Re: Project: DEP15791 Maintenance Southern County Abandon Mine Lands

Mr. Nisbet,

I am sending you this letter to request a bid withdraw on the above reference project.

Our withdraw is due to the multiple bid date extensions (Addendum 1, 2, &3). Our company has acquired work during this period and now the new bid date does not fit our schedule and manpower.

Sincerely,

James Cooper  
President of Estimating  
Mountain State Pipeline & Exc., LLC
