- 32. ANTITRUST:** In submitting a bid to, signing a contract with, or accepting a Award Document from any agency of the State of West Virginia, the Vendor agrees to convey, sell, assign, or transfer to the State of West Virginia all rights, title, and interest in and to all causes of action it may now or hereafter acquire under the antitrust laws of the United States and the State of West Virginia for price fixing and/or unreasonable restraints of trade relating to the particular commodities or services purchased or acquired by the State of West Virginia. Neither the Vendor, nor any employees or subcontractors of the Vendor, shall be deemed to be employees of the State for any purpose whatsoever. Vendor shall be exclusively responsible for payment of employees and contractors for all wages and salaries, taxes, withholding payments, penalties, fees, fringe benefits, professional liability insurance premiums, contributions to insurance and pension, or other deferred compensation plans, including but

not limited to, Workers' Compensation and Social Security obligations, licensing fees, etc. and the filing of all necessary documents, forms, and returns pertinent to all of the foregoing. Vendor shall hold harmless the State, and shall provide the State and Agency with a defense against any and all claims including, but not limited to, the foregoing payments, withholdings, contributions, taxes, Social Security taxes, and employer income tax returns.

- 36. INDEMNIFICATION:** The Vendor agrees to indemnify, defend, and hold harmless the State and the Agency, their officers, and employees from and against: (1) Any claims or losses for services rendered by any subcontractor, person, or firm performing or supplying services, materials, or supplies in connection with the performance of the Contract; (2) Any claims or losses resulting to any person or entity injured or damaged by the Vendor, its officers, employees, or subcontractors by the publication, translation, reproduction, delivery, performance, use, or disposition of any data used under the Contract in a manner not authorized by the Contract, or by Federal or State statutes or regulations; and (3) Any failure of the Vendor, its officers, employees, or subcontractors to observe State and Federal laws including, but not limited to, labor and wage and hour laws.
- 37. PURCHASING AFFIDAVIT:** In accordance with West Virginia Code § 5A-3-10a, all Vendors are required to sign, notarize, and submit the Purchasing Affidavit stating that neither the Vendor nor a related party owe a debt to the State in excess of \$1,000. The affidavit must be submitted prior to award, but should be submitted with the Vendor's bid. A copy of the Purchasing Affidavit is included herewith.
- 38. ADDITIONAL AGENCY AND LOCAL GOVERNMENT USE:** This Contract may be utilized by and extends to other agencies, spending units, and political subdivisions of the State of West Virginia; county, municipal, and other local government bodies; and school districts ("Other Government Entities"). This Contract shall be extended to the aforementioned Other Government Entities on the same prices, terms, and conditions as those offered and agreed to in this Contract. If the Vendor does not wish to extend the prices, terms, and conditions of its bid and subsequent contract to the Other Government Entities, the Vendor must clearly indicate such refusal in its bid. A refusal to extend this Contract to the Other Government Entities shall not impact or influence the award of this Contract in any manner.
- 39. CONFLICT OF INTEREST:** Vendor, its officers or members or employees, shall not presently have or acquire an interest, direct or indirect, which would conflict with or compromise the performance of its obligations hereunder. Vendor shall periodically inquire of its officers, members and employees to ensure that a conflict of interest does not arise. Any conflict of interest discovered shall be promptly presented in detail to the Agency.
- 40. REPORTS:** Vendor shall provide the Agency and/or the Purchasing Division with the following reports identified by a checked box below:
- Such reports as the Agency and/or the Purchasing Division may request. Requested reports may include, but are not limited to, quantities purchased, agencies utilizing the contract, total contract expenditures by agency, etc.

- Quarterly reports detailing the total quantity of purchases in units and dollars, along with a listing of purchases by agency. Quarterly reports should be delivered to the Purchasing Division via email at [purchasing.requisitions@wv.gov](mailto:purchasing.requisitions@wv.gov).

- 41. BACKGROUND CHECK:** In accordance with W. Va. Code § 15-2D-3, the Director of the Division of Protective Services shall require any service provider whose employees are regularly employed on the grounds or in the buildings of the Capitol complex or who have access to sensitive or critical information to submit to a fingerprint-based state and federal background inquiry through the state repository. The service provider is responsible for any costs associated with the fingerprint-based state and federal background inquiry.

After the contract for such services has been approved, but before any such employees are permitted to be on the grounds or in the buildings of the Capitol complex or have access to sensitive or critical information, the service provider shall submit a list of all persons who will be physically present and working at the Capitol complex to the Director of the Division of Protective Services for purposes of verifying compliance with this provision.

The State reserves the right to prohibit a service provider's employees from accessing sensitive or critical information or to be present at the Capitol complex based upon results addressed from a criminal background check.

Service providers should contact the West Virginia Division of Protective Services by phone at (304) 558-9911 for more information.

- 42. PREFERENCE FOR USE OF DOMESTIC STEEL PRODUCTS:** Except when authorized by the Director of the Purchasing Division pursuant to W. Va. Code § 5A-3-56, no contractor may use or supply steel products for a State Contract Project other than those steel products made in the United States. A contractor who uses steel products in violation of this section may be subject to civil penalties pursuant to W. Va. Code § 5A-3-56. As used in this section:

- a. "State Contract Project" means any erection or construction of, or any addition to, alteration of or other improvement to any building or structure, including, but not limited to, roads or highways, or the installation of any heating or cooling or ventilating plants or other equipment, or the supply of and materials for such projects, pursuant to a contract with the State of West Virginia for which bids were solicited on or after June 6, 2001.
- b. "Steel Products" means products rolled, formed, shaped, drawn, extruded, forged, cast, fabricated or otherwise similarly processed, or processed by a combination of two or more or such operations, from steel made by the open heath, basic oxygen, electric furnace, Bessemer or other steel making process. The Purchasing Division Director may, in writing, authorize the use of foreign steel products if:
- c. The cost for each contract item used does not exceed one tenth of one percent (.1%) of the total contract cost or two thousand five hundred dollars (\$2,500.00), whichever is greater.

For the purposes of this section, the cost is the value of the steel product as delivered to the project; or

- d. The Director of the Purchasing Division determines that specified steel materials are not produced in the United States in sufficient quantity or otherwise are not reasonably available to meet contract requirements.

**43. PREFERENCE FOR USE OF DOMESTIC ALUMINUM, GLASS, AND STEEL:** In Accordance with W. Va. Code § 5-19-1 et seq., and W. Va. CSR § 148-10-1 et seq., for every contract or subcontract, subject to the limitations contained herein, for the construction, reconstruction, alteration, repair, improvement or maintenance of public works or for the purchase of any item of machinery or equipment to be used at sites of public works, only domestic aluminum, glass or steel products shall be supplied unless the spending officer determines, in writing, after the receipt of offers or bids, (1) that the cost of domestic aluminum, glass or steel products is unreasonable or inconsistent with the public interest of the State of West Virginia, (2) that domestic aluminum, glass or steel products are not produced in sufficient quantities to meet the contract requirements, or (3) the available domestic aluminum, glass, or steel do not meet the contract specifications. This provision only applies to public works contracts awarded in an amount more than fifty thousand dollars (\$50,000) or public works contracts that require more than ten thousand pounds of steel products.

The cost of domestic aluminum, glass, or steel products may be unreasonable if the cost is more than twenty percent (20%) of the bid or offered price for foreign made aluminum, glass, or steel products. If the domestic aluminum, glass or steel products to be supplied or produced in a "substantial labor surplus area", as defined by the United States Department of Labor, the cost of domestic aluminum, glass, or steel products may be unreasonable if the cost is more than thirty percent (30%) of the bid or offered price for foreign made aluminum, glass, or steel products.

This preference shall be applied to an item of machinery or equipment, as indicated above, when the item is a single unit of equipment or machinery manufactured primarily of aluminum, glass or steel, is part of a public works contract and has the sole purpose or of being a permanent part of a single public works project. This provision does not apply to equipment or machinery purchased by a spending unit for use by that spending unit and not as part of a single public works project.

All bids and offers including domestic aluminum, glass or steel products that exceed bid or offer prices including foreign aluminum, glass or steel products after application of the preferences provided in this provision may be reduced to a price equal to or lower than the lowest bid or offer price for foreign aluminum, glass or steel products plus the applicable preference. If the reduced bid or offer prices are made in writing and supersede the prior bid or offer prices, all bids or offers, including the reduced bid or offer prices, will be reevaluated in accordance with this rule.

2. (a) The 2015-2016 Legislative Manual shall contain a maximum of 3 color photographs to be selected by the Clerk of the House, not to exceed 3" x 6". All remaining photographs within the 2015-2016 Manual will be halftones.

3. The 2015-2016 Legislative Manual will be printed on web press paper and the several type sizes and faces used in the various parts of the book shall be the same as those used in the printing of like parts of the 2013-2014 Legislative Manual, which is hereby incorporated into this contract, by reference, and copies of which are on file in the office of the Clerk of the House of Delegates, Capitol Complex, Charleston: *Provided*, That with the written approval of the Clerk of the House, type sizes and faces and paper of a weight and finish different from those used in the 2013-2014 Legislative Manual may be used by the Printer.

4. The outline and arrangement of the 2015-2016 Legislative Manual will be substantially similar to the 2013-2014 edition, which is hereby incorporated into this contract, by reference, and copies of which are on file in the office of the Clerk of the House, Capitol Complex, Charleston: *Provided*, That some of the material and the number of halftone photographs selected by the Clerk of the House for inclusion in the 2015-2016 Legislative Manual will differ from that contained in the 2013-2014 edition. It is hereby estimated that the number of printed pages in the 2015-2016 Legislative Manual will total approximately between 500 and 550 pages: *Provided, however*, That if the number of final printed pages is substantially either greater or less than the estimate contained in this paragraph, a proportionate adjustment upward or downward, as the case may be, in the contract price herein set forth will be made.

5. The cases used for the 2015-2016 Legislative Manual will be equal to or better in quality, construction and design and, at the direction of the Clerk of the House will be the same in the color and appearance as those used for the 2013-2014 Legislative Manual and will bear the same inscription and design format on the outside of the book, except for necessary changes in dates and names.

6. The quality of the printing, including, without limitation, the reproduction of all photographs contained in the 2015-2016 Legislative Manual, shall be equal to or better than the quality of all such printing contained in the 2013-2014 edition.

7. In all respects for which no particular provision is made herein, including, without limitation, the typesetting, printing, binding, packaging and wrapping of the 2015-2016 Legislative Manual, the workmanship and/or materials used shall be equal to or better than the 2013-2014 edition.

8. Under the exercise together of the provisions of this contract for the 2015-2016 Legislative Manual, the Clerk of the House of Delegates will pay the Printer the total price of: \$ 36,240.<sup>00</sup> for the proper and timely performance by the Printer of its obligations hereunder, to be paid in one installment.

9. The Clerk of the House will furnish the Printer copy material for use in the typesetting and production of the 2015-2016 Legislative Manual, including photographs, etc., from time to time in amounts as nearly equal as the Clerk of the House is able to provide by the exercise of reasonable diligence in the assembling of the data included in and the preparation of such copy material. Unless the Clerk of the House and the Printer shall agree otherwise, the Printer will prepare a proof of said materials and present the same to the Clerk of the House, who will correct and return the same with reasonable promptness and, after such corrected proof is returned to him, the Printer will make the corrections indicated thereon by the Clerk of the House and then resubmit the original proof, and, also, a corrected proof for the Clerk of the House's comparison, and, if correct, his final approval. The Printer agrees to provide adequate facilities and services and both parties agree to perform their obligations hereunder with reasonable diligence and promptness so as to facilitate the publication and delivery of said Legislative Manual in the quantities and at the times herein provided. The Printer shall present all original and corrected proofs by personal delivery and not by facsimile. The Printer shall bear all costs of the presentation and return of original and corrected proofs between the Printer and the Clerk of the House.

10. The Printer shall at its expense deliver the quantities of the 2015-2016 Legislative Manual referred to in subparagraphs (b), (c) and (d) of paragraph (1) of this section to the offices of the Clerk of the House at 1900 Kanawha Boulevard, East, Charleston, West Virginia. The Printer shall then at its expense provide delivery of copies from the warehouse to the office of the Clerk of the House in such amounts and at such times as requested by said Clerk. In order to ensure proper and timely deliveries of copies of the 2015-2016 Legislative Manual, the Printer shall give a performance bond payable to the State of West Virginia, in a form satisfactory to said Clerk, executed by a surety company qualified to do business in this state and in the penal sum, as determined by said Clerk, in an amount not less than the total moneys paid the Printer under the terms of this contract. The bond shall be conditioned on the Printer performing all the requirements of this agreement including final delivery of all 2015-2016 Legislative Manuals to the office of said Clerk. Upon completion by the Printer of all its obligations under the agreement, said Clerk shall release the bond. If the Printer fails to complete all of its obligations under this agreement, said Printer shall forfeit the bond.

11. By the submission of its bid hereon and the acceptance by it of the awarding of this contract, the Printer agrees as follows:

(a) All operations in the production of the 2015-2016 Legislative Manual must be well done, in a first-class manner. If the job falls below the requirements of first-class work, the Clerk of the House need not accept the same and the Printer will be required to do the job again at its own expense.

(b) The printing of the 2015-2016 Legislative Manual shall be free from typographical errors, and high-quality ink shall be used throughout.

(c) The Printer must have the capacity to meet the requirements of the printing of the 2015-2016 Legislative Manual.

(d) The Legislative Manual of the House and Senate, and all information contained therein, is the intellectual property of the House of Delegates. At the conclusion of all editorial work by the Clerk and the Printer, the contents of the Manual, including the index and all photos, are to be returned to the Clerk of the House in PDF format, either electronically transmitted back to the Clerk, or recorded on a CD and returned to the Clerk in that format.
