Re: Bid FASTEN12

Dear Mr. Nesbit:

W.W. Grainger, Inc., "Grainger" would like to thank you for providing the opportunity to respond to your bid for Fasteners (Fasten12). As the State of WV (State) is an existing member of the Grainger/WSCA 1862 agreement under contract PB:INDEQ11, we respectfully offer the following proposal.

Under the WSCA agreement, the State of West Virginia is eligible to utilize the value added feature of the "Enhanced Hot List" clause. This clause allows Grainger to work with the State to establish customer specific pricing for high volume or critical products. We have attached specific pricing for the 55 high use fastener items you identified in your solicitation.

The items requested can be found in Grainger catalog 403 on pages 2883 – 3246.

In addition to the "Enhanced Hot List" feature, your WSCA contract provides a 25% discount off the Grainger list price at time of purchase for all items included in the fastener category with no minimum order requirements and pre-paid freight.

Proposal Total: \$61,094.75

By leveraging your existing contract, Grainger is able to make their best offer to the State of West Virginia. Should Grainger be selected, we could roll this award into your existing agreement.

If there are any questions you may contact me at 304.205.3169.

Sincerely,

Joseph Gacek
Government Account Manager
