Vendor Questions - SWC1800000017

Statewide Contract for Pest Control

Q.1. Is the total price per sq/ft (all columns added) the price we are asking for the entire building?

A.1. No, Vendors must enter the price for each building option. The Subtotal A and TOTAL BID AMOUNT lines are for evaluation purposes to determine the lowest cost per District per section 4.1 of the specifications.

For example, under Integrated Pest Management for Rodents and Common Insects:

Treatment Price Per Square Foot (per month) for occupied one story buildings – **this is the square foot price you are bidding to treat an “occupied one story building” on a monthly basis.**

Treatment - Price Per Square Foot (per month) for occupied multi-story buildings – **this is the square foot price you are bidding to treat an “occupied multi-story building” on a monthly basis.**

Treatment - Price Per Square Foot (per month) for food-service areas of buildings – **this is the monthly square foot price you are bidding for food service areas of a building.**

Treatment - Price Per Square Foot (per month) non-occupied buildings (parking garages, warehouses, etc.) – **this is the monthly square foot price you are bidding for non-occupied buildings (parking garages, warehouses, etc.).**

Subtotal A is the sum of all building options for Integrated Pest Management for Rodents and Common Insects.

For Elimination of Bed Bugs:

Inspection - Price Per Square Foot (as needed) – **this is the Inspection price per square foot you are bidding for the treatment of bed bugs on an “as needed” basis.**

Treatment - Price Per Square Foot (as needed) – **this is the price per square foot you are bidding to treat bed bugs on an “as-needed” basis.**

The TOTAL BID AMOUNT is the sum of all options for IPM plus Bed Bug Elimination to determine the lowest cost per District for all options on the Exhibit A Pricing Page.

Q. 2. I've never bid per sq/ft before so I was wondering if I could get a copy of the last winning bid?

- A.2. This is a brand new statewide contract so there are no winning bids to share.
- Q.3. I have read the bid packet and it is unclear whether the state is asking for monthly pest control service or just an as needed pest control contract. If you could let me know the intentions for the contract I would greatly appreciate it.
- A.3. Integrated Pest Management for Rodents and Common Insects is for monthly pest control services and Elimination of Bed Bugs is on an as needed basis.
