PURCHASING AFFIDAVIT

MANDATE: Under W. Va. Code §5A-3-10a, no contract or renewal of any contract may be awarded by the state or any of its political subdivisions to any vendor or prospective vendor when the vendor or prospective vendor or a related party to the vendor or prospective vendor is a debtor and: (1) the debt owed is an amount greater than one thousand dollars in the aggregate; or (2) the debtor is in employer default.

EXCEPTION: The prohibition listed above does not apply where a vendor has contested any tax administered pursuant to chapter eleven of the W. Va. Code, workers' compensation premium, permit fee or environmental fee or assessment and the matter has not become final or where the vendor has entered into a payment plan or agreement and the vendor is not in default of any of the provisions of such plan or agreement.

DEFINITIONS:

"Debt" means any assessment, premium, penalty, fine, tax or other amount of money owed to the state or any of its political subdivisions because of a judgment, fine, permit violation, license assessment, defaulted workers' compensation premium, penalty or other assessment presently delinquent or due and required to be paid to the state or any of its political subdivisions, including any interest or additional penalties accrued thereon.

"Employer default" means having an outstanding balance or liability to the old fund or to the uninsured employers' fund or being in policy default, as defined in W. Va. RE: Exempt ID: WCEX19820

Dear *Employer*:

Your request for an extension/renewal of the opinion as to your exempt status the requirement to maintain West Virginia Workers' Compensation Insurance has been received and processed. According to the information provided in your application, you have no employees who are required under West Virginia law to be provided West Virginia workers' compensation coverage. Therefore, the OIC is of the opinion, based on the information provided, that you are exempt from having to maintain West Virginia workers' compensation coverage.

This exemption opinion extension/renewal is valid until **March 9, 2017**, or until circumstances change which require you to maintain workers' compensation coverage, such as acquiring employees or a business re-organization. Hiring even one (1) employee not falling within the scope of this exemption would require you to obtain coverage. If such changes occur, you must either submit another request for exemption or obtain workers' compensation coverage. Failure to obtain the mandatory coverage can result in severe penalties such as an administrative fine up to $10,000, financial responsibility for benefits paid from the uninsured fund for any accidents and losses during periods when you are not insured, and placement on the Employer Violator System, which can result in revocation of your business license and any other licenses, permits or certificates required to do business in West Virginia. Further, be reminded that in accordance with W.Va. Code §61-3-24e(5), it is a felony to knowingly and willingly make false statements respecting any information required to be provided under the WV Workers' Compensation Act. Upon conviction, the individual shall be confined in a penitentiary for up to three years, fined up to $10,000, or both.

Please be advised that this exemption extension/renewal is advisory in nature and does not constitute any formal adjudication or legal conclusion as to the workers' compensation status of your company. It is based solely on the information you provided to us in your application. If the information provided in the application is incorrect, unclear or ambiguous, then this exemption may also be erroneous. It is important for anyone relying on this exemption to be aware of this. Additionally, this letter does not serve in lieu of a certificate of coverage in order to allow a prime contractor to avoid liability for employees of subcontractors under W.Va. Code §23-2-1d.

Should you find that you are in need of workers compensation coverage, you may apply for coverage from one of the approved carriers of workers compensation. A list of these carriers can be found on our website at www.wvinsurance.gov underneath the box entitled Workers Compensation found in the center of the page. If you are unable to access the website for a list of these carriers, please feel free to contact our offices at (304) 558-6279, ext 1229.

Sincerely,
