Dear Ms. Gale,

Thank you for the invitation to respond to your Mainframe and Tape Library Maintenance Request for Quotation. We appreciate your consideration and the long standing support services relationship IBM has enjoyed with the State of West Virginia.

Unfortunately, after careful review of the RFQ terms, it is IBM's determination that we can not bid on this request. It is our strong belief that we can arrive at a technical solution that will meet your operational requirements and we would welcome the opportunity to provide this solution under the terms of the existing agreement between State of West Virginia and IBM, Master Services Attachment for ServiceElite, MAJ3MBW.

Please continue to keep IBM in mind for future support business in your IBM and Non IBM technical environment. It continues to be our goal to be a total support provider for your infrastructure.

Sincerely,

Zack Fogelman
