VENDOR CERTIFICATIONS:** By signing its bid or entering into this Contract, Vendor certifies (1) that its bid or offer was made without prior understanding, agreement, or connection with any corporation, firm, limited liability company, partnership, person or entity submitting a bid or offer for the same material, supplies, equipment or services; (2) that its bid or offer is in all respects fair and without collusion or fraud; (3) that this Contract is accepted or entered into without any prior understanding, agreement, or connection to any other entity that could be considered a violation of law; and (4) that it has reviewed this Solicitation in its entirety; understands the requirements, terms and conditions, and other information contained herein.

Vendor's signature on its bid or offer also affirms that neither it nor its representatives have any interest, nor shall acquire any interest, direct or indirect, which would compromise the performance of its services hereunder. Any such interests shall be promptly presented in detail to the Agency. The individual signing this bid or offer on behalf of Vendor certifies that he or she is authorized by the Vendor to execute this bid or offer or any documents related thereto on Vendor's behalf; that he or she is authorized to bind the Vendor in a contractual relationship; and that, to the best of his or her knowledge, the Vendor has properly registered with any State agency that may require registration.

**34. PURCHASING CARD ACCEPTANCE:** The State of West Virginia currently utilizes a Purchasing Card program, administered under contract by a banking institution, to process payment for goods and services. The Vendor must accept the State of West Virginia's Purchasing Card for payment of all orders under this Contract unless the box below is checked.

Vendor is not required to accept the State of West Virginia's Purchasing Card as payment for all goods and services.

**35. VENDOR RELATIONSHIP:** The relationship of the Vendor to the State shall be that of an independent contractor and no principal-agent relationship or employer-employee relationship is contemplated or created by this Contract. The Vendor as an independent contractor is solely liable for the acts and omissions of its employees and agents. Vendor shall be responsible for selecting, supervising, and compensating any and all individuals employed pursuant to the terms of this Solicitation and resulting contract. Neither the Vendor, nor any employees or subcontractors of the Vendor, shall be deemed to be employees of the State for any purpose whatsoever. Vendor shall be exclusively responsible for payment of employees and contractors for all wages and salaries, taxes, withholding payments, penalties, fees, fringe benefits, professional liability insurance premiums, contributions to insurance and pension, or other deferred compensation plans, including but not limited to, Workers' Compensation and Social Security obligations, licensing fees, etc. and the filing of all necessary documents, forms, and returns pertinent to all of the foregoing.

Vendor shall hold harmless the State, and shall provide the State and Agency with a defense against any and all claims including, but not limited to, the foregoing payments, withholdings, contributions, taxes, Social Security taxes, and employer income tax returns.

**36. INDEMNIFICATION:** The Vendor agrees to indemnify, defend, and hold harmless the State and the Agency, their officers, and employees from and against: (1) Any claims or losses for services rendered by any subcontractor, person, or firm performing or supplying services, materials, or supplies in connection with the performance of the Contract; (2) Any claims or losses resulting to any person or entity injured or damaged by the Vendor, its officers, employees, or subcontractors by the publication, translation, reproduction, delivery, performance, use, or disposition of any data used under the Contract in a manner not authorized by the Contract, or by Federal or State statutes or regulations; and (3) Any failure of the Vendor, its officers, employees, or subcontractors to observe State and Federal laws including, but not limited to, labor and wage and hour laws.

**37. PURCHASING AFFIDAVIT:** In accordance with West Virginia Code § 5A-3-10a, all Vendors are required to sign, notarize, and submit the Purchasing Affidavit stating that neither the Vendor nor a related party owe a debt to the State in excess of \$1,000. The affidavit must be submitted prior to award, but should be submitted with the Vendor's bid. A copy of the Purchasing Affidavit is included herewith.

**38. ADDITIONAL AGENCY AND LOCAL GOVERNMENT USE:** This Contract may be utilized by other agencies, spending units, and political subdivisions of the State of West Virginia; county, municipal, and other local government bodies; and school districts ("Other Government Entities"). Any extension of this Contract to the aforementioned Other Government Entities must be on the same prices, terms, and conditions as those offered and agreed to in this Contract, provided that such extension is in compliance with the applicable laws, rules, and ordinances of the Other Government Entity. If the Vendor does not wish to extend the prices, terms, and conditions of its bid and subsequent contract to the Other Government Entities, the Vendor must clearly indicate such refusal in its bid. A refusal to extend this Contract to the Other Government Entities shall not impact or influence the award of this Contract in any manner.

**39. CONFLICT OF INTEREST:** Vendor, its officers or members or employees, shall not presently have or acquire an interest, direct or indirect, which would conflict with or compromise the performance of its obligations hereunder. Vendor shall periodically inquire of its officers, members and employees to ensure that a conflict of interest does not arise. Any conflict of interest discovered shall be promptly presented in detail to the Agency.

**40. REPORTS:** Vendor shall provide the Agency and/or the Purchasing Division with the following reports identified by a checked box below:

Such reports as the Agency and/or the Purchasing Division may request. Requested reports may include, but are not limited to, quantities purchased, agencies utilizing the contract, total contract expenditures by agency, etc.

Quarterly reports detailing the total quantity of purchases in units and dollars, along with a listing of purchases by agency. Quarterly reports should be delivered to the Purchasing Division via email at [purchasing.requisitions@wv.gov](mailto:purchasing.requisitions@wv.gov).

**41. BACKGROUND CHECK:** In accordance with W. Va. Code § 15-2D-3, the Director of the Division of Protective Services shall require any service provider whose employees are regularly employed on the grounds or in the buildings of the Capitol complex or who have access to sensitive or critical information to submit to a fingerprint-based state and federal background inquiry through the state repository. The service provider is responsible for any costs associated with the fingerprint-based state and federal background inquiry.

After the contract for such services has been approved, but before any such employees are permitted to be on the grounds or in the buildings of the Capitol complex or have access to sensitive or critical information, the service provider shall submit a list of all persons who will be physically present and working at the Capitol complex to the Director of the Division of Protective Services for purposes of verifying compliance with this provision. The State reserves the right to prohibit a service provider's employees from accessing sensitive or critical information or to be present at the Capitol complex based upon results addressed from a criminal background check.

Service providers should contact the West Virginia Division of Protective Services by phone at (304) 558-9911 for more information.

**42. PREFERENCE FOR USE OF DOMESTIC STEEL PRODUCTS:** Except when authorized by the Director of the Purchasing Division pursuant to W. Va. Code § 5A-3-56, no contractor may use or supply steel products for a State Contract Project other than those steel products made in the United States. A contractor who uses steel products in violation of this section may be subject to civil penalties pursuant to W. Va. Code § 5A-3-56. As used in this section:

- a. "State Contract Project" means any erection or construction of, or any addition to, alteration of or other improvement to any building or structure, including, but not limited to, roads or highways, or the installation of any heating or cooling or ventilating plants or other equipment, or the supply of and materials for such projects, pursuant to a contract with the State of West Virginia for which bids were solicited on or after June 6, 2001.
- b. "Steel Products" means products rolled, formed, shaped, drawn, extruded, forged, cast, fabricated or otherwise similarly processed, or processed by a combination of two or more or such operations, from steel made by the open heath, basic oxygen, electric furnace, Bessemer or other steel making process. The Purchasing Division Director may, in writing, authorize the use of foreign steel products if:
- c. The cost for each contract item used does not exceed one tenth of one percent (.1%) of the total contract cost or two thousand five hundred dollars (\$2,500.00), whichever is greater. For the purposes of this section, the cost is the value of the steel product as delivered to the project; or
- d. The Director of the Purchasing Division determines that specified steel materials are not produced in the United States in sufficient quantity or otherwise are not reasonably available to meet contract requirements.

**43. PREFERENCE FOR USE OF DOMESTIC ALUMINUM, GLASS, AND STEEL:** In Accordance with W. Va. Code § 5-19-1 et seq., and W. Va. CSR § 148-10-1 et seq., for every contract or subcontract, subject to the limitations contained herein, for the construction, reconstruction, alteration, repair, improvement or maintenance of public works or for the purchase of any item of machinery or equipment to be used at sites of public works, only domestic aluminum, glass or steel products shall be supplied unless the spending officer determines, in writing, after the receipt of offers or bids, (1) that the cost of domestic aluminum, glass or steel products is unreasonable or inconsistent with the public interest of the State of West Virginia, (2) that domestic aluminum, glass or steel products are not produced in sufficient quantities to meet the contract requirements, or (3) the available domestic aluminum, glass, or steel do not meet the contract specifications. This provision only applies to public works contracts awarded in an amount more than fifty thousand dollars (\$50,000) or public works contracts that require more than ten thousand pounds of steel products.

The cost of domestic aluminum, glass, or steel products may be unreasonable if the cost is more than twenty percent (20%) of the bid or offered price for foreign made aluminum, glass, or steel products. If the domestic aluminum, glass or steel products to be supplied or produced in a "substantial labor surplus area", as defined by the United States Department of Labor, the cost of domestic aluminum, glass, or steel products may be unreasonable if the cost is more than thirty percent (30%) of the bid or offered price for foreign made aluminum, glass, or steel products. This preference shall be applied to an item of machinery or equipment, as indicated above, when the item is a single unit of equipment or machinery manufactured primarily of aluminum, glass or steel, is part of a public works contract and has the sole purpose or of being a permanent part of a single public works project. This provision does not apply to equipment or machinery purchased by a spending unit for use by that spending unit and not as part of a single public works project.

All bids and offers including domestic aluminum, glass or steel products that exceed bid or offer prices including foreign aluminum, glass or steel products after application of the preferences provided in this provision may be reduced to a price equal to or lower than the lowest bid or offer price for foreign aluminum, glass or steel products plus the applicable preference. If the reduced bid or offer prices are made in writing and supersede the prior bid or offer prices, all bids or offers, including the reduced bid or offer prices, will be reevaluated in accordance with this rule.

## Questions and Responses

1. **Question:** Can we call UPS at our expense and pick up a sample of each bag currently used?

1. **Response:** No, samples are not available and past products are not relevant to this solicitation.

2. **Question:** Regarding the garbage bags, can you provide us with the following information: what thickness, case count (liners per case) and case weight (lbs. per case) was purchased for each of these bags?

2. **Response:** lbs. per case is not available. Thickness and case count for 2015 are listed at the bottom of this attachment.

3. **Question:** Can you confirm how many locations would be expecting delivery?

3. **Response:** No, this solicitation is for a statewide contract to be used by any state agency desiring to purchase trash can liners. It is not possible to determine all the available locations that may utilize this contract.

4. **Question:** Is there a loading dock and pallet jack at the location(s) to assist with unloading?

4. **Response:** Unable to determine. Refer to question 3 response.

5. **Question:** Will this be awarded by line item, a whole or by section?

5. **Response:** The contract will be awarded "in whole" to the lowest responsible bidder meeting all the mandatory specifications of the solicitation.

6. **Question:** how many delivery locations actually utilize this contract?

6. **Response:** Unable to determine, please see response to question 3 above.

7. **Question:** About how often are orders placed (monthly, quarterly, or other)?

7. **Response:** Orders will be randomly placed "as needed" by the agencies.

8. **Response:** Order amounts will vary depending upon need.

10. **Question:** It looks like there is no order minimums? Could you please confirm typical order quantities and number of delivery locations?

10. **Response:** unable to determine typical order quantities or number of delivery locations as this solicitation is for a statewide contract to be used by any agency desiring to purchase trash can liners. It is not possible to list all the available locations that may utilize this contract.

## Questions and Responses

**11. Question:** Are there tabulations for the previous bid cycle? Or is that the same as the current numbers shown in the "previous orders" tab on WVOasis?

**11. Response:** Contract documentation for any previous solicitation may be obtained by official request under the Freedom of Information Act (FOIA). Please refer to the previous vendor 2015 usage report at the end of this letter for the most recent orders.

**12. Question:** The prior bid for trash can liners required the Bidder's manufacturer to complete a *Manufacturer's Certification*. This document assured the State the manufacturer was aware of the technical requirements and certified the product(s) produced by the manufacturer would meet or exceed the States printed technical specifications. This assured the State they would receive compliant product. We recommend the inclusion of this document in this bid.

From bid CANLINE11A:

**Successful bidder shall have a manufacturer's certification that the products bid meet all specifications as detailed on the attached sheets. This certification should be submitted with each bid; it shall be required prior to award of any contract.**

**12. Response:** This will not be included with this solicitation. Section 3.2.5 permits the State of WV to perform periodic testing at will to assure product compliance.

**13. Question:** Section 6, *Delivery and Return*, paragraph 6.1, *Delivery Time*, concludes with the sentence 'Vendor shall ship all orders in accordance with the above schedule and shall not hold orders until a minimum delivery quantity is met.' The prior contract, CANLINE11A required a minimum order of \$300.00 for FOB destination delivery. The current bid does not state a minimum order requirement. We recommend the inclusion of a minimum order of at least \$300.00.

**13. Response:** Although CANLINE11A has no bearing upon this solicitation, after further consideration section 6.1 has been deleted in its entirety and is replaced by the following:

**6.1 Delivery Time:** Vendor shall deliver standard orders within 10 working days after orders are received. Vendor shall deliver emergency orders within 5 working day(s) after orders are received. Vendor shall ship all orders in accordance with the above schedule and shall not hold orders until a minimum delivery quantity is met.

All orders from this contract totaling \$200.00 or more shall be delivered FOB Destination: (Vendor shall pay all shipping chargers).

All orders less than \$200.00 shall be delivered FOB: Shipping Point.  
Any transportation charges shall be itemized as a separate charge. Vendor must include

## Questions and Responses

the invoice from shipper with their invoice to verify actual shipping cost. The agency will only pay the actual shipping cost.

Agencies may make small purchases (under the \$200.00) from a local source if pricing includes delivery and a savings results. Note: Agencies are not permitted to string orders to circumvent purchasing policy.

**14. Question:** Historically the State required item samples to determine if submitted bids met the item specifications as part of evaluating responses. This was a requirement for Bid CANLINE11A and determined to be a valuable tool in determining the intend to Award. We recommend adding this term as a requirement for this bid.

**14. Response:** Samples are not required for this solicitation and will not be accepted.

**15. Question:** With this submission of the above mentioned bid, are samples required? I don't see anything listed in the bid documents, but I want to confirm?

**15. Response:** No, please refer to response 14.
