Letter of Transmittal

Date: November 25, 2016

Ms. Stephanie L Gale

Bara Infoware, Inc. (Bara) is pleased to submit a proposal for CRFQ 0210 ISC1700000010 - Technical Staffing Services.

Established in 1998, Bara is a Small Business certified Company. Bara's firm belief in professionalism, reliability and commitment has enabled it to create successful and long lasting relationships with client and consultants. Bara has been successful in delivering quality professional services with unmatched efficiency and great flexibility as a result of its deep understanding of Information Technology Services.

The attached response addresses all requirements identified in the current solicitation. Bara acknowledges and agrees to all the rights of the client, including rules and procedures, terms and conditions mentioned in this RFP.

Selina Singh is the authorized signatory and is competent to commit Bara Infoware to the services and requirements as stated in this RFP.

We look forward to working with you to ensure successful completion of your initiatives.

Should you have any question regarding this proposal, please feel free to contact me.

Once again thank you for your time and consideration.

Sincerely

Selina Singh
Business Manager

1. Company's prior experience

Bara Infoware Inc. (Bara) launched its business in 1998 with focus on IT staffing and consulting. Through use of technology and focused client services, Bara has developed rapidly since inception, Major milestones are listed below.

- 60+ IT and Management professionals
- Revenue of \$56M since inception
- Current GSA IT Schedule 70 Contract
- SBA, SDB certified

Bara has extensive experience in providing IT staffing and technical recruitment services to various Federal/ State & Local Government agencies and Commercial clients. Bara consultants with over 1000 man years of experience have provided over 100 man years of services in Information Technology staff augmentation/ application development since 1998. Bara has an aggressive recruitment capability, ensuring our ability to quickly meet any contingencies and/or surge requirements.

Bara's infrastructure is backed by a highly dedicated and result oriented professionals. With more than 50 highly skilled professionals, Bara provides full spectrum of technology services ranging from business and IT consulting, for managing IT projects. Bara ensures its commitment to satisfy all client requests by following these principles:

- Understanding the client's needs
- Verifying that staffing services meet client requirements
- Making provisions of quality assessment & training for accepting market challenges
- Monitoring, benchmarking and continuously improvising its business products and services, organization and employees' performance

Bara has a blend of technical and managerial resources with niche skills available to provide the client with high quality solutions from time to time. Bara's technical manpower has the experience of working on a variety of projects of varying degree of complexity and is constantly trained to maintain excellence.

Bara is strongly positioned to service the staffing requirements under this contract from its Danville (CA) office, backed with Bara's in-house team of available highly skilled consultants nationwide coupled with local candidates and independent consultants. **Bara has been providing similar services as requested in this RFP for the last 17 years.** Bara is headquartered in California with offices in Florida, Washington and Maryland states.

Bara's Liaison Executives are backed by a team of highly skilled IT consultants and Talent Operation Specialists (TOS), which enables Bara's capacity to place highly qualified consultants with niche skills in short turnaround time.

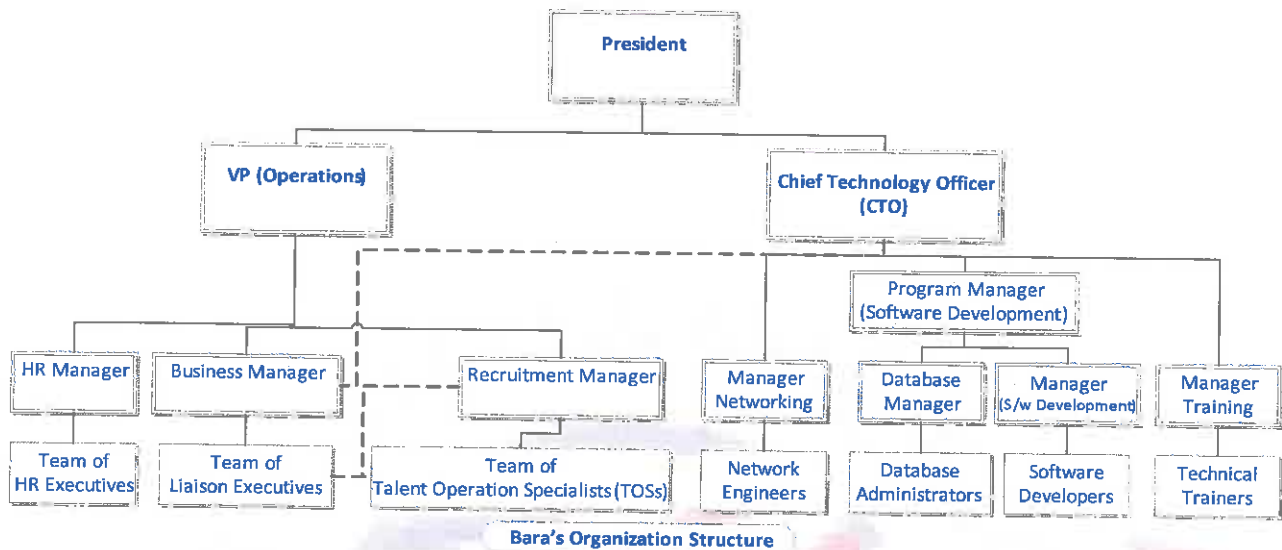

Bara possesses a state-of-the-art Talent Management capability that is the cornerstone of our ability to deliver appropriate talent with speed, agility, and a high degree of efficiency. The core of this capability lies within our Talent Operations Center(s) (TOC). Bara maintains three (3) separate TOCs geographically located to offer support throughout the U.S. (depicted in Figure on the right), ensuring rapid mission solution support.

Primary National Centers

Bara's Talent Operation Centers are located to provide nationwide support.

Bara's Organization structure is depicted below:

Bara has a blend of technical and managerial resources with niche skills available to provide the client with high quality solutions from time to time. Bara's infrastructure is backed by a highly dedicated and result oriented professionals. With more than 50 highly skilled professionals, Bara provides full spectrum of technology services ranging from business and IT consulting, for managing IT projects. Bara ensures its commitment to satisfy all client requests by following these principles:

- Understanding the client's needs
- Verifying that staffing services meet client requirements
- Making provisions of quality assessment & training for accepting market challenges
- Monitoring, benchmarking and continuously improvising its business products and services, organization and employees' performance

Bara has a blend of technical and managerial resources with niche skills available to provide the client with high quality solutions from time to time. Bara's technical manpower has the experience of working on a variety of projects of varying degree of complexity and is constantly trained to maintain excellence. Bara has an aggressive recruiting capability, ensuring our ability to quickly meet any contingencies and/or surge requirements. Our internal candidate database houses more than 400,000 pre-screened candidate resumes and profiles, as illustrated in Figure on the right. Additionally, we have access to millions of additional candidates through subscriptions to all major internet resume databases. We actively explore other candidate resources, including print ads in newspapers and trade journals, job fairs, trade fairs, college fairs, college placement offices, alumni associations, website banner ads, professional user groups, trade associations and outplacement centers. We also have an extremely effective employee referral program. Due to the success of these programs, we are able to secure the most highly qualified candidates for customer's positions by tapping into the passive job seeker market.

Figure: Our Consultant database houses 400K+ resumes of known, vetted candidates.

Staffing Approach

Bara offers a unique capability to rapidly and effectively respond to planned or unforeseen "spikes" in client requirements. Recognizing that customer's business environment may necessitate rapid adjustment of plans; our Personnel Management system is fully capable of meeting both anticipated and unanticipated surges in requirements. A high-level overview of our Sourcing Approach is shown below in Figure3:

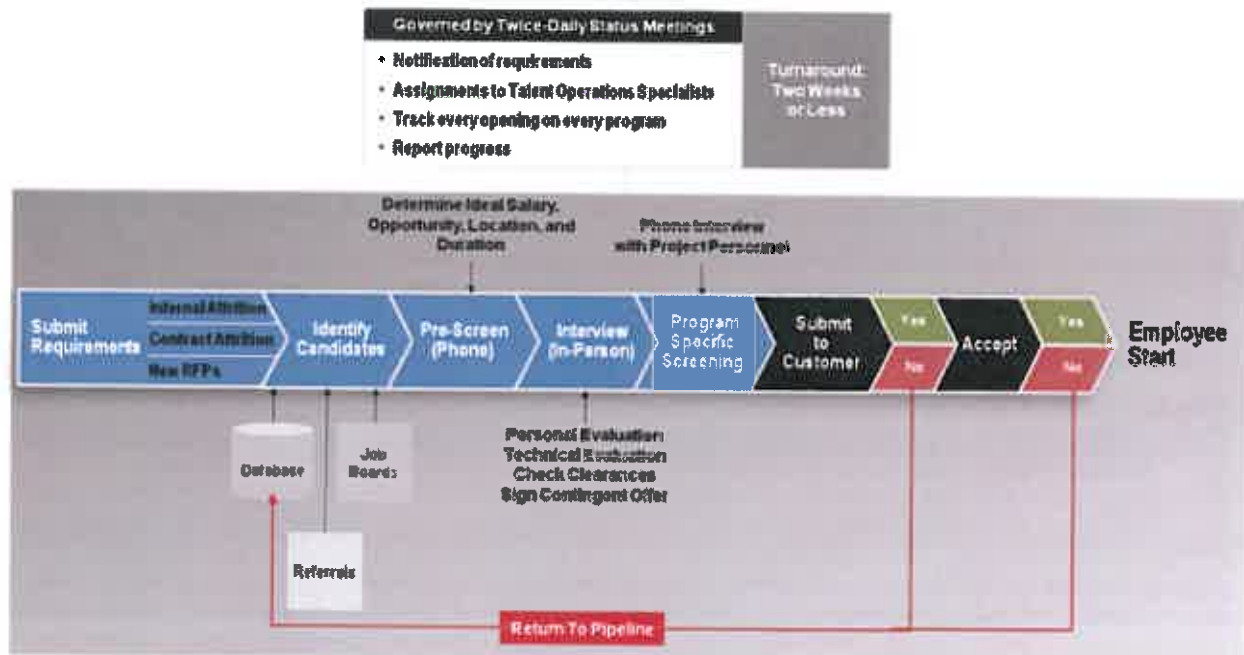

Figure 3 – Our Talent Operations process ensures an average turnaround of two weeks or less for candidate identification.

When evaluating potential employees, Bara closely screens candidates for their skill sets, communication abilities, education, accomplishments, and the candidate's interest in providing specific services as required by the client's program requirements, as well as their ability to work as team players. All this ensures that only the most highly qualified candidates, with verified records of accomplishment, will be proposed for placement on the program.

If resources are not available internally, we respond by hiring new staff, outside consultants, or adding additional subcontractors.

We continually make significant investments in our applicant tracking software, recruiting software, and other tools we use to our customers' benefit.

3. Vendor Preference Certificate

Rev. 04/14

State of West Virginia

VENDOR PREFERENCE CERTIFICATE

Certification and application* is hereby made for Preference in accordance with West Virginia Code, §5A-3-37. (Does not apply to construction contracts). West Virginia Code, §5A-3-37, provides an opportunity for qualifying vendors to request (at the time of bid) preference for their residency status. Such preference is an evaluation method only and will be applied only to the cost bid in accordance with the West Virginia Code. This certificate for application is to be used to request such preference. The Purchasing Division will make the determination of the Vendor Preference, if applicable.

1. Application is made for 2.5% vendor preference for the reason checked:
 Bidder is an individual resident vendor and has resided continuously in West Virginia for four (4) years immediately preceding the date of this certification; or,
 Bidder is a partnership, association or corporation resident vendor and has maintained its headquarters or principal place of business continuously in West Virginia for four (4) years immediately preceding the date of this certification; or 80% of the ownership interest of Bidder is held by another individual, partnership, association or corporation resident vendor who has maintained its headquarters or principal place of business continuously in West Virginia for four (4) years immediately preceding the date of this certification; or,
 Bidder is a nonresident vendor which has an affiliate or subsidiary which employs a minimum of one hundred state residents and which has maintained its headquarters or principal place of business within West Virginia continuously for the four (4) years immediately preceding the date of this certification; or,
2. Application is made for 2.5% vendor preference for the reason checked:
 Bidder is a resident vendor who certifies that, during the life of the contract, on average at least 75% of the employees working on the project being bid are residents of West Virginia who have resided in the state continuously for the two years immediately preceding submission of this bid; or,
3. Application is made for 2.5% vendor preference for the reason checked:
 Bidder is a nonresident vendor employing a minimum of one hundred state residents or is a nonresident vendor with an affiliate or subsidiary which maintains its headquarters or principal place of business within West Virginia employing a minimum of one hundred state residents who certifies that, during the life of the contract, on average at least 75% of the employees or Bidder's affiliate's or subsidiary's employees are residents of West Virginia who have resided in the state continuously for the two years immediately preceding submission of this bid; or,
4. Application is made for 5% vendor preference for the reason checked:
 Bidder meets either the requirement of both subdivisions (1) and (2) or subdivision (1) and (3) as stated above; or,
5. Application is made for 3.5% vendor preference who is a veteran for the reason checked:
 Bidder is an individual resident vendor who is a veteran of the United States armed forces, the reserves or the National Guard and has resided in West Virginia continuously for the four years immediately preceding the date on which the bid is submitted; or,
6. Application is made for 3.5% vendor preference who is a veteran for the reason checked:
 Bidder is a resident vendor who is a veteran of the United States armed forces, the reserves or the National Guard, if, for purposes of producing or distributing the commodities or completing the project which is the subject of the vendor's bid and continuously over the entire term of the project, on average at least seventy-five percent of the vendor's employees are residents of West Virginia who have resided in the state continuously for the two immediately preceding years.
7. Application is made for preference as a non-resident small, women- and minority-owned business, in accordance with West Virginia Code §5A-3-59 and West Virginia Code of State Rules.
 Bidder has been or expects to be approved prior to contract award by the Purchasing Division as a certified small, women- and minority-owned business.

Bidder understands if the Secretary of Revenue determines that a Bidder receiving preference has failed to continue to meet the requirements for such preference, the Secretary may order the Director of Purchasing to: (a) reject the bid; or (b) assess a penalty against such Bidder in an amount not to exceed 5% of the bid amount and that such penalty will be paid to the contracting agency or deducted from any unpaid balance on the contract or purchase order.

By submission of this certificate, Bidder agrees to disclose any reasonably requested information to the Purchasing Division and authorizes the Department of Revenue to disclose to the Director of Purchasing appropriate information verifying that Bidder has paid the required business taxes, provided that such information does not contain the amounts of taxes paid nor any other information deemed by the Tax Commissioner to be confidential.

Under penalty of law for false swearing (West Virginia Code, §61-5-3), Bidder hereby certifies that this certificate is true and accurate in all respects; and that if a contract is issued to Bidder and if anything contained within this certificate changes during the term of the contract, Bidder will notify the Purchasing Division in writing immediately.

Bidder: Selina Singh Signed: Selina Singh
 Date: November 25, 2016 Title: Business Manager

4. Purchasing Affidavit

RFQ No. 0210 ISC1700000010

STATE OF WEST VIRGINIA
Purchasing Division

PURCHASING AFFIDAVIT

MANDATE: Under W. Va. Code §5A-3-10a, no contract or renewal of any contract may be awarded by the state or any of its political subdivisions to any vendor or prospective vendor when the vendor or prospective vendor or a related party to the vendor or prospective vendor is a debtor and: (1) the debt owed is an amount greater than one thousand dollars in the aggregate; or (2) the debtor is in employer default.

EXCEPTION: The prohibition listed above does not apply where a vendor has corrected any tax administered pursuant to chapter eleven of the W. Va. Code, workers' compensation premium, permit fee or environmental fee or assessment and the matter has not become final or where the vendor has entered into a payment plan or agreement and the vendor is not in default of any of the provisions of such plan or agreement.

DEFINITIONS:

"Debt" means any assessment, premium, penalty, fine, tax or other amount of money owed to the state or any of its political subdivisions because of a judgment, fine, permit violation, license assessment, defaulted workers' compensation premium, penalty or other assessment, presently delinquent or due and required to be paid to the state or any of its political subdivisions, including any interest or additional penalties accrued thereon.

"Employer default" means having an outstanding balance or liability to the old fund or to the uninsured employers' fund or being in policy default, as defined in W. Va. Code § 23-2a-2, failure to maintain mandatory workers' compensation coverage, or failure to fully meet its obligations as a workers' compensation self-insured employer. An employer is not in employer default if it has entered into a repayment agreement with the Insurance Commissioner and remains in compliance with the obligations under the repayment agreement.

"Related party" means a party, whether an individual, corporation, partnership, association, limited liability company or any other form or business association or other entity whatsoever, related to any vendor by blood, marriage, ownership or contract through which the party has a relationship of ownership or other interest with the vendor so that the party will actually or by effect receive or control a portion of the benefit, profit or other consideration from performance of a vendor contract with the party receiving an amount that meets or exceeds five percent of the total contract amount.

AFFIRMATION: By signing this form, the vendor's authorized signer affirms and acknowledges under penalty of law for false swearing (W. Va. Code §81-5-3) that neither vendor nor any related party owe a debt as defined above and that neither vendor nor any related party are in employer default as defined above, unless the debt or employer default is permitted under the exception above.

Letter of Transmittal

Date: December 02nd, 2016

Ms. Stephanie L Gale

Bara Infoware, Inc. (Bara) has submitted a proposal for CRFQ 0210 ISC1700000010 - Technical Staffing Services on November 28th, 2016.

State of West Virginia issued an addendum #2 dated November 28th, 2016 for this RFQ. Bara acknowledges and agrees to all the rights of the client, including rules and procedures, terms and conditions and all addenda issued for this RFQ. Signed Acknowledgement Form of Addendum #2 is attached herewith for your ready reference please, which may kindly be considered along-with proposal already submitted by Bara for this RFQ. Bara hereby certifies that there is no change in the proposal already submitted for this RFQ.

Selina Singh is the authorized signatory and is competent to commit Bara Infoware to the services and requirements as stated in this RFQ.

We look forward to working with you to ensure successful completion of your initiatives.

Should you have any question regarding this proposal, please feel free to contact me.

Once again thank you for your time and consideration.

Sincerely

Selina Singh
Business Manager
