ATTACHMENT A

**Vendor Questions for CRFQ 0603 ADJ1700000010
Limestone for Point Pleasant Motor Pool**

1. **Could you please give me clarification? Is stone solicitation for limestone or gravel?**

Answer) This solicitation is for limestone for both #2s and #57s.

2. **#2 limestone is not on the state contract, therefore we do not carry it. Is there any alternative such as #1 limestone or #3 limestone?**

Answer) The Department of Highways is the only entity allowed to use the "state contract". Our agency has specified #2 limestone for this project and that is the product we want to purchase.

3. **The CRFQ state limestone gravel. I assume you want limestone and not gravel? They are two different products.**

Answer) Yes, the agency wants to purchase limestone for this project. We made a mistake on the product description in the original documentation. We want 2000 tons of #2 limestone and 2000 tons of #57 limestone.
