ATTACHMENT A

Question 1) Sec 6.5 of the specification Return due to Agency Error states that the agency can return any item if it's in resalable condition. Kodak Alaris' definition of saleable condition is unopened and unused. Can the specification be amended to reflect this description? Kodak Alaris does not allow the return of Care Kits. Can this exception be added to section 6.5 of the specification?

Answer: No, we are not at liberty to modify these terms and conditions.

Question 2) Under General Terms and Conditions: sec 26 warranty. Kodak Alaris does not provide this warranty and its authorized resellers are expressly prohibited from providing any warranty terms beyond what Kodak offers. Will the agency accept the attached limited warranties in lieu of section 26?

Answer: Yes, so long as the vendor accepts and signs the attached WV-96-A.

Question: 3) There is only one i3400 being solicited but there are 5 copies of SVRS Elite being solicited for that scanner. Is this a misprint?

Answer: We are soliciting 5 Kodak i4600 scanners and one i3400 as well as VRS 4.5 elite for each scanner. We do not need 5 copies of VRS 4.5 elite for the i3400 scanners. We require 5 copies of VRS 4.5 elite for the Kodak i4600 scanners and 1 copy of VRS elite for the Kodak i3400 scanner.

Question: 4) Do you have any old scanners that can be traded in and if so, what are the model and serial numbers?

Answer: No.
