the foregoing requirements will result in public disclosure of the Vendor's bid without further notice. A Vendor's act of marking all or nearly all of its bid as exempt is not sufficient to avoid disclosure and WILL NOT BE HONORED. Vendor's act of marking a bid or any part thereof as "confidential" or "proprietary" is not sufficient to avoid disclosure and WILL NOT BE HONORED. In addition, a legend or other statement indicating that all or substantially all of the bid is exempt from disclosure is not sufficient to avoid disclosure and WILL NOT BE HONORED. Vendor will be required to defend any claimed exemption for nondisclosure in the event of an administrative or judicial challenge to the State's nondisclosure. Vendor must indemnify the State for any costs incurred related to any exemptions claimed by Vendor. Any questions regarding the applicability of the various public records laws should be addressed to your own legal counsel prior to bid submission.

- 41. Upon request, the Vendor must provide all necessary releases to obtain information to enable the Purchasing Division Director or the Agency to verify that the Vendor is licensed and in good standing with the above entities.

**42. ANTITRUST:** In submitting a bid to, signing a contract with, or accepting a Purchase Order from any agency of the State of West Virginia, the Vendor agrees to convey, sell, assign, or transfer to the State of West Virginia all rights, title, and interest in and to all causes of action it may now or hereafter acquire under the antitrust laws of the United States and the State of West Virginia for price fixing and/or unreasonable restraints of trade relating to the particular commodities or services purchased or acquired by the State of West Virginia. Such assignment shall be made and become effective at the time the purchasing agency tenders the initial payment to Vendor.

**43. VENDOR CERTIFICATIONS:** By signing its bid or entering into this Contract, Vendor certifies (1) that its bid was made without prior understanding, agreement, or connection with any corporation, firm, limited liability company, partnership, person or entity submitting a bid for the same material, supplies, equipment or services; (2) that its bid is in all respects fair and without collusion or fraud; (3) that this Contract is accepted or entered into without any prior understanding, agreement, or connection to any other entity that could be considered a violation of law; and (4) that it has reviewed this RFQ in its entirety; understands the requirements, terms and conditions, and other information contained herein. Vendor's signature on its bid also affirms that neither it nor its representatives have any interest, nor shall acquire any interest, direct or indirect, which would compromise the performance of its services hereunder. Any such interests shall be promptly presented in detail to the Agency.

The individual signing this bid on behalf of Vendor certifies that he or she is authorized by the Vendor to execute this bid or any documents related thereto on Vendor's behalf; that he or she is authorized to bind the Vendor in a contractual relationship; and that, to the best of his or her knowledge, the Vendor has properly registered with any State agency that may require registration.

**44. Vendor is not required to accept the State of West Virginia's Purchasing Card as payment for all goods and services.

**45. VENDOR RELATIONSHIP:** The relationship of the Vendor to the State shall be that of an independent contractor and no principal-agent relationship or employer-employee relationship is contemplated or created by this Contract. The Vendor as an independent contractor is solely liable for the acts and omissions of its employees and agents. Vendor shall be responsible for selecting, supervising, and compensating any and all individuals employed pursuant to the terms of this Solicitation and resulting contract. Neither the Vendor, nor any employees or subcontractors of the Vendor, shall be deemed to be employees of the State for any purpose whatsoever. Vendor shall be exclusively responsible for payment of employees and contractors for all wages and salaries, taxes, withholding payments, penalties, fees, fringe benefits, professional liability insurance premiums, contributions to insurance and pension, or other deferred compensation plans, including but not limited to, Workers' Compensation and Social Security obligations, licensing fees, *etc.* and the filing of all necessary documents, forms and returns pertinent to all of the foregoing. - 46. INDEMNIFICATION:** The Vendor agrees to indemnify, defend, and hold harmless the State and the Agency, their officers, and employees from and against: (1) Any claims or losses for services rendered by any subcontractor, person, or firm performing or supplying services, materials, or supplies in connection with the performance of the Contract; (2) Any claims or losses resulting to any person or entity injured or damaged by the Vendor, its officers, employees, or subcontractors by the publication, translation, reproduction, delivery, performance, use, or disposition of any data used under the Contract in a manner not authorized by the Contract, or by Federal or State statutes or regulations; and (3) Any failure of the Vendor, its officers, employees, or subcontractors to observe State and Federal laws including, but not limited to, labor and wage and hour laws.
- 47. If the Vendor does not wish to extend the prices, terms, and conditions of its bid and subsequent contract to the Other Government Entities, the Vendor must clearly indicate such refusal in its bid. A refusal to extend this Contract to the Other Government Entities shall not impact or influence the award of this Contract in any manner.
- 49. CONFLICT OF INTEREST:** Vendor, its officers or members or employees, shall not presently have or acquire any interest, direct or indirect, which would conflict with or compromise the performance of its obligations hereunder. Vendor shall periodically inquire of its officers, members and employees to ensure that a conflict of interest does not arise. Any conflict of interest discovered shall be promptly presented in detail to the Agency.
- 50. REPORTS:** Vendor shall provide the Agency and/or the Purchasing Division with the following reports identified by a checked box below:

**51. BACKGROUND CHECK:** In accordance with W. Va. Code § 15-2D-3, the Director of the Division of Protective Services shall require any service provider whose employees are regularly employed on the grounds or in the buildings of the Capitol complex or who have access to sensitive or critical information to submit to a fingerprint-based state and federal background inquiry through the state repository. The service provider is responsible for any costs associated with the fingerprint-based state and federal background inquiry.

After the contract for such services has been approved, but before any such employees are permitted to be on the grounds or in the buildings of the Capitol complex or have access to sensitive or critical information, the service provider shall submit a list of all persons who will be physically present and working at the Capitol complex to the Director of the Division of Protective Services for purposes of verifying compliance with this provision.

The State reserves the right to prohibit a service provider's employees from accessing sensitive or critical information or to be present at the Capitol complex based upon results addressed from a criminal background check.

Service providers should contact the West Virginia Division of Protective Services by phone at (304) 558-9911 for more information.

**52. PREFERENCE FOR USE OF DOMESTIC STEEL PRODUCTS:** Except when authorized by the Director of the Purchasing Division pursuant to W. Va. Code § 5A-3-56, no contractor may use or supply steel products for a State Contract Project other than those steel products made in the United States. A contractor who uses steel products in violation of this section may be subject to civil penalties pursuant to W. Va. Code § 5A-3-56. As used in this section:

- a. "State Contract Project" means any erection or construction of, or any addition to, alteration of or other improvement to any building or structure, including, but not limited to, roads or highways, or the installation of any heating or cooling or ventilating plants or other equipment, or the supply of and materials for such projects, pursuant to a contract with the State of West Virginia for which bids were solicited on or after June 6, 2001.
- b. "Steel Products" means products rolled, formed, shaped, drawn, extruded, forged, cast, fabricated or otherwise similarly processed, or processed by a combination of two or more or such operations, from steel made by the open heath, basic oxygen, electric furnace, Bessemer or other steel making process.

The Purchasing Division Director may, in writing, authorize the use of foreign steel products if:

- a. The cost for each contract item used does not exceed one tenth of one percent (.1%) of the total

contract cost or two thousand five hundred dollars (\$2,500.00), whichever is greater. For the purposes of this section, the cost is the value of the steel product as delivered to the project; or

- b. The Director of the Purchasing Division determines that specified steel materials are not produced in the United States in sufficient quantity or otherwise are not reasonably available to meet contract requirements.

**53. PREFERENCE FOR USE OF DOMESTIC ALUMINUM, GLASS, AND STEEL:** In Accordance with W. Va. Code § 5-19-1 et seq., and W. Va. CSR § 148-10-1 et seq., for every contract or subcontract, subject to the limitations contained herein, for the construction, reconstruction, alteration, repair, improvement or maintenance of public works or for the purchase of any item of machinery or equipment to be used at sites of public works, only domestic aluminum, glass or steel products shall be supplied unless the spending officer determines, in writing, after the receipt of offers or bids, (1) that the cost of domestic aluminum, glass or steel products is unreasonable or inconsistent with the public interest of the State of West Virginia, (2) that domestic aluminum, glass or steel products are not produced in sufficient quantities to meet the contract requirements, or (3) the available domestic aluminum, glass, or steel do not meet the contract specifications. This provision only applies to public works contracts awarded in an amount more than fifty thousand dollars (\$50,000) or public works contracts that require more than ten thousand pounds of steel products.

The cost of domestic aluminum, glass, or steel products may be unreasonable if the cost is more than twenty percent (20%) of the bid or offered price for foreign made aluminum, glass, or steel products. If the domestic aluminum, glass or steel products to be supplied or produced in a "substantial labor surplus area", as defined by the United States Department of Labor, the cost of domestic aluminum, glass, or steel products may be unreasonable if the cost is more than thirty percent (30%) of the bid or offered price for foreign made aluminum, glass, or steel products.

This preference shall be applied to an item of machinery or equipment, as indicated above, when the item is a single unit of equipment or machinery manufactured primarily of aluminum, glass or steel, is part of a public works contract and has the sole purpose or of being a permanent part of a single public works project. This provision does not apply to equipment or machinery purchased by a spending unit for use by that spending unit and not as part of a single public works project.

All bids and offers including domestic aluminum, glass or steel products that exceed bid or offer prices including foreign aluminum, glass or steel products after application of the preferences provided in this provision may be reduced to a price equal to or lower than the lowest bid or offer price for foreign aluminum, glass or steel products plus the applicable preference. If the reduced bid or offer prices are made in writing and supersede the prior bid or offer prices, all bids or offers, including the reduced bid or offer prices, will be reevaluated in accordance with this rule.

It is specifically understood and agreed by and between the parties hereto that the typesetting, printing, binding, packaging, assembling, bundling and delivery of the 2013-2014 edition of the Manual of the Senate and House of Delegates (hereinafter referred to as the "Legislative Manual") shall be governed solely and exclusively by and performed according to the following terms and conditions:

1. The Printer, at its sole expense, shall typeset, print, bind, package and deliver to the Clerk of the House of Delegates, State Capitol Building, Charleston, except as hereinafter otherwise provided, 2,000 copies of the 2013-2014 Legislative Manual, as follows:

The remaining 40 hardbacks, without imprinted names, are to be delivered the same date.

(b) 300 additional copies to be delivered by January 21, 2013;

3. The 2013-2014 Legislative Manual will be printed on web press paper and the several type sizes and faces used in the various parts of the book shall be the same as those used in the printing of like parts of the 2009 Legislative Manual, which is hereby incorporated into this contract, by reference, and copies of which are on file in the office of the Clerk of the House of Delegates, Capitol Complex, Charleston: *Provided*, That with the written approval of the Clerk of the House, type sizes and faces and paper of a weight and finish different from those used in the 2009 Legislative Manual may be used by the Printer.

4. The outline and arrangement of the 2013-14 Legislative Manual will be substantially similar to the 2009 edition, which is hereby incorporated into this contract, by reference, and copies of which are on file in the office of the Clerk of the House, Capitol Complex, Charleston: *Provided*, That some of the material and the number of halftone photographs selected by the Clerk of the House for inclusion in the 2013-2014 Legislative Manual will differ from that contained in the 2009 edition. It is hereby estimated that the number of printed pages in the 2013-2014 Legislative Manual will

total approximately between 500 and 550 pages: *Provided, however,* That if the number of final printed pages is substantially either greater or less than the estimate contained in this paragraph, a proportionate adjustment upward or downward, as the case may be, in the contract price herein set forth will be made.

5. The cases used for the 2013-2014 Legislative Manual will be equal to or better in quality, construction and design and, at the direction of the Clerk of the House will be the same in the color and appearance as those used for the 2009 Legislative Manual and will bear the same inscription and design format on the outside of the book, except for necessary changes in dates and names.

6. The quality of the printing, including, without limitation, the reproduction of all photographs contained in the 2013-2014 Legislative Manual, shall be equal to or better than the quality of all such printing contained in the 2009 edition.

7. In all respects for which no particular provision is made herein, including, without limitation, the typesetting, printing, binding, packaging and wrapping of the 2013-2014 Legislative Manual, the workmanship and/or materials used shall be equal to or better than the 2009 edition.

8. Under the exercise together of the provisions of this contract for the 2013-2014 Legislative Manual, the Clerk of the House of Delegates will pay the Printer the total price of: \$ 38,400.00 for the proper and timely performance by the Printer of its obligations hereunder, to be paid in one installment. + COMPENSATION \$ 8.00 PER PAGE

9. The Clerk of the House will furnish the Printer copy material for use in the typesetting and production of the 2013-2014 Legislative Manual, including photographs, etc., from time to time in amounts as nearly equal as the Clerk of the House is able to provide by the exercise of reasonable diligence in the assembling of the data included in and the preparation of such copy material. Unless the Clerk of the House and the Printer shall agree otherwise, the Printer will prepare a proof of said materials and present the same to the Clerk of the House, who will correct and return the same with reasonable promptness and, after such corrected proof is returned to him, the Printer will make the corrections indicated thereon by the Clerk of the House and then resubmit the original proof, and, also, a corrected proof for the Clerk of the House's comparison, and, if correct, his final approval. The Printer agrees to provide adequate facilities and services and both parties agree to perform their obligations hereunder with reasonable diligence and promptness so as to facilitate the publication and delivery of said Legislative Manual in the quantities and at the times herein provided. The Printer shall present all original and corrected proofs by personal delivery and not by facsimile. The Printer shall bear all costs of the presentation and return of original and corrected proofs between the Printer and the Clerk of the House.

10. The Printer shall at its expense deliver the quantities of the 2013-2014 Legislative Manual referred to in subparagraphs (b), (c) and (d) of paragraph (1) of this section to the offices of the Clerk of the House at 1900 Kanawha Boulevard, East, Charleston, West Virginia. The Printer shall then at its expense provide delivery of copies from the warehouse to the office of the Clerk of the House in such amounts and at such times as requested by said Clerk. In order to ensure proper and timely deliveries of copies of the 2013-2014 Legislative Manual, the Printer shall give a performance bond payable to the State of West Virginia, in a form satisfactory to said Clerk, executed by a surety company qualified to do business in this state and in the penal sum, as determined by said Clerk, in an amount not less than the total moneys paid the Printer under the terms of this contract. The bond shall be conditioned on the Printer performing all the requirements of this agreement including final delivery of all 2013-2014 Legislative Manuals to the office of said Clerk. Upon completion by the Printer of all its obligations under the agreement, said Clerk shall release the bond. If the Printer fails to complete all of its obligations under this agreement, said Printer shall forfeit the bond.

11. By the submission of its bid hereon and the acceptance by it of the awarding of this contract, the Printer agrees as follows:

(a) All operations in the production of the 2013-2014 Legislative Manual must be well done, in a first-class manner. If the job falls below the requirements of first-class work, the Clerk of the House need not accept the same and the Printer will be required to do the job again at its own expense.

(b) The printing of the 2013-2014 Legislative Manual shall be free from typographical errors, and high-quality ink shall be used throughout.

(c) The Printer must have the capacity to meet the requirements of the printing of the 2013-2014 Legislative Manual.

#### **PROPOSAL ACCEPTANCE, AWARD OF CONTRACT**

1. Time is of the essence in the performance of operations under this contract, and in the event the Printer is unable to perform the operations covered by this contract in its own establishment, the Printer may, with the written approval of the Clerk of the House, allocate to other printers, at the agreed contract rate, any such work: *Provided*, That preference be given to printers in West Virginia possessing the equipment and capability necessary to the execution of such operations according to the terms of this contract.

2. The Printer expressly warrants that it has employed no third person to solicit or obtain this contract on its behalf or to cause or procure the same to be obtained upon compensation in any way contingent, in whole or in part, upon such procurement; and that it has not paid or promised or agreed to pay to any third person in consideration of such procurement, or in compensation for services in connection therewith, any brokerage, commission or percentage upon the amount payable to or to become payable under this contract; and that it has not, in estimating the contract price submitted and agreed to by it, included any sum by reason of any such brokerage, commission or percentage; and that all moneys payable to or to become payable to it are free from obligation to any other person for services rendered or supposed to have been rendered in the procurement of this contract. The Printer further agrees that any breach of this warranty shall constitute adequate cause for the annulment of this contract by the Clerk of the House, and that the House may retain to its own use from any sums due or to become due hereunder, or from the amount of deposit on bond given hereunder, an amount equal to any brokerage, commission or percentage so paid or agreed to be paid.

3. Nothing contained in the awarded contract shall require, or shall be construed as requiring, the House or any of its officers to purchase any or any given amount, or all the work described herein.
