# PURCHASING AFFIDAVIT

**CONSTRUCTION CONTRACTS:** Under W. Va. Code § 5-22-1(i), the contracting public entity shall not award a construction contract to any bidder that is known to be in default on any monetary obligation owed to the state or a political subdivision of the state, including, but not limited to, obligations related to payroll taxes, property taxes, sales and use taxes, fire service fees, or other fines or fees.

**ALL CONTRACTS:** Under W. Va. Code §5A-3-10a, no contract or renewal of any contract may be awarded by the state or any of its political subdivisions to any vendor or prospective vendor when the vendor or prospective vendor or a related party to the vendor or prospective vendor is a debtor and: (1) the debt owed is an amount greater than one thousand dollars in the aggregate; or (2) the debtor is in employer default.

**EXCEPTION:** The prohibition listed above does not apply where a vendor has contested any tax administered pursuant to chapter eleven of the W. Va. Code, workers' compensation premium, permit fee or environmental fee or assessment and the matter has not become final or where the vendor has entered into a payment plan or agreement and the vendor is not in default of any of the provisions of such plan or agreement.

**DEFINITIONS:**

**"Debt"** means any assessment, premium, penalty, fine, tax or other amount of money owed to the state or any of its political subdivisions because of a judgment, fine, permit violation, license assessment, defaulted workers' compensation premium, penalty or other assessment presently delinquent or due and required to be paid to the state or any of its political subdivisions, including any interest or additional penalties accrued thereon.

**"Employer default"** means having an outstanding balance or liability to the old fund or to the uninsured employers' fund or being in policy default, as defined in W. Va. Code § 23-2c-2, failure to maintain mandatory workers' compensation coverage, or failure to fully meet its obligations as a workers' compensation self-insured employer. An employer is not in employer default if it has entered into a repayment agreement with the Insurance Commissioner and remains in compliance with the obligations under the repayment agreement.

**"Related party"** means a party, whether an individual, corporation, partnership, association, limited liability company or any other form or business association or other entity whatsoever, related to any vendor by blood, marriage, ownership or contract through which the party has a relationship of ownership or other interest with the vendor so that the party will actually or by effect receive or control a portion of the benefit, profit or other consideration from performance of a vendor contract with the party receiving an amount that meets or exceeds five percent of the total contract amount.

**AFFIRMATION:** By signing this form, the vendor's authorized signer affirms and acknowledges under penalty of law for false swearing (W. Va. Code §61-5-3) that: (1) for construction contracts, the vendor is not in default on any monetary obligation owed to the state or a political subdivision of the state, and (2) for all other contracts, that neither vendor nor any related party owe a debt as defined above and that neither vendor nor any related party are in employer default as defined above, unless the debt or employer default is permitted under the exception above.

## VENDOR PREFERENCE CERTIFICATE

Certification and application is hereby made for Preference in accordance with *West Virginia Code*, §5A-3-37. (Does not apply to construction contracts). *West Virginia Code*, §5A-3-37, provides an opportunity for qualifying vendors to request (at the time of bid) preference for their residency status. Such preference is an evaluation method only and will be applied only to the cost bid in accordance with the *West Virginia Code*. This certificate for application is to be used to request such preference. The Purchasing Division will make the determination of the Vendor Preference, if applicable.

1.  **Application is made for 2.5% vendor preference for the reason checked:**  
Bidder is an individual resident vendor and has resided continuously in West Virginia, or bidder is a partnership, association or corporation resident vendor and has maintained its headquarters or principal place of business continuously in West Virginia, for four (4) years immediately preceding the date of this certification; or,  
 Bidder is a resident vendor partnership, association, or corporation with at least eighty percent of ownership interest of bidder held by another entity that meets the applicable four year residency requirement; or,  
 Bidder is a nonresident vendor which has an affiliate or subsidiary which employs a minimum of one hundred state residents and which has maintained its headquarters or principal place of business within West Virginia continuously for the four (4) years immediately preceding the date of this certification; or,
2.  **Application is made for 2.5% vendor preference for the reason checked:**  
Bidder is a resident vendor who certifies that, during the life of the contract, on average at least 75% of the employees working on the project being bid are residents of West Virginia who have resided in the state continuously for the two years immediately preceding submission of this bid; or,
3.  **Application is made for 2.5% vendor preference for the reason checked:**  
Bidder is a nonresident vendor that employs a minimum of one hundred state residents, or a nonresident vendor which has an affiliate or subsidiary which maintains its headquarters or principal place of business within West Virginia and employs a minimum of one hundred state residents, and for purposes of producing or distributing the commodities or completing the project which is the subject of the bidder's bid and continuously over the entire term of the project, on average at least seventy-five percent of the bidder's employees or the bidder's affiliate's or subsidiary's employees are residents of West Virginia who have resided in the state continuously for the two immediately preceding years and the vendor's bid; or,
4.  **Application is made for 5% vendor preference for the reason checked:**  
Bidder meets either the requirement of both subdivisions (1) and (2) or subdivision (1) and (3) as stated above; or,
5.  **Application is made for 3.5% vendor preference who is a veteran for the reason checked:**  
Bidder is an individual resident vendor who is a veteran of the United States armed forces, the reserves or the National Guard and has resided in West Virginia continuously for the four years immediately preceding the date on which the bid is submitted; or,
6.  **Application is made for 3.5% vendor preference who is a veteran for the reason checked:**  
Bidder is a resident vendor who is a veteran of the United States armed forces, the reserves or the National Guard, if, for purposes of producing or distributing the commodities or completing the project which is the subject of the vendor's bid and continuously over the entire term of the project, on average at least seventy-five percent of the vendor's employees are residents of West Virginia who have resided in the state continuously for the two immediately preceding years.
7.  **Application is made for preference as a non-resident small, women- and minority-owned business, in accordance with *West Virginia Code* §5A-3-59 and *West Virginia Code of State Rules*.**  
Bidder has been or expects to be approved prior to contract award by the Purchasing Division as a certified small, women- and minority-owned business.

Bidder understands if the Secretary of Revenue determines that a Bidder receiving preference has failed to continue to meet the requirements for such preference, the Secretary may order the Director of Purchasing to: (a) rescind the contract or purchase order; or (b) assess a penalty against such Bidder in an amount not to exceed 5% of the bid amount and that such penalty will be paid to the contracting agency or deducted from any unpaid balance on the contract or purchase order.

By submission of this certificate, Bidder agrees to disclose any reasonably requested information to the Purchasing Division and authorizes the Department of Revenue to disclose to the Director of Purchasing appropriate information verifying that Bidder has paid the required business taxes, provided that such information does not contain the amounts of taxes paid nor any other information deemed by the Tax Commissioner to be confidential.

**Bidder hereby certifies that this certificate is true and accurate in all respects; and that if a contract is issued to Bidder and if anything contained within this certificate changes during the term of the contract, Bidder will notify the Purchasing Division in writing immediately.**

# DESCENDED FROM A LO LINE OF WORKAHOLICS

For a long time, you've wanted the quality and value of Western Star. And now you can get it. We built the all-new Western Star® 4700SB and 4700SF specifically to meet the demanding needs of vocational applications and today's tightening budgets. And we did it with input from you – the people who actually do the jobs. After all, no one knows what you need better than you do.

Of course, this new truck is still every bit a Western Star. Hand built with an unmatched attention to detail, just like we've done for over 40 years. Durable, reliable and rugged, designed to be lighter weight to save you money today and for years to come. So meet the new Star. Everything you need. Nothing you don't.

NG

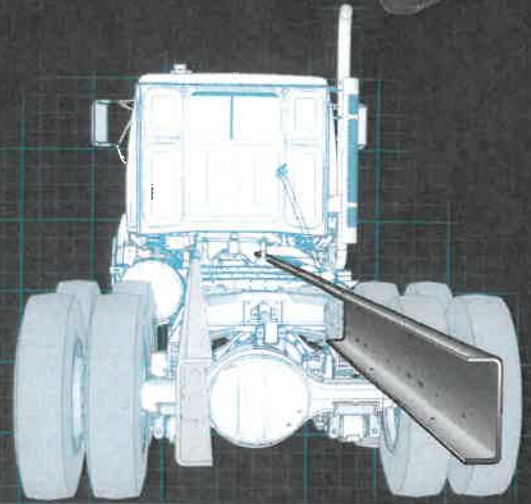

## The all-steel, corrosion-resistant office.

No aluminum or rivets here. That just wouldn't be strong enough. Our galvanized steel cabs are built to keep you safe. Extra gussets and reinforcements, bonded instead of riveted, precision welded for strength, then dipped and protected with a 17-stage e-coat process for long-lasting corrosion resistance and a superior paint finish. Strength and longevity are the goals. We'd say they've been exceeded.

### A NEW INTERIOR DESIGNED TO FIT THE WAY YOU WORK.

The interior of the Western Star 4700 isn't built just to look pretty. It's built to make the job easier. A 72-inch-wide cab that's simple to get in and out of. Greater visibility. And a selection of new colors and finishes for a workplace that's brighter and easier to clean. One with loads of storage in the doors and between the seats, as well as features like customizable marine-grade switches and a hinged dash with exposed fasteners for improved serviceability. Yes, form does meet function.

### HEAVYWEIGHT PERFORMANCE. WITHOUT THE HEAVY.

Yes, you can get strong and light. The half-inch-thick, single-channel frame rails available on the 4700 give you both. Rated at 3.2M RBM, they also come custom drilled for your application, for added strength. And since they aren't stacked, it's harder for corrosion to start. Good idea.

### THE RIGHT SIZE TO DO JUST ABOUT ANYTHING.

With a newly designed sloped hood and a 110-inch BBC, the 4700 offers unobstructed sight lines with incredible visibility. Plus, its shorter overall length, when combined with a 55-degree wheel cut, gives you the maneuverability to get into – and out of – some pretty tight spots.

## Wiring made easy.

Few things can speed up an installation like smart wiring. So we put our body builder interface connector and transmission control unit in the cab and out of the elements. You'll also find a bolt-in pass-through plate in the cab floor to eliminate unnecessary drilling, and a dedicated floor channel with an easy-to-remove top that provides plenty of room for you to run your own wiring. Anything to make it easy.

# JUST WHAT THE BODY BUILDERS ASKED FOR.

We didn't only talk to owners. We talked to body builders, too. Which is why we built the all-new Western Star® 4700SB and 4700SF with the features and body builder-specific options that reduce their installation time and save you money. Clean back of cab, in-cab batteries for clear frame rails, front frame extensions, ample room between the seats to install auxiliary equipment, and the list goes on. Just ask your dealer for more details.

## **There's more than one way to run an exhaust.**

Whether you need a clean back of cab or are looking for options to maximize fuel capacity, you'll find the exhaust options to make your truck a reality.

## **Pumps. Outriggers. And PTOs.**

The 4700 comes standard with a stationary grille to make installing the equipment you need a little more convenient.

# To us, close enough just isn't good enough.

When it comes to choosing an engine, close enough should never enter the conversation. That's why we offer a variety of Detroit™ and Cummins engine choices to give you the widest range of horsepower ratings for your application.

**CUMMINS ISC**  
260-350, 1000lb-ft.

**CUMMINS ISL**  
345-380HP, 1150-1300lb-ft.

**DETROIT™ DD13®**  
350-470HP, 1250-1650lb-ft.

**DETROIT™**

**BLUETEC™**

## SCR. JUST ANOTHER WAY TO MAKE YOU MONEY.

SCR (Selective Catalytic Reduction) is a simple yet cost-effective solution to meeting today's challenging emission requirements while improving engine power and efficiency. With reduced maintenance, better fuel economy and less regenerations, SCR helps increase engine performance and reliability for greater uptime. Whether you're driving to the job site or running the PTO when you're hard at work, SCR is the proven emissions system that provides a substantial return on your investment.

## THE RIGHT TRUCK FOR THE JOB. ANY JOB.

The 4700 was engineered to be versatile. Easy to body up and built to last. The only question left to answer is how many you should order.
