42. PREFERENCE FOR USE OF DOMESTIC STEEL PRODUCTS: Except when authorized by the Director of the Purchasing Division pursuant to W. Va. Code § 5A-3-56, no contractor may use or supply steel products for a State Contract Project other than those steel products made in the United States. A contractor who uses steel products in violation of this section may be subject to civil penalties pursuant to W. Va. Code § 5A-3-56. As used in this section:

- a. "State Contract Project" means any erection or construction of, or any addition to, alteration of or other improvement to any building or structure, including, but not limited to, roads or highways, or the installation of any heating or cooling or ventilating plants or other equipment, or the supply of and materials for such projects, pursuant to a contract with the State of West Virginia for which bids were solicited on or after June 6, 2001.
- b. "Steel Products" means products rolled, formed, shaped, drawn, extruded, forged, cast, fabricated or otherwise similarly processed, or processed by a combination of two or more or such operations, from steel made by the open heath, basic oxygen, electric furnace, Bessemer or other steel making process. The Purchasing Division Director may, in writing, authorize the use of foreign steel products if:
- c. The cost for each contract item used does not exceed one tenth of one percent (.1%) of the total contract cost or two thousand five hundred dollars (\$2,500.00), whichever is greater. For the purposes of this section, the cost is the value of the steel product as delivered to the project; or
- d. The Director of the Purchasing Division determines that specified steel materials are not produced in the United States in sufficient quantity or otherwise are not reasonably available to meet contract requirements.

43. PREFERENCE FOR USE OF DOMESTIC ALUMINUM, GLASS, AND STEEL: In Accordance with W. Va. Code § 5-19-1 et seq., and W. Va. CSR § 148-10-1 et seq., for every contract or subcontract, subject to the limitations contained herein, for the construction, reconstruction, alteration, repair, improvement or maintenance of public works or for the purchase of any item of machinery or equipment to be used at sites of public works, only domestic aluminum, glass or steel products shall be supplied unless the spending officer determines, in writing, after the receipt of offers or bids, (1) that the cost of domestic aluminum, glass or steel products is unreasonable or inconsistent with the public interest of the State of West Virginia, (2) that domestic aluminum, glass or steel products are not produced in sufficient quantities to meet the contract requirements, or (3) the available domestic aluminum, glass, or steel do not meet the contract specifications. This provision only applies to public works contracts awarded in an amount more than fifty thousand dollars (\$50,000) or public works contracts that require more than ten thousand pounds of steel products.

The cost of domestic aluminum, glass, or steel products may be unreasonable if the cost is more than twenty percent (20%) of the bid or offered price for foreign made aluminum, glass, or steel products. If the domestic aluminum, glass or steel products to be supplied or produced in a

“substantial labor surplus area”, as defined by the United States Department of Labor, the cost of domestic aluminum, glass, or steel products may be unreasonable if the cost is more than thirty percent (30%) of the bid or offered price for foreign made aluminum, glass, or steel products. This preference shall be applied to an item of machinery or equipment, as indicated above, when the item is a single unit of equipment or machinery manufactured primarily of aluminum, glass or steel, is part of a public works contract and has the sole purpose or of being a permanent part of a single public works project. This provision does not apply to equipment or machinery purchased by a spending unit for use by that spending unit and not as part of a single public works project.

All bids and offers including domestic aluminum, glass or steel products that exceed bid or offer prices including foreign aluminum, glass or steel products after application of the preferences provided in this provision may be reduced to a price equal to or lower than the lowest bid or offer price for foreign aluminum, glass or steel products plus the applicable preference. If the reduced bid or offer prices are made in writing and supersede the prior bid or offer prices, all bids or offers, including the reduced bid or offer prices, will be reevaluated in accordance with this rule.

44. INTERESTED PARTY SUPPLEMENTAL DISCLOSURE: W. Va. Code § 6D-1-2 requires that for contracts with an actual or estimated value of at least \$1 million, the vendor must submit to the Agency a supplemental disclosure of interested parties reflecting any new or differing interested parties to the contract, which were not included in the original pre-award interested party disclosure, within 30 days following the completion or termination of the contract. A copy of that form is included with this solicitation or can be obtained from the WV Ethics Commission. This requirement does not apply to publicly traded companies listed on a national or international stock exchange. A more detailed definition of interested parties can be obtained from the form referenced above.

- 3.2.2 Mobilization:** To meet the immediate needs of the WVDOH, when a Vendor is required to deliver lease/rental equipment, Vendors shall deliver needed lease/rental equipment upon notice by the WVDOH, per Section 6.1 of these specifications, assembled and ready to operate to any location or locations as designated by the WVDOH on a Delivery Order. This may include weekends and/or holidays. Pricing for mobilization shall be bid per mile. Mobilization bid in any form other than cost per mile shall be grounds to disqualify the Vendor's bid. Vendor shall bid the cost of delivery of the leased/rented equipment for the first mile and the cost for any additional miles after the first mile.

Delivery/Mobilization fees shall be calculated and paid one-way only, by the WVDOH, from the Vendor's storage location to the WVDOH project site. When the Vendor has multiple projects, or the leased/rented equipment is traveling from one WVDOH location or project to project, additional miles will only be paid from project to project or from the Vendor's storage location to the project, whichever is less mileage. The WVDOH will provide the location for delivery of the leased/rented equipment to the Vendor on a Delivery Order.

The WVDOH will calculate the in-state delivery route mileage from the equipment owner's location of the leased/rented equipment to the WVDOH job site using the WVDOH Straight Line Diagrams. These Diagrams for WV Primary Routes and WV Secondary Routes are available in each WVDOH's District Office and the Central Office located in Charleston, WV. The WVDOH will determine the route to be taken due to bridge and/or road restrictions.

Out-of-state delivery route mileage will be calculated by the WVDOH using "Google Maps" or a similar source for routing from the equipment owner's location of the leased/rented equipment to the WV State line at which time, the Straight-Line Diagrams will be sourced to the WVDOH job site.

- 3.2.3 Lease/Rental Period:** Quoted rates for leased/rented equipment, without Operator, shall be for lease/rental days, weeks and/or months.

A lease/rental day is a day of agency possession of leased/rented equipment during which it is not down for four hours or more during the normal work period.

Any minor and/or major needed repairs discovered during the operator's daily/weekly inspection shall be noted on the maintenance and operational checklist. The WVDOH shall contact the Vendor before the leased/rented equipment is placed into service by the WVDOH.

3.2.4.1.2 Repair or Replacement Parts: The WVDOH shall reimburse the Vendor for the repair or replacement of any part of the leased/rented equipment which shall be destroyed, damaged or made inoperative because of ordinary negligence, abuse or improper operation by its personnel. The WVDOH shall not be responsible for any such replacement or repair caused by a defect existing in such leased/rented equipment at the time of delivery by the Vendor to the WVDOH or if the need for such repair or replacement resulted from normal usage.

3.2.4.2 Down Time: All leased/rented equipment inoperable due to the necessity of replacement of parts or repair of damage for a period greater than four (4) hours shall be considered by the WVDOH as "down" and no payment shall be made by the WVDOH for the use of the leased/rented equipment for such periods unless "down time" is due to the negligence or lack of reasonable care by the WVDOH.

3.2.4.3 Risk of Loss, Damage, Destruction or Theft: While in the possession or under the control of the WVDOH, due to or caused by the ordinary negligence of the WVDOH or its personnel or by the failure of the WVDOH or its personnel to exercise ordinary care for the protection of such leased/rented equipment, the responsibility shall be borne by the WVDOH from and after the delivery of such leased/rented equipment by the Vendor to the location designated by the Delivery Order and its acceptance by the WVDOH according to Section 6.1.1 of these contract specifications and the terms and conditions hereinafter set forth. The WVDOH shall reimburse the Vendor for the repair or replacement of any part of said leased/rented equipment which shall become lost, stolen or damaged due to the failure of the WVDOH and its personnel to use ordinary care for the protection of such leased/rented equipment.

mechanical function and safety condition of the unit. Damaged leased/rented equipment such as, but not limited to, Aerial Bucket Truck, Aerial Platform Truck, Crane, Manlift and Underbridge Platform Inspection Units shall receive inspections and tests to be in full compliance meeting all manufacturer's, State and Federal rules and regulations before being placed back into service for use by the WVDOH.

4. CONTRACT AWARD:

4.1 Contract Award: The Contract is intended to provide Agencies with a lease/rental price on all Contract Items. A Contract shall be awarded to all responsible Vendors that provide the Contract Items for lease/rental which meet all required specifications of this contract.

4.2 Pricing Pages and Information Attachment form:

4.2.1. Exhibit A, Pricing Pages: Vendors may bid any or all items on **Exhibit A, Pricing Pages**.

Vendors should submit their proposed pricing for each item bid as daily, weekly and/or monthly on the Pricing Pages. Proposed pricing submitted in any other format other than what is requested on the Pricing Pages shall be grounds to disqualify the Vendor's bid for the piece of equipment or the bid in its entirety. Proposed pricing for delivery fee rates are only acceptable per Section 3.2.2 of the contract specifications.

Vendors should submit a description of the proposed equipment for each item bid on the Pricing Page. This information should include the Manufacturer's Name, Model Number and Serial Number, where applicable.

Multiple pieces of equipment can be proposed/identified on one Pricing Page whether pricing is the same or varying prices.

The Pricing Pages contain a list of Contract Items. There is no estimated lease/rental volume available for any Contract Item. No future use of the Contract or any individual Contract Item is guaranteed or implied.

Vendor to give to another Vendor, but to establish a transition process from one contract to another contract.

5. ORDERING, INVOICING AND PAYMENT:

- 5.1 Ordering:** Vendor shall accept orders through wvOASIS, regular mail, facsimile, e-mail, or any other written forms of communication. Vendor may, but is not required to, accept on-line orders through a secure internet ordering portal/website. If Vendor can accept on-line orders, it should include in its response a brief description of how Agencies may utilize the on-line ordering system. Vendor shall ensure that its on-line ordering system is properly secured prior to processing Agency orders on-line.

At the time of need, the selection method to determine the low-bid Vendor per project, the WVDOH will calculate the cost of leasing/renting the equipment plus the cost of delivery of the leased/rented equipment from the Vendor's base location to the WVDOH job site and award the Delivery Order to the Vendor who can furnish the leased/rented equipment at the least overall cost. The WVDOH shall record the Vendor's equipment serial number on the Delivery Order.

An example: Lease/Rental of an Aerial Bucket Truck for three days, at \$100.00/day with a 10-mile delivery at \$1.00/1st mile and \$.50/each additional mile. To calculate lease/rental: \$100.00/day x 3 days = \$300.00 for lease/rental of the equipment only. To calculate mobilization: \$1.00/1st mile plus \$.50/each additional mile x 9 miles = \$5.50 for mobilization of equipment only. Add \$300.00 for equipment and \$5.50 for mobilization for a total of \$305.50 lease/rental for three days.

Proximity of the leased/rented equipment to the WVDOH job site shall be a factor in determination of each Delivery Order. As explained in the preceding paragraphs, the Delivery Order will be issued to the lowest awarded Vendor; however, it is understood between the WVDOH and all awarded Vendors, if the low awarded Vendor for any given job is unable to perform, the Delivery Order will be cancelled and given to the next lowest awarded Vendor. If a Vendor cannot be found to perform the duties and obligations under this contract, the Delivery Order may be cancelled and the lease/rental for the needed equipment may be bid on the open market.

NOTE: Due to unforeseen circumstances when delivery by the Vendor is not feasible to meet the immediate need, the WVDOH shall have the option of picking up the leased/rented equipment from a Vendor's base

shall not be used for invoicing purposes. Payment shall only be made for actual leased/rented days.

- 5.3 Payment:** Vendor shall accept payment in accordance with the payment procedures of the State of West Virginia. The State of West Virginia currently utilizes a Purchasing Card program, administered under contract by a banking institution, to process payment for goods and services. **The Vendor must accept the State of West Virginia's Purchasing Card for payment of all orders under this Contract.**

6. DELIVERY AND RETURN:

- 6.1 Delivery Time:** Vendor shall deliver standard orders within 24 hours after orders are received. Vendor shall deliver emergency orders within an agreed upon acceptable timeframe by the Vendor and the WVDOH after orders are received.

- 6.1.1 Acceptance, Beginning of Lease/Rental Period:** Upon delivery of the leased/rented equipment by the Vendor to the location described in the Delivery Order, the WVDOH shall test and inspect the leased/rented equipment. If such leased/rented equipment is found to be in good order, the WVDOH shall accept the leased/rented equipment and acknowledge the same in whatever form reasonably required by the Vendor. Such leased/rented equipment shall be deemed to have been delivered to and accepted by the WVDOH on the date specified in such acknowledgement and the term of the Delivery Order and this contract shall be deemed to begin on that date.

- 6.2 Late Delivery:** The Agency placing the order under this Contract must be notified in writing if orders will be delayed for any reason. Any delay in delivery that could cause harm to an Agency will be grounds for cancellation of the delayed order, and/or obtaining the items ordered from a third party.

Any Agency seeking to obtain items from a third party under this provision must first obtain approval of the Purchasing Division.

- 6.3 Delivery Payment/Risk of Loss:** Standard order delivery or emergency delivery shall be as per Section 3.2.2 of the contract specifications. Vendor shall include the cost of standard order delivery charges as directed in Section 3.2.2 of the contract specifications.

8. MISCELLANEOUS:

- 8.1 No Substitutions:** Vendor shall supply only Contract Items submitted in response to the Solicitation unless a Contract modification is approved in accordance with the provisions contained in this Contract.
- 8.2 Vendor Supply:** Vendor must carry sufficient inventory of the Contract Items being offered to fulfill its obligations under this Contract. By signing its bid, Vendor certifies that it can supply the Contract Items contained in its bid response.

Insurance coverage will be provided by that agency only for long term, over thirty consecutive days of equipment lease/rental. Insurance coverage for short term lease/rental of equipment will be the responsibility of the owner/Vendor. The WVDOH will, at its option, either replace or pay to the Vendor the fair market value of any of the said equipment or any part thereof, lost destroyed or stolen because of the negligence of or lack of ordinary care on the part of its employees.
- 8.6 Liens:** The WVDOH shall not directly or indirectly create, incur, assume or suffer to exist any mortgage, pledge, lien, charge and encumbrance or claim on or with respect to the lease/rented equipment, except with respect to the respective rights of the Vendor and the WVDOH.
- 8.7 Reports:** Vendor shall provide quarterly reports and annual summaries to the Agency showing the Agency's items leased/rented, quantities of items leased/rented and total dollar value of the items leased/rented. Vendor shall also provide reports, upon request, showing the items leased/rented during the term of this Contract, the quantity leased/rented for each of those items and the total value of lease/rental for each of those items. Failure to supply such reports may be grounds for cancellation of this Contract.
