PURCHASING AFFIDAVIT

MANDATE: Under W. Va. Code §5A-3-10a, no contract or renewal of any contract may be awarded by the state or any of its political subdivisions to any vendor or prospective vendor when the vendor or prospective vendor or a related party to the vendor or prospective vendor is a debtor and: (1) the debt owed is an amount greater than one thousand dollars in the aggregate; or (2) the debtor is in employer default.

EXCEPTION: The prohibition listed above does not apply where a vendor has contested any tax administered pursuant to chapter eleven of the W. Va. Code, workers' compensation premium, permit fee or environmental fee or assessment and the matter has not become final or where the vendor has entered into a payment plan or agreement and the vendor is not in default of any of the provisions of such plan or agreement.

DEFINITIONS:

"Debt" means any assessment, premium, penalty, fine, tax or other amount of money owed to the state or any of its political subdivisions because of a judgment, fine, permit violation, license assessment, defaulted workers' compensation premium, penalty or other assessment presently delinquent or due and required to be paid to the state or any of its political subdivisions, including any interest or additional penalties accrued thereon.

"Employer default" means having an outstanding balance or liability to the old fund or to the uninsured employers' fund or being in policy default, as defined in W. Va. Code § 23-2c-2, failure to maintain mandatory workers' compensation coverage, or failure to fully meet its obligations as a workers' compensation self-insured employer. An employer is not in employer default if it has entered into a repayment agreement with the Insurance Commissioner and remains in compliance with the obligations under the repayment agreement.

"Related party" means a party, whether an individual, corporation, partnership, association, limited liability company or any other form or business association or other entity whatsoever, related to any vendor by blood, marriage, ownership or contract through which the party has a relationship of ownership or other interest with the vendor so that the party will actually or by effect receive or control a portion of the benefit, profit or other consideration from performance of a vendor contract with the party receiving an amount that meets or exceeds five percent of the total contract amount.

AFFIRMATION: By signing this form, the vendor's authorized signer affirms and acknowledges under penalty of law for false swearing (W. Va. Code §61-5-3) that neither vendor nor any related party owe a debt as defined above and that neither vendor nor any related party are in employer default as defined above, unless the debt or employer default is permitted under the exception above.

TRONEX COMPANY CAPABILITIES PRESENTATION

PREPARED BY: TRONEX HEALTHCARE INDUSTRIES

September 9, 2014

Executive Summary

For 21 years, Tronex Healthcare Industries, Inc. has been dedicated to branding itself as the leading provider of quality cross-contamination control and infection prevention solutions. We focus on effectively combining our highly valued strengths of service excellence and meticulous attention to operations, with a product strategy that leverages our expertise in quality assurance and new product development.

Starting in the healthcare industry, our business has migrated into Food and the General Services sector. Tronex affirms its commitment to the highest quality and safety standards, environmental safety and innovation. As such, our products are manufactured in ISO 9001, ISO 13485 and FDA certified factories.

Kindly allow us to summarize our overall capabilities and abilities below, along with detail and supporting documentation throughout this presentation:

1. Company Overview

Tronex Healthcare Industries is a division of Tronex International, Inc. We are a privately held company incorporated in 1989 in the state of New Jersey. Tronex is a 100% Asian American owned minority corporation certified by the state of New Jersey and the National Minority Supplier Development Council (NMSDC). The corporate offices of Tronex are located in Parsippany, New Jersey, USA.

2. Financial

Tronex's international business partners with strengths in manufacturing and finance have always been an integral part of our business foundation and growth. Along with our ability for growth, these partnerships, such as with DesignCase - our founding partner - (which is owned by one of the wealthiest entrepreneurs in Asia), have allowed us to focus on delivery of quality products, marketing and service excellence in an efficient and cost effective manner. As a privately held corporation, Tronex's financial data is not publicly disclosed.
