SOLICITATION NUMBER: CRFQ – DOT1600000013
Addendum Number: 2

The purpose of this addendum is to modify the solicitation identified as CRFQ DOT1600000013 ("Solicitation") to reflect the change(s) identified and described below.

Applicable Addendum Category:

- Modify bid opening date and time
- Modify specifications of product or service being sought
- Attachment of vendor questions and responses
- Attachment of pre-bid sign-in sheet
- Correction of error
- Other

Description of Modification to Solicitation:

1. Responses to vendor questions attached
2. Pre-Bid sign-in sheet attached.
3. The bid opening has moved from 09/17/2015 to 09/22/2015.

Additional Documentation: Documentation related to this Addendum (if any) has been included herewith as Attachment A and is specifically incorporated herein by reference.

Terms and Conditions:

1. All provisions of the Solicitation and other addenda not modified herein shall remain in full force and effect.
2. Vendor should acknowledge receipt of all addenda issued for this Solicitation by completing an Addendum Acknowledgment, a copy of which is included herewith. Failure to acknowledge addenda may result in bid disqualification. The addendum acknowledgement should be submitted with the bid to expedite document processing.

**ADDENDUM No. 2
CRFQ0803 DOT1600000013
CLASS136 ZERO TURN MOWER**

Questions

The original language in contract will be listed first with question and answer to follow below.

1. Question # 1: The State may want to consider adding a requirement for a mulching plate block to prevent discharge damage to passing motorists.

Answer: We will add this to contract, it will read: 3.1.3.8 Unit shall be equipped with mulching discharge ability for safety purposes.

2. 3.1.5.1 Speed range shall be: Forward 10 MPH maximum reverse 5 MPH maximum

Question: Can you make this to read minimum?

Answer: Yes, this will now read: 3.1.5.1 Speed range shall be: Forward 10 MPH minimum Reverse 5 MPH minimum

3. 3.1.6.3 Cutting width shall be minimum 61".

Question: can this be changed to read 60"?

Answer: Yes, we will revise to read: 3.1.6.3 Cutting width shall be minimum 60".

4. We need to revise 8.5, last paragraph Prior to delivery of the pilot unit. Training seminar to be held at the WVDOT, Equipment Division, and Buckhannon, WV.

This will now read: Within 7 days of delivery a training seminar shall be held at the WVDOT Equipment Division, Buckhannon, WV.

5. Question: Delivery of IS units at one time would be less expensive for the state than 1 or 2 units delivered at various points in time because of labor, truck, fuel etc. if possible. A larger purchase at one time instead of over time would at least for me as 1 bidder allow me to tighten margins even further.

Answer: Units shall be ordered as required. Please refer to section 6.3 in solicitation
6.3 Delivery Payment/Risk of Loss

6. Question: We do not stamp the date of manufacture on our equipment but, the serial number decodes this. Is this acceptable?

Answer: Yes

7. Question: The referenced Scag Turf Tiger STT61V-2SKBD uses a shaft-driven deck however; most of the industry utilizes a v-belt to drive the deck. Is a belt driven deck acceptable?

Answer: No

8. Question: As an out-of-state corporation, would it be mandatory to register with the Secretary of State if awarded?

Answer: Please refer to Section 31 Licensing in the General Terms and Conditions.

Other Information:

1. Pre-bid sign in sheets attached
2. Move bid opening from September 17, 2015 to September 22, 2015.
