STATE OF WEST VIRGINIA
Purchasing Division

PURCHASING AFFIDAVIT

MANDATE: Under W. Va. Code §5A-3-10a, no contract or renewal of any contract may be awarded by the state or any of its political subdivisions to any vendor or prospective vendor when the vendor or prospective vendor or a related party to the vendor or prospective vendor is a debtor and: (1) the debt owed is an amount greater than one thousand dollars in the aggregate; or (2) the debtor is in employer default.

EXCEPTION: The prohibition listed above does not apply where a vendor has contested any tax administered pursuant to chapter eleven of the W. Va. Code, workers' compensation premium, permit fee or environmental fee or assessment and the matter has not become final or where the vendor has entered into a payment plan or agreement and the vendor is not in default of any of the provisions of such plan or agreement.

DEFINITIONS:

"Debt" means any assessment, premium, penalty, fine, tax or other amount of money owed to the state or any of its political subdivisions because of a judgment, fine, permit violation, license assessment, defaulted workers' compensation premium, penalty or other assessment presently delinquent or due and required to be paid to the state or any of its political subdivisions, including any interest or additional penalties accrued thereon.

"Employer default" means having an outstanding balance or liability to the old fund or to the uninsured employers' fund or being in policy default, as defined in W. Va. Code § 23-2c-2, failure to maintain mandatory workers' compensation coverage, or failure to fully meet its obligations as a workers' compensation self-insured employer. An employer is not in employer default if it has entered into a repayment agreement with the Insurance Commissioner and remains in compliance with the obligations under the repayment agreement.

"Related party" means a party, whether an individual, corporation, partnership, association, limited liability company or any other form or business association or other entity whatsoever, related to any vendor by blood, marriage, ownership or contract through which the party has a relationship of ownership or other interest with the vendor so that the party will actually or by effect receive or control a portion of the benefit, profit or other consideration from performance of a vendor contract with the party receiving an amount that meets or exceeds five percent of the total contract amount.

AFFIRMATION: By signing this form, the vendor's authorized signer affirms and acknowledges under penalty of law for false swearing (W. Va. Code §61-5-3) that neither vendor nor any related party owe a debt as defined above and that neither vendor nor any related party are in employer default as defined above, unless the debt or employer default is permitted under the exception above.

- d. The Director of the Purchasing Division determines that specified steel materials are not produced in the United States in sufficient quantity or otherwise are not reasonably available to meet contract requirements.

43. PREFERENCE FOR USE OF DOMESTIC ALUMINUM, GLASS, AND STEEL: In Accordance with W. Va. Code § 5-19-1 et seq., and W. Va. CSR § 148-10-1 et seq., for every contract or subcontract, subject to the limitations contained herein, for the construction, reconstruction, alteration, repair, improvement or maintenance of public works or for the purchase of any item of machinery or equipment to be used at sites of public works, only domestic aluminum, glass or steel products shall be supplied unless the spending officer determines, in writing, after the receipt of offers or bids, (1) that the cost of domestic aluminum, glass or steel products is unreasonable or inconsistent with the public interest of the State of West Virginia, (2) that domestic aluminum, glass or steel products are not produced in sufficient quantities to meet the contract requirements, or (3) the available domestic aluminum, glass, or steel do not meet the contract specifications. This provision only applies to public works contracts awarded in an amount more than fifty thousand dollars (\$50,000) or public works contracts that require more than ten thousand pounds of steel products.

The cost of domestic aluminum, glass, or steel products may be unreasonable if the cost is more than twenty percent (20%) of the bid or offered price for foreign made aluminum, glass, or steel products. If the domestic aluminum, glass or steel products to be supplied or produced in a "substantial labor surplus area", as defined by the United States Department of Labor, the cost of domestic aluminum, glass, or steel products may be unreasonable if the cost is more than thirty percent (30%) of the bid or offered price for foreign made aluminum, glass, or steel products. This preference shall be applied to an item of machinery or equipment, as indicated above, when the item is a single unit of equipment or machinery manufactured primarily of aluminum, glass or steel, is part of a public works contract and has the sole purpose or of being a permanent part of a single public works project. This provision does not apply to equipment or machinery purchased by a spending unit for use by that spending unit and not as part of a single public works project.

All bids and offers including domestic aluminum, glass or steel products that exceed bid or offer prices including foreign aluminum, glass or steel products after application of the preferences provided in this provision may be reduced to a price equal to or lower than the lowest bid or offer price for foreign aluminum, glass or steel products plus the applicable preference. If the reduced bid or offer prices are made in writing and supersede the prior bid or offer prices, all bids or offers, including the reduced bid or offer prices, will be reevaluated in accordance with this rule.

4.2 VENDOR RESPONSIBILITIES

- 4.2.1** Bidders must provide an hourly rate for each position they expect to submit qualifications for proposed candidates when the need arises. When presenting candidates for review by WVOT, Vendor shall provide the

REQUEST FOR QUOTATION
Information Technology Staffing Services

qualifications of proposed candidates who meet all requirements of the RFQ.

- 4.2.2** Successful vendors will provide staffing as requested by WVOT. Assignments will be for a specified period of time and quantity of hours as indicated on each delivery order. Consistent failure on the part of a successful vendor to fulfill requests from WVOT, or consistently being unresponsive to WVOT's requests for staffing services, may be grounds for cancellation of the vendor's entire contract.
- 4.2.3** Successful vendors must provide hourly rates that are inclusive of all costs including, but not limited to, federal, state and local withholding taxes, social security & Medicare taxes as well as all unemployment compensation, workers compensation, general and professional liability premiums. All overhead for the vendor and fringe for the candidate must be included in the successful vendor's hourly rates. All travel expenses must be included in the vendor's hourly rates.
- 4.2.4** Successful vendors shall provide WVOT with information on each staffing candidate, including applications. These must be sent to WVOT along with the listing of possible candidates to interview.
- 4.2.5** Successful vendors must provide (as requested) the legal documentation to support proof that their candidate is a U.S. citizen or eligible to work in the United States.
- 4.2.6** Successful vendors are prohibited from providing as a candidate any employee who was previously dismissed for disciplinary or performance reasons by any WVOT Facility or Office or failed to execute duties satisfactorily, whether as a full-time employee or as contract temporary staff.
- 4.2.7** Successful vendor having the first priority contract for any classification required by WVOT will be contacted first and will have 48 hours (2 business days) to acknowledge the initial contact request for staffing (in writing, by a means dictated by WVOT on the initial contact request, but likely by email or fax), and must inform WVOT if they are able or unable to fulfill the request. If unable to supply a candidate at the time, Vendor

REQUEST FOR QUOTATION
Information Technology Staffing Services

must provide a written waiver to WVOT within this same 48 hours (2 business days) timeframe. Failure to provide a written waiver will serve as a waiver as it pertains to WVOT's ability to proceed to contacting lower priority vendors. However, repeated failure to provide a written waiver may be grounds for cancellation of a vendor's entire contract (ie, all awarded classifications).

If able to supply candidate(s), Vendor must provide to WVOT a list of potential candidates for staffing needs within 2 weeks (10 business days) of the initial notification of need. Vendors must provide all documentation for every candidate who indicates they meet the requirements for the classification, including a qualifications document, template supplied by WVOT, and resumes. Vendors may send multiple resumes so WVOT may choose the most appropriate candidate.

Should a vendor not respond within allowed numbers of days from the original notice of WVOT need (eg, 2 days to confirm/waiver a request; 10 business days to provide a list of candidates), the vendor with the second priority contract for the classification will be contacted and given the opportunity to provide needed staffing. This second vendor will follow the same process as the first vendor; then the third vendor, and so on, until either a vendor successfully provides a staffing candidate, or all vendors qualifying for award of a contract for that classification are contacted. Should the vendor not respond within the allotted timeframe, or should the vendor fail to provide acceptable, qualified candidates, WVOT has the option to ask for additional candidates before moving on to the next vendor.

Once WVOT has notified the vendor that they will accept candidate(s) for the project, the vendor must provide WVOT with a signed quote which specifies the classification(s), the name of the candidate(s), the general name and description of WVOT project, the quantity of hours that will be supplied, and the start and end dates during which the candidate will be supplied, plus any additional, order-specific information that might apply. This quote must be provided within 48 hours (2 business days) of WVOT notification of accepting the candidate(s).

REQUEST FOR QUOTATION
Information Technology Staffing Services

The Vendor's provided candidate must consistently perform the contracted duties as outlined in these specifications or in the project-specific scope included within any Delivery Order. WVOT will notify the awarded vendor if a Vendor's employee fails to consistently perform the contracted duties. WVOT may, as part of this notification, request the Vendor replace the candidate; if so, the Vendor has 2 weeks (10 business days) from this notification to provide the qualifications for a replacement. If the vendor provided a candidate under false documentation, that will be grounds for cancellation of the Delivery Order.

- 4.2.8** The successful candidate(s) will be required to present a timesheet for approval on a regular basis not less than a one (1) week period and not more than monthly.
- 4.2.9** If during the term of the Delivery Order the candidate placed by the vendor leaves the company and/or has to be replaced; the vendor must give written notice to WVOT within one (1) business day, explaining the circumstances of departure, and must replace the candidate with another candidate meeting or surpassing all the requirements for the filled classification listed in Section 4.1 of this contract to maintain continuity of services. Vendor must provide to WVOT a list of potential candidates for the replacement staffing needs within 2 weeks (10 business days) of the notification of replacement. Vendors must provide documentation and resumes for every candidate which indicates their meeting the requirements for the classification. Vendors may send multiple resumes so that WVOT may choose. Any interruption of service greater than ten (10) business days will be grounds for cancellation of the Delivery Order. If WVOT needs to issue a secondary Delivery Order to cover any cancelled Delivery Order, they are not required to contact or acquire waivers from any vendor for which they had previously contacted to fill the classification (copies of the original waivers and documentation regarding the cancellation should be kept in the files for both the original the replacement Delivery Order(s)).
- 4.2.10** Successful Vendors and candidates must comply with all WVOT policies and procedures. Any access or user accounts issued to a candidate to permit work in the State computing environment are subject to revocation without notice, and random or periodic audit of user activity may be conducted by WVOT. Vendor, Contractor and Agency shall comply with the West

Virginia Division of Personnel Drug and Alcohol Free Workplace Policy, Attachment A, and the West Virginia Division of Personnel Prohibited Workplace Harassment Policy, Attachment B.

4.3 DUTIES AND RESPONSIBILITIES OF WVOT

4.3.1 Ordering Procedure: WVOT will notify (in writing) the successful Vendor with the current priority for any classification of the number of candidates needed, the total number of hours required for the assignment/project, the proposed length of the assignment, the basic description of the project for which the candidate will be used, and any assignment/project-specific requirements. WVOT may issue multiple notifications to the same vendor to simultaneously request the same or different classifications, for the same or different assignments; WVOT has full discretion on how they wish to organize and issue notifications to the Vendor with current priority; the Vendor may confirm or waive any individual notification in its entirety, but may not partially confirm or waive a notification without express written approval of WVOT (ie, WVOT should indicate on its notification for more than a single quantity of any classification whether or not it is willing to allow the Vendor to partially confirm or waive.) For example, WVOT requires two Technical Writers for an assignment. If they are willing to allow the first priority Vendor to provide one while waiving the other, they should indicate this in the notification. WVOT will make every effort to respond to vendor responses within ten (10) days.

Upon receipt of required documents, interviews will be arranged by the appropriate Director or his/her designee. Interviews will be conducted, at least by telephone, and review of qualifications will be performed by WVOT in order to verify the candidate meets the requirements for the requested classification.

After WVOT has chosen the candidate from those provided by the Vendor, WVOT will notify the vendor for a signed, dated quote (see Vendor Responsibilities, above), then complete a Delivery Order noting the Candidate, the Hourly Rate, the Quantity of Hours required for the project, start and end dates for the Delivery Order/Project, and any other information or requirements pertinent

to the project for each classification requested. WVOT reserves the right to require a SOW if deemed necessary.

Delivery Orders in excess of \$250,000.00 shall require processing as Centralized Delivery Orders through the WV State Purchasing Division. Orders of \$250,000.00 or under will be processed as WVOT Delivery Orders. Signed, dated vendor quote shall be included with each Delivery Order (ie, scanned and electronically attached in WVOasis).

- 4.3.2 WVOT shall provide each candidate with a final copy of the ADO/CDO containing the hours to be worked, the specific location to which they must report and their work schedule.
- 4.3.3 Successful Vendor(s)' candidate shall work under WVOT supervision. WVOT shall be solely responsible to provide each candidate with day-to-day guidance in the execution of responsibilities at WVOT.
- 4.3.4 WVOT reserves the right to terminate the candidate selected for a position providing services to WVOT without cause if it is determined to be in the best interest and well-being of WVOT. Termination would occur by cancellation of the remainder of the Delivery Order, and does not require prior notification to the Vendor.
- 4.3.5 Independent Contractor Status: The purpose of this contract is to obtain temporary services that are provided by individuals or entities as independent contractors and not as employees of the State of West Virginia. The distinction between an independent contractor and an employee is complex and can require an analysis of 20 or more factors relating to the circumstances of each contract. The Internal Revenue Service and the U.S. Department of Labor have provided guidance on this issue at:

IRS – <http://www.irs.gov/pub/irs-pdf/p15a.pdf>

IRS – <http://www.irs.gov/Businesses/Small-Businesses-&Self-Employed/Independent-Contractor-Self-Employed-or-Employee>

REQUEST FOR QUOTATION
Information Technology Staffing Services

DOL – <http://www.dol.gov/elaws/esa/flsa/docs/contractors.asp>

Prior to utilizing the services available under this contract, the requestor must ensure that factors relating to the broad categories of behavioral control, financial control, and the type of relationship between the state and the temporary worker will not cause the independent contractor relationship to be construed as an employee/employer relationship. Items that must be considered include but are not limited to, the degree of control exercised by the State over the temporary worker relating to performance of the job and the degree to which the temporary worker is integrated into the State's system. The Purchasing Division recommends that the requestor review the IRS and DOL publications found at the links above and obtain further assurance from their respective internal legal counsel to maintain the independent contractor status of individuals and entities hired under this contract.

- 4.3.6** In the event of the expiration of an ADO/CDO, if the candidate has developed a specialized WVOT existing environment knowledge base that would make the contractor difficult to replace, WVOT reserves the right to maintain the incumbent candidate if available, and if the vendor agrees, instead of beginning the ordering procedure again. A new contract, ADO/CDO, would be released to account for the additional hours, unless the total projected extension of hours does not exceed ten (10) percent of the original ADO/CDO, in which case a modification/change order can be submitted.
- 4.3.7** It is the sole responsibility of WVOT to ensure that they are notifying the appropriately prioritized vendor for each classification; the Vendor is not responsible for determining if WVOT has acquired the necessary waiver from, or documented the non-responsiveness of, any other vendor in order for them to be appropriately contacting the current Vendor.

4.4 GENERAL REQUIREMENTS

- 4.4.1** In addition to what is covered by the General Terms and Conditions included with the solicitation, quarterly reports required from the Vendor must contain:

REQUEST FOR QUOTATION
Information Technology Staffing Services

- Complete name of each accepted, actively working candidate during the period;
- Classification of each accepted, actively working candidate during the period;
- WVOT and Program (when applicable) where each candidate was provided;
- Number of hours each candidate has worked (for each quarter and YTD);
- The contract's hourly pay rate for each candidate;

NOTE: These reports will be mandatory; failure to adhere to this requirement may result in cancellation of the Contract. Such reports shall be sent electronically to WVOT Contract Manager (including all hours provided during the quarter). These reports are due within 30 days after the end of each calendar year quarter.

- 4.4.2 In addition to what is covered by the Confidentiality in the General Terms and Conditions included with this solicitation, Vendor and any candidate they provide may be required to sign the HIPAA/Business Associate Addendum with an Appendix 1, which indicates the specific Protected Health Information (PHI), specifically written for the project for which WVOT is requesting the candidate, prior to issuance of any delivery order. A copy of the form (without the specific PHI in Appendix 1) is available on the website referenced in the Confidentiality term. The HIPAA/Business Associate Addendum is not required for award of the Contract.

5. CONTRACT AWARD:

- 5.1 **Contract Award:** The Contract is intended to provide WVOT with a purchase price for all of the Contract Services, and it is WVOT's intent to award multiple contracts to ensure that every classification can be adequately supplied during the life of the Contract. Each classification will be considered separately for award purposes. The qualified bidder providing the lowest

REQUEST FOR QUOTATION
Information Technology Staffing Services

Total Price on the Pricing Page for a classification will be awarded the First Priority Contract for that classification. The qualified bidder providing the second lowest Classification Grand Total for a classification will be awarded the Second Priority Contract for that classification, and so on, until such time that at most six (6) Contracts are awarded for that classification. Bidders may be awarded none, any or all classifications, as is necessary to award for each classification.

Upon award of the resulting Contract(s), a spreadsheet will be included with each Contract indicating the priority each vendor has for each awarded classification. An indicator of "1" on the spreadsheet Contract Pricing Synopsis shall indicate First Priority; "2" shall indicate Second Priority, etc.

In the event of a tie for a classification award and/or prioritization, the Purchasing Director, or his/her designee shall break the tie by allowing the tied vendors to make a final offer, flip of a coin, draw of the cards, or any other impartial method considered prudent by the Director.

5.2 Pricing Page: Vendor should complete the Pricing Page, Exhibit A, by providing the all-inclusive hourly rate to provide a candidate meeting the requirements for each classification. Vendor should complete the Pricing Page in full as failure to complete the Pricing Page in its entirety may result in Vendor's bid being disqualified. However, Vendors may opt to bid only certain classifications. If not bidding a classification/commodity line, bidders should clearly note a "no bid" or "N/A" on their bid.

Vendor should type or electronically enter the information into the Pricing Pages provided as the assembled CRFQ document in wvOASIS. Bidders wishing to submit a paper bid should download and print a hard copy of the wvOASIS Pricing Pages and provide as the Unit Price their Hourly Rate. In most cases, the Vendor can request an electronic copy of the Pricing Pages for bid purposes by sending an email request to the following address: Stephanie.L.Gale@wv.gov

The rates bid for the contract shall remain firm for the life of the Contract. Rates reflected on delivery orders issued will remain firm for the effective dates of the delivery order and shall concur with the rates bid.

6. PERFORMANCE: Vendor and WVOT shall agree upon a schedule for performance of Contract Services and Contract Services Deliverables, unless such a schedule is already included herein by WVOT. In the event that this Contract is designated as an open-end contract, Vendor shall perform in accordance with the release orders that may be issued against this Contract.

REQUEST FOR QUOTATION
Information Technology Staffing Services

- 7. PAYMENT:** WVOT shall pay hourly rate, as shown on the Pricing Pages, for all Contract Services performed and accepted under this Contract. Vendor shall accept payment in accordance with the payment procedures of the State of West Virginia.
- 8. TRAVEL:** Vendor shall be responsible for all mileage and travel costs, including travel time, associated with performance of this Contract. Any anticipated mileage or travel costs may be included in the flat fee or hourly rate listed on Vendor's bid, but such costs will not be paid by WVOT separately.
- 9. FACILITIES ACCESS:** Performance of Contract Services may require access cards and/or keys to gain entrance to WVOT's facilities. In the event that access cards and/or keys are required:
 - 9.1.** Vendor must identify principal service personnel which will be issued access cards and/or keys to perform service.
 - 9.2.** Vendor will be responsible for controlling cards and keys and will pay replacement fee, if the cards or keys become lost or stolen.
 - 9.3.** Vendor shall notify WVOT immediately of any lost, stolen, or missing card or key.
 - 9.4.** Anyone performing under this Contract will be subject to WVOT's security protocol and procedures.
 - 9.5.** Vendor shall inform all staff of WVOT's security protocol and procedures.
- 10. VENDOR DEFAULT:**
 - 10.1.** The following shall be considered a vendor default under this Contract.
 - 10.1.1.** Failure to perform Contract Services in accordance with the requirements contained herein.
 - 10.1.2.** Failure to comply with other specifications and requirements contained herein.
 - 10.1.3.** Failure to comply with any laws, rules, and ordinances applicable to the Contract Services provided under this Contract.

REQUEST FOR QUOTATION

10.2. The following remedies shall be available to WVOT upon default.

10.2.2. Immediate cancellation of one or more release orders issued under this Contract.

10.2.3. Any other remedies available in law or equity.

11. MISCELLANEOUS:
