UTILITY VEHICLE

Question #1: In reviewing the bid specs for above bid request. I have noticed that you are requesting bids on a Kubota 2014 RTV 1100 and attachments. The current model for 2014 would be an RTV X1100 and attachments that you have listed will not fit on this new model. We will be quoting the new model and current attachments. However, I would like to know if the above machine should be quoted with a bed liner and what tires are to be installed? Tire options ATV or Worksite.

Answer: We are not asking for a bed liner and the tires are to be ATV tires.

Question #2: I have also noticed that you have listed a V4405 Quick hitch. The model V4405 is a Cargo box salt spreader. I just want to make sure that this is just a typographical error on the model number for the quick hitch which should be a V4289, or do you want a quote on a Salt Spreader?

Answer: 3.1.1.3 Utility vehicle must have quit hitch and hydraulic control kit part#V4405 or equal should read: 3.1.1.3 Utility vehicle must have quick hitch and hydraulic control kit part #V4289 or equal.

We do want the salt box spreader, that's were #V4405 comes in; there will be an additional required item added.

3.1.1.9 Utility vehicle must have Cargo Box Spreader part#V4405 or equal.
