State; and (4) justification for updating its Catalog. The Purchasing Division may waive the detailed listing requirements if it finds that doing so is in the best interest of the State. Unless an updated catalog is approved, the Contract Items available under this Contract and Unit Prices for those items shall remain unchanged during the term of this Contract.

4. CONTRACT AWARD, PRICING PAGES, DISCOUNT/MARKUP PERCENTAGE:

4.1 Contract Award: The Contract is intended to provide Agency with a purchase price on all Contract Items. The Contract shall be awarded to the Vendor that provides the Contract Items meeting the required specifications for the lowest overall total bid price as shown on the Pricing Pages.

4.2 Pricing Pages: Vendor shall complete the Pricing Pages by inserting either a Discount Percentage or a Markup Percentage. Vendor shall bid one percentage (mark-up or discount) to be applied to all contract items. Multiple percentages will not be accepted. Vendor should insert the Catalog Unit Price from Vendor's current catalog for each of the items listed. Vendor's bidding an "or Equal" product line must reference their part number for each of the "OEM" part numbers as they coincide on the Pricing Pages. Vendor should complete the Pricing Pages in their entirety as failure to do so may result in Vendor's bids being disqualified.

The Pricing Pages contain a list of the Contract Items and estimated purchase volume. The estimated purchase volume for each item represents the approximate volume of anticipated purchases only. No future use of the Contract or any individual item is guaranteed or implied.

Vendor should electronically enter the information into the Pricing Pages through wvOASIS, if available, or as an electronic document. In most cases, the Vendor can request an electronic copy of the Pricing Pages for bid purposes by sending an email request to the following address: Misty.M.Delong@wv.gov.

4.3 Discount Percentage: Vendor may quote a single Discount Percentage that will reduce the lowest price shown in the Catalog for every Contract Item. The resulting Adjusted Unit Price shall be the price Agency pay for purchases of that Contract Item under this Contract.

**REQUEST FOR QUOTATION
Mow Master Mower OEM Parts or Equal**

Vendor shall not incorporate Discount Percentages into its Catalog unless the Vendor clearly shows the Catalog Price and then separately lists the applicable Discount Percentage and the Adjusted Unit Price for each Contract Item.

The Discount Percentage and subsequent Adjusted Unit Price derived from that discount must take into account any and all fees, charges, or other miscellaneous costs that the Vendor may require, including delivery charges as indicated below, because those fees, charges, or other miscellaneous costs will not be paid separately. The Agency shall only pay the appropriate Adjusted Unit Price for items purchased under this Contract.

- 4.4 Markup Percentage:** Vendor may quote a single Markup Percentage that will increase the lowest price shown in the Catalog for every Contract Item. The resulting Adjusted Unit Price shall be the price Agency pay for purchases of that Contract Item under this Contract.

Vendor shall not incorporate Markup Percentages into its Catalog unless the Vendor clearly shows the Catalog Price and then separately lists the applicable Markup Percentage and the Adjusted Unit Price for each Contract Item.

The Markup Percentage and subsequent Adjusted Unit Price derived from that markup must take into account any and all fees, charges, or other miscellaneous costs that the Vendor may require, including delivery charges as indicated below, because those fees, charges, or other miscellaneous costs will not be paid separately. The Agency shall only pay the appropriate Adjusted Unit Price for items purchased under this Contract.

5. ORDERING AND PAYMENT:

- 5.1 Ordering:** Vendor shall accept orders through wvOASIS, regular mail, facsimile, e-mail, or any other written form of communication. Vendor shall deliver emergency orders within one (1) working day, upon the Agencies request. Vendor shall ship all orders in accordance with the above schedule and shall not hold orders until a minimum delivery quantity is met. Contract Items must be delivered to the ordering Agency attached hereto as Exhibit B.

6.2 Late Delivery: The Agency placing the order under this Contract must be notified in writing if orders will be delayed for any reason. Any delay in delivery that could cause harm to an Agency will be grounds for cancellation of the delayed order, and/or obtaining the items ordered from a third party.

Any Agency seeking to obtain items from a third party under this provision must first obtain approval of the Purchasing Division.

6.3 Delivery Payment/Risk of Loss: The Agency will pay all shipping and crating costs for standard and emergency orders provided that Vendor invoices those delivery costs as a separate charge with the original freight bill attached to the invoice.

6.4 Return of Unacceptable Items: If the Agency deems the Contract Items to be unacceptable, the Contract Items shall be returned to Vendor at Vendor's expense and with no restocking charge. Vendor shall either make arrangements for the return within five (5) days of being notified that items are unacceptable, or permit the Agency to arrange for the return and reimburse Agency for delivery expenses. If the original packaging cannot be utilized for the return, Vendor will supply the Agency with appropriate return packaging upon request. All returns of unacceptable items shall be F.O.B. the Agency's location.
