LIST OF PROPOSED SUBCONTRACTORS EQUIPMENT / MATERIAL SUPPLIERS
(This form must be included in bid or faxed to STATE PURCHASING within one business day of close of bid)

List below each major branch of work and major equipment / material category for this proposal and the subcontractor or supplier proposed for that portion of work; also provide the contractor's license number for each subcontractor as required by the "West Virginia Contractor Licensing Act." If the branch of work is to be completed solely by an equipment / material supplier, indicate by notation below in the contractor license number column. The bidder may be requested to change an unsatisfactory subcontractor or equipment / material supplier. The contractor is responsible for selecting or changing subcontractor or equipment / material supplier. The Owner or Engineer may indicate their concerns about any entity listed which they have reason to believe past experience indicates poor performance may be expected. It is the responsibility of any contractor soliciting bids or quotes from subcontractors to verify the eligibility of all proposed subcontractors and equipment / material suppliers being proposed to perform the work. The Contractor has full responsibility for satisfactory execution of all work in accordance with the contract documents. Any change of proposed subcontractors or material suppliers shall be at no additional cost to Owner, as the Contractor has full responsibility for execution of the work. Owner and Engineer may request additional details and further breakout of subcontractors and equipment/material suppliers as they deem necessary.

I, Robert D. Smith representing DSO Mechanical LLC
(Signature of Responsible Contractor) (Company Name)

on this date 10/22/2013 submit the following list of subcontractors and major material suppliers for your review and comment. This is the final and complete list of companies who will be performing work or supplying materials for William R. Sharpe, Jr. Hospital HVAC Renovations.

I agree that once the subcontractors and material suppliers listed are approved for use by the Owner and Engineer, no other subcontractors or substitute for any subcontractors listed below, will be used in the performance of the contract without written approval of the Owner and Engineer. I further agree that if non-approved subcontractors or suppliers are used, my company shall be placed on probation, unless in its reasonable discretion, the STATE OF WEST VIRGINIA determines otherwise.
