**CRFQ 0210 ISC17*20 RFQ for a Enterprise Vulnerability Management System
Vendor Questions and WVOT Responses
04/20/17**

Please provide all information requested in the RFQ. Questions about bid submittal in wvOASIS should be addressed by clicking on the Help/Desk Email or Chat links. There is also a VSS Registration Quick Start Guide you can access from the VSS Portal.

5. Vendor Question/Inquiry:

Section 9 of the CRFQ document indicates all responses must be typed electronically in the form. Are you referring to the online form? If not, can you please send the RFQ Specification and the general terms and conditions documents in an editable format (i.e Word)?

WVOT Response 5:

It looks like you are referencing RFQ section "4" (Contract Award). If so: Yes -- The price sheet form is under the attachments section of the wvOASIS advertisement. Note that the CRFQ statement is actually "Vendor should type or electronically enter the information into the Pricing Page".

6. Vendor Question/Inquiry:

When are the Terms and Conditions negotiated? If it is required to be signed as part of the submittal, can we please get a word document to insert information and to redline clauses?

WVOT Response 6:

If your organization takes exception to, or has other, Terms and Conditions this should be submitted in a separate document (West Virginia Terms and Conditions documents are standardized and not normally altered).

7. Vendor Question/Inquiry:

3.1.9.1.1 Is the State asking that the vendors provide staffing personnel to complete the duties outlined?

WVOT Response 7:

The listed requirements and duties are to be supplied by the vendor.

8. Vendor Question/Inquiry:

Vendor Preference Certificate: We do not see a category that applies to Tenable, do we need to complete this?

WVOT Response 8:
