

**LIST OF PROPOSED SUBCONTRACTORS EQUIPMENT/MATERIAL SUPPLIERS**

(This form shall be faxed to the Architect within twenty-four (24) hours of the close of bids)

List below each major branch of work and major equipment/material category for this proposal and the subcontractor or supplier proposed for that portion of work, also provide the contractor's license number for each subcontractor as required by the "West Virginia Contractor Licensing Act." If the branch of work is to be completed solely by an equipment/material supplier, indicate by notation below in the contractor license number column. The bidder may be requested to change an unsatisfactory subcontractor or equipment/material supplier. The contractor is responsible for selecting or changing subcontractor or equipment/material supplier. The Owner or Architect/Engineer may indicate their concerns about any entity listed that they have reason to believe past experience indicates poor performance may be expected. Contractors, Subcontractors and equipment/material suppliers that are on any state agency Probationary Status are prohibited from bidding any project for a period of one year. It is the responsibility of any contractor soliciting bids or quotes from subcontractors to verify the eligibility of all proposed subcontractors and equipment/material suppliers being proposed to perform the work. The Contractor has full responsibility for satisfactory execution of all work in accordance with the contract documents. Any change of proposed subcontractors or material suppliers shall be at no additional cost to the Owner, as the Contractor has full responsibility of the work.
