 $Zira^{\mathbb{T}}$ , a contemporary desking solution with extensive options to personalize your workspace.

For the managerial application or executive offices, create a work environment that meets your worksurface needs and storage requirements. Select from hundreds of laminate finish combinations, storage components that can tower to 84" high, 9 handle options, 5 different choices for edge details, 4 glazing options on doors and modesty panels and 1" and 1 ½" thick top options.

 $Zira^{\mathsf{m}}$  is the most functional solution to your work environment efficiency and organization.

Whether a workspace is required for individual use, teaming or clusters, Zira offers hundreds of mix and match components to

Top left: 4" square monopost are available in Silver or Black finish. Optional 4" and 5" round are available at no extra charge. Top right: Box drawers are mounted on 34 extension ball bearing slides. Bottom left: Divide<sup>nd</sup>, a modular desk-mounted panel system shown with glazed panels which vertically stack to provide privacy. Bottom right: Hutch with glazed doors are available in 4 glazing options with Silver or Black frames. 9 handle options in Silver, Black, Nickel or Brass finishes.

Zira teaming shown in Tiger Maple (TMP) / Tiger Fruitwood (TFW) with frosted glazed doors / Silver frames (Z1) and flared Silver HS handles. Alero and Caprice seating shown in Match, Green (MT27). \*Note: Divide posts and transactions top not exactly as shown.

### Zira<sup>™</sup>, ideal for shared teaming areas.

Components can be joined together to form multiple work groups or can be freestanding for single workstation configurations. With such an array of components and options, Zira can accommodate small spaces through tall spaces, and of course, everything in between.

Storage can be added where needed, whether attached to the workstation or designed elsewhere in the work environments. Select from hundreds of components for any size or shape office. Storage components can tower up to 84" high and are available in an array of laminate finishes and handle options in Silver, Black, Nickel or Brass finish.

# A beautiful productive office can also be a highly organized office.

Zira is designed with solid 1" and 1 ½" laminate tops. Select options such as edge details, pigeon hole storage, closed door hutches, open display shelves, collators and fabric tackboards to personalize your workspace and fulfill all your storage and organizational requirements.

Above: Zira shown in White (WHT) and Dark Espresso (DES).

VOLT® Seating

### GREAT COMFORT, GREAT STYLE, GREAT VALUE

Volt seating from The HON Company offers the complete functionality and good looks usually reserved for chairs that cost a whole lot more. Its generously proportioned seat and back cushions are friendly and welcoming to every body. And its wide range of easy-to-use adjustments puts people in control of their own customized comfort.

#### AFFORDABLE FUNCTIONALITY

The price makes it easy to make Volt yours. The functionality makes it easy to make Volt work for you.

PNEUMATIC LIFT

Raises or lowers the seat to fit people of all sizes.

**TILT TENSION** 

Controls the amount of resistance felt as you lean back, accommodating a variety of tasks and body types.

**TILT LOCK** 

Locks the chair in an upright working posture.

### **ADJUSTABLE-HEIGHT ARMS**

Helps reduce shoulder, neck, and back strain. (OPTIONAL)

SWIVEL/TILT

Allows the chair to recline effortlessly, promoting movement and comfort throughout the workday. (MODEL H5701)

#### SYNCHRO-TILT

Allows seat and back to recline at different rates, supporting a more ergonomic posture. (MODEL H5703)

### **TASK STOOLS**

The stylish and functional Volt task stool provides just the right complement for today's stand-up workstations or the high tables and counters found in many collaborative spaces. Features include:

- 360-degree swivel
- · Pneumatic seat-height adjustment
- · Adjustable foot ring

#### PRODUCTS, MATERIALS, AND FINISHES SHOWN:

Front: Volt task chair with adjustable-height arms in Burgundy (GA62). Back: Volt task stool in Burgundy (GA62).

# Q Line Shelving • ESP Packaged Shelving

# Q Line Packaged Shelving

Q Line Shelving is designed for those storage applications that demand strength and versatility.
Q Line's exclusive Box Beam construction and heavy reinforced steel shelves offer increased load bearing capacity for your heaviest storage needs.
Designed to handle up to 750 pounds, Q Line Packaged shelving is available in popular standard configurations.

# Superior Strength

Q Line shelves use a structural box formation on the front and rear flanges. The face of the box is ribbed and the flange is welded every three inches. The shelf ends have three bends (competing shelves use only two) for added front to back strength.

front to back strength. The net result is the strongest shelf in its class, with a load capacity up to 750 pounds!

### **Boltless Shelf Installation**

Compression clips make adding shelves a snap. Just clip on. No bolts or tools required.

# ESP Shelving

Lightweight but durable packaged shelving offers multipurpose use at a reasonable price. ESP Shelving will deliver economical, dependable storage in office stockrooms and throughout your plant or warehouse.

### **Variety of Depths**

Available in four depths to suit any application.

### **Quick Assembly**

ESP shelving can be assembled quickly using the supplied nuts, bolts and shelf clips. All necessary components are in one box for easy ordering.

### Standard Configurations

ESP shelving is available in a 75" height with either four or five openings. Extra shelves are also available.

### Adjustable

For maximum flexibility, shelves adjust in 1" increments to store a wide variety of items in different shapes, heights, and sizes.

# Flanged for Extra Strength

All ESP shelves incorporate multiplebend flanges with lapped and welded corners. The design permits loads up to 250 pounds per shelf!

### **Enhanced Unit Integrity**

ESP shelving comes complete with end plates and back braces to assure the unit's rigidity.

tennsco

All Tennsco Q Line and ESP Packaged Shelving is painted with a tough, baked-on enamel finish to assure years of lasting beauty.

Medium Grey

Finishes shown above are only representative of the actual finishes. If greater accuracy is required contact your local Tennsco dealer for additional information.

### A WORD ABOUT TENNSCO

Tennsco Corp., headquartered in Dickson, Tennessee, began operations in 1962. Today, Tennsco is an industry leader with over 1 million square feet of manufacturing and warehouse space in six facilities. Tennsco offers a wide variety of filing and storage systems, steel office furniture, industrial and institutional shelving, lockers and shop equipment.

For additional information on other Tennsco products, contact:

### State of West Virginia

# **VENDOR PREFERENCE CERTIFICATE**

Certification and application\* is hereby made for Preference in accordance with *West Virginia Code*, §5A-3-37. (Does not apply to construction contracts). *West Virginia Code*, §5A-3-37, provides an opportunity for qualifying vendors to request (at the time of bid) preference for their residency status. Such preference is an evaluation method only and will be applied only to the cost bid in accordance with the *West Virginia Code*. This certificate for application is to be used to request such preference. The Purchasing Division will make the determination of the Resident Vendor Preference, if applicable.

1.	Application is made for 2.5% resident vendor preference for the reason checked:  Bidder is an individual resident vendor and has resided continuously in West Virginia for four (4) years immediately preceding the data of the continuously in West Virginia for four (4) years immediately preceding the data of the continuously in West Virginia for four (4) years immediately preceding the data of the continuously in West Virginia for four (4) years immediately preceding the data of the continuously in West Virginia for four (4) years immediately preceding the data of the continuously in West Virginia for four (4) years immediately preceding the continuously in West Virginia for four (4) years immediately preceding the continuously in West Virginia for four (4) years immediately preceding the continuously in West Virginia for four (4) years immediately preceding the continuously in West Virginia for four (4) years immediately preceding the continuously in West Virginia for four (4) years immediately preceding the continuously in West Virginia for four (4) years immediately preceding the continuously in West Virginia for four (4) years immediately preceding the continuously in West Virginia for four (4) years immediately preceding the continuously in West Virginia for four (4) years immediately preceding the continuously in West Virginia for four (4) years immediately preceding the continuously in West Virginia for four (4) years immediately preceding the continuously in West Virginia for four (4) years immediately preceding the continuously in West Virginia for four (4) years immediately preceding the continuously in West Virginia for four (4) years immediately preceding the continuously in West Virginia for four (4) years immediately preceding the continuously in West Virginia for four (4) years immediately preceding the continuously immediately preceding the cont
	Bidder is a partnership, association or corporation resident vendor and has maintained its headquarters or principal place of business continuously in West Virginia for four (4) years immediately preceding the date of this certification; or 80% of the
	ownership interest of Bidder is held by another individual, partnership, association or corporation resident vendor who has maintained its headquarters or principal place of business continuously in West Virginia for four (4) years immediately preceding the date of this certification; or,
	Bidder is a nonresident vendor which has an affiliate or subsidiary which employs a minimum of one hundred state residents and which has maintained its headquarters or principal place of business within West Virginia continuously for the four (4) years immediately preceding the date of this certification; or,
<b>2</b> .	Application is made for 2.5% resident vendor preference for the reason checked:  Bidder is a resident vendor who certifies that, during the life of the contract, on average at least 75% of the employees working on the project being bid are residents of West Virginia who have resided in the state continuously for the two years immediately preceding submission of this bid; or,
3.	Application is made for 2.5% resident vendor preference for the reason checked: Bidder is a nonresident vendor employing a minimum of one hundred state residents or is a nonresident vendor with an affiliate or subsidiary which maintains its headquarters or principal place of business within West Virginia employing a minimum of one hundred state residents who certifies that, during the life of the contract, on average at least 75% of the employees or Bidder's affiliate's or subsidiary's employees are residents of West Virginia who have resided in the state continuously for the two years immediately preceding submission of this bid; or,
<u>4</u> X	Application is made for 5% resident vendor preference for the reason checked:  Bidder meets either the requirement of both subdivisions (1) and (2) or subdivision (1) and (3) as stated above; or,
5.	Application is made for 3.5% resident vendor preference who is a veteran for the reason checked: Bidder is an individual resident vendor who is a veteran of the United States armed forces, the reserves or the National Guard and has resided in West Virginia continuously for the four years immediately preceding the date on which the bid is submitted; or,
6.	Application is made for 3.5% resident vendor preference who is a veteran for the reason checked:  Bidder is a resident vendor who is a veteran of the United States armed forces, the reserves or the National Guard, if, for purposes of producing or distributing the commodities or completing the project which is the subject of the vendor's bid and continuously over the entire term of the project, on average at least seventy-five percent of the vendor's employees are residents of West Virginia who have resided in the state continuously for the two immediately preceding years.
	Application is made for preference as a non-resident small, women- and minority-owned business, in accordance with West Virginia Code §5A-3-59 and West Virginia Code of State Rules.  Bidder has been or expects to be approved prior to contract award by the Purchasing Division as a certified small, women- and minority-owned business.
requirent against s	inderstands if the Secretary of Revenue determines that a Bidder receiving preference has failed to continue to meet the nents for such preference, the Secretary may order the Director of Purchasing to: (a) reject the bid; or (b) assess a penalty such Bidder in an amount not to exceed 5% of the bid amount and that such penalty will be paid to the contracting agency cted from any unpaid balance on the contract or purchase order.
the requi	nission of this certificate, Bidder agrees to disclose any reasonably requested information to the Purchasing Division and es the Department of Revenue to disclose to the Director of Purchasing appropriate information verifying that Bidder has paid ired business taxes, provided that such information does not contain the amounts of taxes paid nor any other information by the Tax Commissioner to be confidential.
and acc	enalty of law for false swearing (West Virginia Code, §61-5-3), Bidder hereby certifies that this certificate is true turate in all respects; and that if a contract is issued to Bidder and if anything contained within this certificate s during the term of the contract, Bidder will notify the Purchasing Division in writing immediately.

### STATE OF WEST VIRGINIA Purchasing Division

## **PURCHASING AFFIDAVIT**

**MANDATE:** Under W. Va. Code §5A-3-10a, no contract or renewal of any contract may be awarded by the state or any of its political subdivisions to any vendor or prospective vendor when the vendor or prospective vendor or a related party to the vendor or prospective vendor is a debtor and: (1) the debt owed is an amount greater than one thousand dollars in the aggregate; or (2) the debtor is in employer default.

**EXCEPTION:** The prohibition listed above does not apply where a vendor has contested any tax administered pursuant to chapter eleven of the W. Va. Code, workers' compensation premium, permit fee or environmental fee or assessment and the matter has not become final or where the vendor has entered into a payment plan or agreement and the vendor is not in default of any of the provisions of such plan or agreement.

### **DEFINITIONS:**

VALLET COLL CAMPIO CICLIANIA

"Debt" means any assessment, premium, penalty, fine, tax or other amount of money owed to the state or any of its political subdivisions because of a judgment, fine, permit violation, license assessment, defaulted workers' compensation premium, penalty or other assessment presently delinquent or due and required to be paid to the state or any of its political subdivisions, including any interest or additional penalties accrued thereon.

"Employer default" means having an outstanding balance or liability to the old fund or to the uninsured employers' fund or being in policy default, as defined in W. Va. Code § 23-2c-2, failure to maintain mandatory workers' compensation coverage, or failure to fully meet its obligations as a workers' compensation self-insured employer. An employer is not in employer default if it has entered into a repayment agreement with the Insurance Commissioner and remains in compliance with the obligations under the repayment agreement.

"Related party" means a party, whether an individual, corporation, partnership, association, limited liability company or any other form or business association or other entity whatsoever, related to any vendor by blood, marriage, ownership or contract through which the party has a relationship of ownership or other interest with the vendor so that the party will actually or by effect receive or control a portion of the benefit, profit or other consideration from performance of a vendor contract with the party receiving an amount that meets or exceed five percent of the total contract amount.

AFFIRMATION: By signing this form, the vendor's authorized signer affirms and acknowledges under penalty of law for false swearing (*W. Va. Code* §61-5-3) that neither vendor nor any related party owe a debt as defined above and that neither vendor nor any related party are in employer default as defined above, unless the debt or employer default is permitted under the exception above.
