State of West Virginia VENDOR PREFERENCE CERTIFICATE

Certification and application is hereby made for Preference in accordance with *West Virginia Code*, §5A-3-37. (Does not apply to construction contracts). *West Virginia Code*, §5A-3-37, provides an opportunity for qualifying vendors to request (at the time of bid) preference for their residency status. Such preference is an evaluation method only and will be applied only to the cost bid in accordance with the *West Virginia Code*. This certificate for application is to be used to request such preference. The Purchasing Division will make the determination of the Vendor Preference, if applicable.

1. ☐ Application is made for 2.5% vendor preference for the reason checked:
☐ Bidder is an individual resident vendor and has resided continuously in West Virginia for four (4) years immediately preceding the date of this certification; or,
☐ Bidder is a partnership, association or corporation resident vendor and has maintained its headquarters or principal place of business continuously in West Virginia for four (4) years immediately preceding the date of this certification;
☐ Bidder is a resident vendor partnership, association, or corporation with at least eighty percent of ownership interest of bidder held by another entity that meets the applicable four year residency requirement; or,
☐ Bidder is a nonresident vendor which has an affiliate or subsidiary which employs a minimum of one hundred state residents and which has maintained its headquarters or principal place of business within West Virginia continuously for the four (4) years immediately preceding the date of this certification; or,
2. ☐ Application is made for 2.5% vendor preference for the reason checked:
☐ Bidder is a resident vendor who certifies that, during the life of the contract, on average at least 75% of the employees working on the project being bid are residents of West Virginia who have resided in the state continuously for the two years immediately preceding submission of this bid; or,
3. ☐ Application is made for 2.5% vendor preference for the reason checked:
☐ Bidder is a nonresident vendor that employs a minimum of one hundred state residents, or a nonresident vendor which has an affiliate or subsidiary which maintains its headquarters or principal place of business within West Virginia and employs a minimum of one hundred state residents, and for purposes of producing or distributing the commodities or completing the project which is the subject of the bidder's bid and continuously over the entire term of the project, on average at least seventy-five percent of the bidder's employees or the bidder's affiliate's or subsidiary's employees are residents of West Virginia who have resided in the state continuously for the two immediately preceding years and the vendor's bid; or,
4. ☒ Application is made for 5% vendor preference for the reason checked:
☒ Bidder meets either the requirement of both subdivisions (1) and (2) or subdivision (1) and (3) as stated above; or,
5. ☐ Application is made for 3.5% vendor preference who is a veteran for the reason checked:
☐ Bidder is an individual resident vendor who is a veteran of the United States armed forces, the reserves or the National Guard and has resided in West Virginia continuously for the four years immediately preceding the date on which the bid is submitted; or,
6. ☐ Application is made for 3.5% vendor preference who is a veteran for the reason checked:
☐ Bidder is a resident vendor who is a veteran of the United States armed forces, the reserves or the National Guard, if, for purposes of producing or distributing the commodities or completing the project which is the subject of the vendor's bid and continuously over the entire term of the project, on average at least seventy-five percent of the vendor's employees are residents of West Virginia who have resided in the state continuously for the two immediately preceding years.
7. ☐ Application is made for preference as a non-resident small, women- and minority-owned business, in accordance with *West Virginia Code* §5A-3-59 and *West Virginia Code of State Rules*.
☐ Bidder has been or expects to be approved prior to contract award by the Purchasing Division as a certified small, women- and minority-owned business.

Bidder understands if the Secretary of Revenue determines that a Bidder receiving preference has failed to continue to meet the requirements for such preference, the Secretary may order the Director of Purchasing to: (a) rescind the contract or purchase order; or (b) assess a penalty against such Bidder in an amount not to exceed 5% of the bid amount and that such penalty will be paid to the contracting agency or deducted from any unpaid balance on the contract or purchase order.

By submission of this certificate, Bidder agrees to disclose any reasonably requested information to the Purchasing Division and authorizes the Department of Revenue to disclose to the Director of Purchasing appropriate information verifying that Bidder has paid the required business taxes, provided that such information does not contain the amounts of taxes paid nor any other information deemed by the Tax Commissioner to be confidential.

Bidder hereby certifies that this certificate is true and accurate in all respects; and that if a contract is issued to Bidder and if anything contained within this certificate changes during the term of the contract, Bidder will notify the Purchasing Division in writing immediately.

PURCHASING AFFIDAVIT

MANDATE: Under W. Va. Code §5A-3-10a, no contract or renewal of any contract may be awarded by the state or any of its political subdivisions to any vendor or prospective vendor when the vendor or prospective vendor or a related party to the vendor or prospective vendor is a debtor and: (1) the debt owed is an amount greater than one thousand dollars in the aggregate; or (2) the debtor is in employer default.

EXCEPTION: The prohibition listed above does not apply where a vendor has contested any tax administered pursuant to chapter eleven of the W. Va. Code, workers' compensation premium, permit fee or environmental fee or assessment and the matter has not become final or where the vendor has entered into a payment plan or agreement and the vendor is not in default of any of the provisions of such plan or agreement.

DEFINITIONS:

"Debt" means any assessment, premium, penalty, fine, tax or other amount of money owed to the state or any of its political subdivisions because of a judgment, fine, permit violation, license assessment, defaulted workers' compensation premium, penalty or other assessment presently delinquent or due and required to be paid to the state or any of its political subdivisions, including any interest or additional penalties accrued thereon.

"Employer default" means having an outstanding balance or liability to the old fund or to the uninsured employers' fund or being in policy default, as defined in W. Va. Code § 23-2c-2, failure to maintain mandatory workers' compensation coverage, or failure to fully meet its obligations as a workers' compensation self-insured employer. An employer is not in employer default if it has entered into a repayment agreement with the Insurance Commissioner and remains in compliance with the obligations under the repayment agreement.

"Related party" means a party, whether an individual, corporation, partnership, association, limited liability company or any other form or business association or other entity whatsoever, related to any vendor by blood, marriage, ownership or contract through which the party has a relationship of ownership or other interest with the vendor so that the party will actually or by effect receive or control a portion of the benefit, profit or other consideration from performance of a vendor contract with the party receiving an amount that meets or exceeds five percent of the total contract amount.

AFFIRMATION: By signing this form, the vendor's authorized signer affirms and acknowledges under penalty of law for false swearing (W. Va. Code §61-5-3) that neither vendor nor any related party owe a debt as defined above and that neither vendor nor any related party are in employer default as defined above, unless the debt or employer default is permitted under the exception above.

Z200 Z300 SERIES

.....

With an expanded range of gasoline, diesel and Propane mowers, Kubota offers the high-performance Z-Series to conquer most mowing challenges.

Kubota's versatile and high-performance lineup of zero-turn mowers features full-size and compact models with diesel or gasoline engines. These models boast a high-capacity HST, the deepest mower deck in the industry, and more. Plus, with the introduction of clean Propane models, the expanded Z-Series will take on most job and cut it down to size.

KUBOTA ENGINE

**The Z-Series mowers feature
ranging in size from 21 to 3**

KUBOTA GASOLINE ENGINE

The V-Twin Kubota gasoline engine delivers durability and productivity like no other. Available in 22HP or 27HP, this reliable, air-cooled engine* offers outstanding performance and quiet operation. Specifically designed for mowing, it features Kubota's clean-flow structure, which virtually eliminates the likelihood of grass clippings clogging the wide cooling air passages. Plus, with its removable engine cover for easy access and a unique carburetor drain cock that simplifies seasonal storage, maintenance is simple and hassle-free.

*Consult operator manual for proper usage and handle with care.

Removable Engine Cover

TRANSMISSION

For superior durability, we incorporated an integral-type twin-hydrostatic transmission. Except for an occasional fluid change, its hermetically-sealed structure requires no maintenance or belts to change.

KUBOTA DIESEL ENGINE

Kubota diesel engines are known for their durability, high performance, energy efficiency and reliability. Their fuel efficiency, high torque, quiet operation and reduced emissions help you take on heavy mowing jobs for extended periods. And, whether it's our 21, 23, 26, or 31-horsepower engine, it will exceed even the highest expectations of commercial landscapers.

Dual-Element Air Cleaner

Kubota ZD-Series mowers come equipped with a dual-element air cleaner which features a vacuum sensor that indicates when to service the air cleaner.

Large Fuel Tank

Kubota has increased the fuel capacity for all 300 Series models to 12.9 gallons by including two fuel tanks. This allows the operator to work longer and more efficiently without stopping to refuel. This feature is especially handy for those big jobs.

KUBOTA PROPANE ENGINE

NEW

Kubota's new 31HP liquid-cooled LPG (Liquefied petroleum gas) engine delivers "green" performance with reduced toxic and CO₂ emissions while still maintaining the same high levels of productivity. The engine's clean-burning propane also eliminates carburetor maintenance, can be stored for long periods without worry of fuel deterioration, and nearly eliminates the possibility of vapor lock problems, providing stable performance for the years to come.

KUBOTA SIDE DISCHARGE MOWER

PRO COMMERCIAL MOWER DECK

For outstanding cutting performance, nothing surpasses Kubota's extra-deep mower deck. With depths of 6" and 6.5", the deepest in the industry, the Z-Series mower deck is available in four sizes — 72", 60", 54" and 48"—to take on jobs large and small.

FLEXIBLE DISCHARGE CHUTE

The Z-Series mower deck features a discharge chute crafted from a flexible-but-sturdy material, which helps reduce damage to landscaping.

ANTI-OVERFLOW SYSTEM

The leading edge of the mower deck's anti-overflow system reduces washdown back and helps keep lawns looking nice and clean, particularly in dry conditions.

BAFFLE DESIGN

The mower deck's advanced baffle design improves airflow to better discharge grass clippings, optimizing cutting performance for every job.

KUBOTA REAR DISCHARGE MOWER

60" REAR DISCHARGE MOWER

Our steel rod reinforced, 60" rear discharge mower provides the ZD326/ZD331/ZG327 with exceptional performance. This professional 5.5" deep deck gives you a fast and clean cut even in tall grass or weeds. Reducing the likelihood of thrown objects is a certain benefit, especially near streets, schools, and parks because grass is discharged behind the mower rather than to the side. Moreover, it offers the operator greater control in confined spaces such as in cemeteries or around flowerbeds.

Steel Rod Reinforced Deck

The rear discharge deck is reinforced with 11 horizontal steel rods on the skid to improve the durability and longevity. Additionally, the reinforcements are easily replaceable if damaged or worn.
