**PURCHASING AFFIDAVIT**

**MANDATE:** Under W. Va. Code §5A-3-10a, no contract or renewal of any contract may be awarded by the state or any of its political subdivisions to any vendor or prospective vendor when the vendor or prospective vendor or a related party to the vendor or prospective vendor is a debtor and: (1) the debt owed is an amount greater than one thousand dollars in the aggregate; or (2) the debtor is in employer default.

**EXCEPTION:** The prohibition listed above does not apply where a vendor has contested any tax administered pursuant to chapter eleven of the W. Va. Code, workers' compensation premium, permit fee or environmental fee or assessment and the matter has not become final or where the vendor has entered into a payment plan or agreement and the vendor is not in default of any of the provisions of such plan or agreement.

**DEFINITIONS:**

"Debt" means any assessment, premium, penalty, fine, tax or other amount of money owed to the state or any of its political subdivisions because of a judgment, fine, permit violation, license assessment, defaulted workers' compensation premium, penalty or other assessment presently delinquent or due and required to be paid to the state or any of its political subdivisions, including any interest or additional penalties accrued thereon.

"Employer default" means having an outstanding balance or liability to the old fund or to the uninsured employers' fund or being in policy default, as defined in W. Va. Code § 23-2c-2, failure to maintain mandatory workers' compensation coverage, or failure to fully meet its obligations as a workers' compensation self-insured employer. An employer is not in employer default if it has entered into a repayment agreement with the Insurance Commissioner and remains in compliance with the obligations under the repayment agreement.

"Related party" means a party, whether an individual, corporation, partnership, association, limited liability company or any other form or business association or other entity whatsoever, related to any vendor by blood, marriage, ownership or contract through which the party has a relationship of ownership or other interest with the vendor so that the party will actually or by effect receive or control a portion of the benefit, profit or other consideration from performance of a vendor contract with the party receiving an amount that meets or exceeds five percent of the total contract amount.

**AFFIRMATION:** By signing this form, the vendor's authorized signer affirms and acknowledges under penalty of law for false swearing (W. Va. Code §61-5-3) that neither vendor nor any related party owe a debt as defined above and that neither vendor nor any related party are in employer default as defined above, unless the debt or employer default is permitted under the exception above.

## State of West Virginia VENDOR PREFERENCE CERTIFICATE

Certification and application\* is hereby made for Preference in accordance with **West Virginia Code, §5A-3-37**. (Does not apply to construction contracts). **West Virginia Code, §5A-3-37**, provides an opportunity for qualifying vendors to request (at the time of bid) preference for their residency status. Such preference is an evaluation method only and will be applied only to the cost bid in accordance with the **West Virginia Code**. This certificate for application is to be used to request such preference. The Purchasing Division will make the determination of the Vendor Preference, if applicable.

1. **Application is made for 2.5% vendor preference for the reason checked:**  
 Bidder is an individual resident vendor and has resided continuously in West Virginia for four (4) years immediately preceding the date of this certification; or,  
 Bidder is a partnership, association or corporation resident vendor and has maintained its headquarters or principal place of business continuously in West Virginia for four (4) years immediately preceding the date of this certification; or 80% of the ownership interest of Bidder is held by another individual, partnership, association or corporation resident vendor who has maintained its headquarters or principal place of business continuously in West Virginia for four (4) years immediately preceding the date of this certification; or,  
 Bidder is a nonresident vendor which has an affiliate or subsidiary which employs a minimum of one hundred state residents and which has maintained its headquarters or principal place of business within West Virginia continuously for the four (4) years immediately preceding the date of this certification; or,
2. **Application is made for 2.5% vendor preference for the reason checked:**  
 Bidder is a resident vendor who certifies that, during the life of the contract, on average at least 75% of the employees working on the project being bid are residents of West Virginia who have resided in the state continuously for the two years immediately preceding submission of this bid; or,
3. **Application is made for 2.5% vendor preference for the reason checked:**  
 Bidder is a nonresident vendor employing a minimum of one hundred state residents or is a nonresident vendor with an affiliate or subsidiary which maintains its headquarters or principal place of business within West Virginia employing a minimum of one hundred state residents who certifies that, during the life of the contract, on average at least 75% of the employees or Bidder's affiliate's or subsidiary's employees are residents of West Virginia who have resided in the state continuously for the two years immediately preceding submission of this bid; or,
4. **Application is made for 5% vendor preference for the reason checked:**  
 Bidder meets either the requirement of both subdivisions (1) and (2) or subdivision (1) and (3) as stated above; or,
5. **Application is made for 3.5% vendor preference who is a veteran for the reason checked:**  
 Bidder is an individual resident vendor who is a veteran of the United States armed forces, the reserves or the National Guard and has resided in West Virginia continuously for the four years immediately preceding the date on which the bid is submitted; or,
6. **Application is made for 3.5% vendor preference who is a veteran for the reason checked:**  
 Bidder is a resident vendor who is a veteran of the United States armed forces, the reserves or the National Guard, if, for purposes of producing or distributing the commodities or completing the project which is the subject of the vendor's bid and continuously over the entire term of the project, on average at least seventy-five percent of the vendor's employees are residents of West Virginia who have resided in the state continuously for the two immediately preceding years.
7. **Application is made for preference as a non-resident small, women- and minority-owned business, in accordance with West Virginia Code §5A-3-59 and West Virginia Code of State Rules.**  
 Bidder has been or expects to be approved prior to contract award by the Purchasing Division as a certified small, women- and minority-owned business.

Bidder understands if the Secretary of Revenue determines that a Bidder receiving preference has failed to continue to meet the requirements for such preference, the Secretary may order the Director of Purchasing to: (a) reject the bid; or (b) assess a penalty against such Bidder in an amount not to exceed 5% of the bid amount and that such penalty will be paid to the contracting agency or deducted from any unpaid balance on the contract or purchase order.

By submission of this certificate, Bidder agrees to disclose any reasonably requested information to the Purchasing Division and authorizes the Department of Revenue to disclose to the Director of Purchasing appropriate information verifying that Bidder has paid the required business taxes, provided that such information does not contain the amounts of taxes paid nor any other information deemed by the Tax Commissioner to be confidential.

**Under penalty of law for false swearing (West Virginia Code, §61-5-3), Bidder hereby certifies that this certificate is true and accurate in all respects; and that if a contract is issued to Bidder and if anything contained within this certificate changes during the term of the contract, Bidder will notify the Purchasing Division in writing immediately.**

# TDS-NetSupport

The affordable SMARTnet® solution

## The Smart Alternative to SMARTnet®

With Tredent Data System's TDS-NetSupport maintenance solution, IT professionals have the ability to select the level of support that makes technical and financial sense for core service, access and distribution layers, as well as remote offices and other network components.

Ballooning maintenance costs, inflexible contracts, and hardware upgrades forced by end-of-support on previous generation equipment strain networking budgets worldwide. TDS-Netsupport gives you more options to protect your networks – even end-of-life-equipment – at a fraction of Cisco SMARTnet® costs.

TDS-NetSupport provides complete network protection with 24x7 technical support and advanced hardware replacement, delivered same day.

## TDS-Netsupport Advantages

- ✓ Maintenance and support savings of 60-70% and 24x7 global support
- ✓ Advanced and same day hardware replacement
- ✓ Reduced maintenance costs and flexible contracts
- ✓ Cisco certified technicians with hands-on network experience
- ✓ Multi generational hardware including end of life equipment
- ✓ Very flexible contract terms
- ✓ IOS updates and bug fixes included
- ✓ No recertification fees
- ✓ No questions asked. Money back guaranteed

“  
*With TDS-NetSupport,  
we cut our annual  
maintenance cost in  
half and get better  
service than we had  
from the manufacturer.*

**Albert Masgard**  
IT Manager

”

## Extend End-of-Life

Manufacturers announce end-of-life on equipment with increasing frequency leaving companies facing end-of-support on trusted infrastructure that will still meet requirements for several years with critical infrastructure standardized on a stable platform. These forced upgrades are not only a large, unplanned expense, but also a frustrating and unnecessary risk. TDS-NetSupport provides full support for previous generation and end-of-life equipment, so IT departments can protect the established network and maintain control of their organization's technology roadmap.

## Protect Your Edge

The high cost of maintenance forces many organizations to focus their resources on the core, leaving edge routers and remote offices vulnerable. TDS-NetSupport's affordable pricing structure allows companies to protect core, distribution and access layers – leaving nothing to chance.

## One Call Support

TDS-NetSupport services and supports all Cisco networking equipment. Even equipment not purchased from Tredent is eligible for TDS-NetSupport coverage without expensive certification fees. With TDS-NetSupport, you have one reliable support resource for all of your routers, switches, security hardware, wireless devices and IP telephony.

## Certified Network Experts

From pre-sales consultation to 24x7 technical support, Tredent's support team is highly trained to provide expert advice. Tredent's technicians hold a variety of certifications including CCNA, CCNP & CCIE credentials and have the hands-on experience to quickly troubleshoot "real world" network problems. With one call, you can reach technical professionals who understand production network environments.

*"The team at Tredent provide an excellent option, if customer service is important to you. As far as I am concerned, TDS-Netsupport is smart business."*

**GARY KNAPP**, Power Production, Southern California Edison Co.

*"I've worked with Tredent Data Systems for the better part of 10 years now and highly recommend them. TDS worked with me on many projects while I was at the City of Palmdale migrating us from NT to Windows 2003 and Exchange 5.5 to Exchange 2003, in addition they helped us light up the transportation center with publicly accessible Wi-Fi. I have a current project here at the Palmdale Water District where they are the primary vendor to upgrade our AD 2003 to 2008, Exchange 2003 to 2010, virtualize our servers, upgrade our network infrastructure, and implement a SAN. These guys are more than vendors they are true partners.."*

**JIM STANTON**, Director of IT, Palmdale Water District

*"For us the TDS-NetSupport is a great alternative to Cisco's expensive SMARTnet contract. During a tough budget year, it is great to have an alternative that offers a better value."*
