May 30, 2019

State of West Virginia
Department of Administration
Purchasing Division
2019 Washington Street East
Charleston, West Virginia 25305

We are very pleased to present our qualifications to provide accounting consulting services to the West Virginia Division of Highways, hereafter referred to as the (“Division”) for the fiscal years ending June 30, 2019 through June 30, 2021. Brown, Edwards & Company, L.L.P. (“Brown Edwards”) has a large governmental and municipal practice and is a leader in providing services to governmental and municipal clients in West Virginia and throughout the region. ***We believe the Division would be an important part of our governmental practice and our firm.***

The Right Firm

As the Division continues to face new challenges, you will need an exceptional relationship with, and commitment from, professionals who can support your efforts. Brown Edwards provides expertise not only in accounting, auditing and tax, but also offers the specific knowledge of dedicated specialists with an unparalleled depth of financial advisory, information technology, and consulting expertise. Our long-standing presence and commitment to our region’s business communities have resulted in assembling an impressive portfolio of clients not only in the governmental arena but in other industries as well. As you review our proposal, keep in mind the reasons Brown Edwards should be your choice:

- **West Virginia State Agency / Component Unit Experience** – Brown Edwards has extensive experience with auditing state agencies and component units. Through our merger with Gibbons & Kawash, A.C. on January 1, 2018, we have extended our overall experience with state agencies to levels that are unmatched by other local or regional firms. Our team is equipped with much more than a surface level understanding of GASB statements – they have a deep understanding of the accounting principles and concepts which underlie those standards. This helps our team tackle unusual or complex matters efficiently and effectively, and gives our clients confidence that we are addressing such matters appropriately.

As Gibbons & Kawash, we served the State of West Virginia for over 25 years, and are pleased to present our qualifications to continue to serve the State of West Virginia as Brown Edwards in a new capacity for the years ending June 30, 2019 through 2021. Our track record of providing quality and timely service, reliable advice, and clear communication is well known. In addition to quality service, you need a firm that can be responsive to your needs, serve you as a priority client, and provide a high degree of personalized service. We believe our experience with the State of West Virginia, and specifically the Division, allows us to present the highest qualifications and value for the services requested.

- We are uniquely positioned to serve you. Our understanding of the Financial Accounting and Reporting Sections (FARS) of the West Virginia Department of Administration will ensure that your engagement is conducted with uncompromising quality. Our engagement teams have included and will continue to include members with a strong institutional knowledge of the Financial Accounting and Reporting Section (FARS) of the West Virginia State Department of Administration.

The Right Firm (Continued)

- In addition, we have access to the resources of one of the nation's largest accounting and advisory firms, BDO USA, and hundreds of other CPA and specialty consulting firms, through our membership in the BDO Alliance USA. Other firms would be hard pressed to demonstrate our depth and breadth of experience.
- **Governmental and Municipal Experience** – We are one of the leading firms in West Virginia, Virginia, and Tennessee in serving governmental and municipal entities. We spend approximately 40,000 hours annually providing audit, accounting, and advisory services to our governmental and municipal clients, and other related entities that expend government funding or fall under *Government Auditing Standards*. We have over **twenty-five years of experience with the GFOA Certificate of Excellence in Financial Reporting Program**, and all of our clients who have chosen to participate receive the certificate.
- **License to Practice in West Virginia** – Brown Edwards, as well as key staff assigned to the engagement, are licensed as Certified Public Accountants in West Virginia and meet all specific qualification requirements imposed by state laws.
- **Engagement staff consistency** – Staff turnover is unavoidable in any organization, particularly in CPA firms. Although our turnover rate is generally below average for CPA firms, it does occur. In order to minimize the effects on our clients of turnover, each Brown Edwards partner, director, and senior manager are responsible for significantly fewer staff and engagement hours than partners in other firms. The resulting increased involvement by high level professionals minimizes the effects of inevitable staff turnover on our clients.
- **Client Satisfaction** – In our efforts to provide excellent service to our clients, we periodically ask for feedback in the form of a client survey. The questions include topics on overall satisfaction, interaction with our team members, promptness of communication, and proactivity in offering valuable solutions. We sent our most recent survey to over 60 local government clients and we feel the results speak for themselves – over 80% of those responding indicated they were either very satisfied or extremely satisfied with their relationship with Brown Edwards. When asked specifically if they would likely to recommend Brown Edwards to others, 93% indicated they would be either likely or extremely likely to do so.
- **Annual Government Conference** – Each year we conduct a one-day conference in central Virginia specifically geared to governmental entities. In recent years, topics such as GASB updates, pension standards, utility rate setting, internal controls, budgeting, and capital markets have been presented. This seminar, which celebrated its 22nd year in January 2019, has consistently received outstanding evaluations.

An Exceptional and Unique Commitment

Every firm proposing to serve you will present their credentials in great detail; we are no exception. There is more, however, to a successful professional relationship, including how information gathered during the process is used and intangible factors such as commitment and service. We have structured this proposal to communicate Brown Edward's experience and qualifications to effectively and efficiently respond to the requirements and expectations of the Division, and have made every effort to completely respond to all matters identified in your request for quotation. If you have any questions about our qualifications, or need more information, I would be pleased to provide it. Please do not hesitate to contact me.

Respectfully submitted,

BROWN, EDWARDS & COMPANY, L.L.P.

Robert E. Adams, CPA
Partner

HISTORY OF THE FIRM

Brown Edwards is a regional accounting firm formed in 1967 through the merger of Fred P. Edwards Company and C. A. Brown & Company, whose histories date back to the 1920s. The firm has enjoyed significant growth since its formation, thanks to an unwavering commitment to our clients to provide the highest quality professional services in the industry and the attention and responsiveness they deserve and have come to expect.

With an average of 25 years of experience for partners and directors and 10 years for senior managers and managers, team members at Brown Edwards bring significant experience and knowledge to every client engagement. Each service area offers specialists in accounting, assurance, tax, and management advisory services to our clients. In addition, we have developed industry teams, such as our not-for-profit, higher education, health care, financial institutions, and governmental practice units, which are comprised of team members with in-depth experience and specialized training who spend substantially all of their professional life providing services exclusively to clients in those specific industries.

QUICK FACTS ABOUT BROWN EDWARDS

OUR COMMITMENT TO EXCELLENCE

All aspects of our service quality are monitored against our **5 Star Service Quality Standards**. The 5 Star include standards for responsiveness, product quality and delivery, ease of access to decision makers and professional attitudes of all members of our team. While these standards are part of our culture, we also monitor how well we are doing by annual face-to-face client surveys in which members of the firm, not associated with an engagement, conduct interviews of selected clients to obtain feedback related to service quality. The results of these surveys assist us in realignment of priorities and, on an ongoing basis, support our goal of continuous improvement of service quality.

MEMBERSHIP ORGANIZATIONS

Brown Edwards is a member of the American Institute of Certified Public Accountants' Center for Audit Quality. This membership requires a peer review every three years. **Our most recent peer review was performed in September 2018. We received a "Pass" rating, the highest rating achievable, for our 2018 review.** Further, Brown Edwards has a practice niche which provides peer review services for other firms. Our peer review clients include several top 100 firms in the country, and two in the top 20. Participation as peer reviewers exposes us to the work of other excellent firms, and requires that our team members are always current as to new or emerging professional standards, audit approaches, and technology. A copy of our most recent peer review is attached as **Appendix B** for your convenience.

CENTER FOR AUDIT QUALITY
Serving Investors, Public Companies, Auditors & the Markets

Brown Edwards is also registered with the Public Company Accounting Oversight Board (PCAOB). This Board monitors quality in firms that audit public companies, which subjects our firm to stringent inspection and requires that we meet the highest level of technical quality in the profession today. The benefit to you is that our quality control systems and educational requirements are subject to the same standards and inspections as are those of the largest firms. **We are very proud of the results of our PCAOB inspections, the most recent being in 2016. In each of our five inspections, we received an unqualified report with no findings, a distinction that few firms have achieved.** PCAOB inspection reports are public documents and receipt of a report with no findings places us in an enviable position when compared with peer firms, including those that are significantly larger than our firm.

As an independent member of the BDO Alliance USA, Brown Edwards can expand the services offered to clients by drawing on the resources of BDO USA, LLP, the fifth largest accounting services firm in the nation, and other Alliance members. The firm serves clients through 63 offices and more than 450 independent Alliance firm locations nationwide. As an independent Member Firm of BDO International Limited, BDO serves multi-national clients through a global network of more than 1,300 offices in over 150 countries.

Brown Edwards is also a member of the American Institute of Certified Public Accountants' Governmental Audit Quality Center (GAQC). The GAQC is designed to help CPAs meet the challenges of performing quality governmental audits. The GAQC's primary purpose is to promote the importance of **quality governmental audits and the value of such audits to purchasers of governmental audit services.** As a member of the GAQC, we adhere to specific membership requirements covering the governmental audits we perform, comply with the specific continuing education requirements for all of our personnel working on these audits, and have access to tools that focus around quality improvement. We believe our participation in the GAQC enhances our audit services to all clients.

Key members of our engagement team are members of the Government Finance Officers Association. All of our local government team partners, directors, and senior associates have extensive experience with the GFOA certificate program. In addition, certain members of our staff have served as qualified reviewers for the GFOA certificate program.

MEMBERSHIP ORGANIZATIONS (CONTINUED)

We receive comprehensive resources and up-to-date information on a variety of technical, legislative, and regulatory subjects to assist us in performing employee benefit plan audits and ensure clients are in compliance with the appropriate standards and changes in regulations. These resources help us respond quickly to new standards and requirements to ensure the efficiency of your audit engagement.

Brown Edwards also employs several Certified Fraud Examiners (“CFE”). CFE’s are experts in the field of internal control, fraud detection and prevention, litigation support, and expert witness assistance. This designation, and the skills associated with this certification, provide an added benefit to complex municipal engagements.

Brown Edwards performs peer reviews for six to eight firms each year, and our peer review clients include seven top 100 firms in the country in terms of annual revenue. Four key members, including Chris Banta, of our governmental team participate significantly in this practice area. Participation as peer reviewers gives Brown Edwards exposure to the work of other quality firms and is an excellent exercise to ensure we are up-to-date on the most recent professional standards.

THE BENEFITS OF A REGIONAL FIRM

As a regional firm, we offer the best of both worlds. With a total staff of over 350, we are large enough to provide services to a broad range of clients in the functional areas of accounting, auditing, tax, and management advisory services while providing you with **direct access to our partners and directors**.

Although we are considered a large firm on a national basis, Brown Edwards is **owned, operated, and managed locally** and as a result we can **respond to your needs quickly and effectively**. Our offices are located in West Virginia, Virginia, and Tennessee, and we have quick and easy access to all of the southeastern United States. **Because we live and work very close to all the markets we serve, our partners and directors are always accessible to you.** Having **unparalleled access to our firm’s decision makers** helps to create the meaningful relationship between our firm and our clients that you should expect from your auditors. Our goal with the Division is not merely to provide the desired services but to proactively work with the Division’s management to identify opportunities and use our resources to support your strategic mission – **Your Success is Our Focus**.

“In a constantly changing governmental environment full of industry standard updates and changes, Brown Edwards is always there to help guide the implementation to make the transition smooth. They are a top notch quality firm that gets the job done right.”

**-Matthew R. Hornby, Assistant
Director of Finance
Town of Blacksburg, Virginia**

SERVICE TEAM

We have assembled a dedicated team of local professionals to serve the needs of the Division. These individuals bring a wide range of experience, professionalism, and insight to your engagement. They each have proven records with other governmental entities. Our service team is exceptionally well suited to meet your needs because:

- Our firm's experience and commitment to continuing to build our governmental practice ensures that your questions and concerns are addressed promptly.
- Our local presence provides immediate availability of resources, expertise, and decision-making on the Division's engagement.
- Our people have experience and knowledge that is relevant to the financial, accounting, information technology, and other business considerations facing the Division.
- Our people are active members in various governmental organizations and associations, and maintain a strong professional relationship with FARS, the GFOA, and GASB.
- All service team members meet or exceed minimum continuing professional education requirements, including the stringent requirements under the GAO Yellow Book.

People make the difference in professional relationships. We believe communication and personal chemistry are particularly important elements of client relationships, especially in the dynamic governmental arena. Our professionals are skilled in this field, and we expect you will feel comfortable with their expertise and commitment. A short introduction to your service team is listed below with full biographies listed in **Appendix A**.

Engagement Partner – Robert E. Adams, CPA, CGMA, is a partner with Brown Edwards who has extensive experience in serving governmental and not-for-profit clients and will serve as the lead partner on your engagement. In this role, Rob will assume primary responsibility for the successful completion of the engagement and will maintain contact with senior management of the Division throughout the engagement to ensure that services and resources are provided to the Division in a timely manner. Rob will also provide technical expertise to the team and perform review and supervision procedures.

Concurring Partner – Chris Banta, CPA, CFE, is a partner with Brown Edwards who has extensive governmental and nonprofit entity experience and will serve as concurring partner for the engagement. The role of the concurring partner is an essential element of Brown Edwards' quality processed services. Chris will be available to consult with the team on accounting and reporting matters and provide technical expertise.

Senior Manager – Anthony Carpenter, CPA, is a senior manager at Brown Edwards with many years of specialized experience with governmental entities and nonprofit organizations. Anthony will be responsible for developing our approach, supervising and coordinating the efforts of the engagement team, identifying and researching technical issues, and administrative matters.

SERVICE TEAM (CONTINUED)

Senior Manager – Faye McQuinn, CPA, is a senior manager at Brown Edwards with many years of specialized experience with governmental entities and nonprofit organizations. Faye will also be responsible for developing the approach, supervising and coordinating the efforts of the engagement team, identifying and researching technical issues, and administrative matters.

Manager – Staunton Gorrell, CPA, is a manager in Brown Edwards with multiple years of specialized experience with governmental entities and nonprofit organizations. Staunton will be focused on supervising our engagement and assisting all personnel assigned on a daily basis.

Information Technology Director – Cindy Gross, CPA, CISA, C|EH, is an information technology director with extensive experience with governmental entities and nonprofit organizations. Cindy will serve as a consultant to the engagement. In this role, she will be available to provide technical expertise throughout the engagement.

CONTINUING PROFESSIONAL EDUCATION

One of the best measures of a firm's commitment to its audit practice is the depth of specialized training provided to its professionals. Brown Edwards provides internal and external training on governmental accounting, auditing, reporting, and operations in excess of the GAO requirements. In addition, our membership in the AICPA's Governmental Audit Quality Center requires additional levels of continuing professional education to maintain our membership. We continually monitor the issuance of technical auditing and accounting pronouncements and provide our personnel with specialized training in these areas. Professionals at all levels receive specialized training in seminars and courses presented by nationally recognized experts in governmental and nonprofit accounting, auditing and financial reporting. Brown Edwards' professional staff has met all continuing professional education requirements.

COMMITMENT TO PROVIDE CONTINUITY OF STAFF

Brown Edwards has been fortunate in that we have experienced minimal turnover in recent years. As a result, we are able to provide consistent staffing on our engagements. Our approach is focused on delivering the quality of our engagement, but also providing value-added aspects to the engagement. Many larger firms may rotate staff completing the engagement, resulting in clients "educating" new staff members. Brown Edwards pledges to maintain a consistent leadership team that will not require this yearly "education."

PRACTICE NICHE

The Charleston office of Brown Edwards including the former firm of Gibbons & Kawash has a long tradition of providing the highest quality professional services to governmental clients. The Brown Edwards' Charleston office includes recent public sector experience to the following entities:

- City of Charleston, West Virginia
- Central West Virginia Regional Airport Authority
- Charleston Area Alliance
- Kanawha County Commission
- Kanawha County Sheriff's Department
- Kanawha Valley Regional Transportation Authority
- Kanawha County Regional Development Authority

EXPERTISE IN TECHNOLOGY

Brown Edwards is committed to providing our professionals access to sound and advance technology in order to ensure optimum levels of efficiency in our engagements. We use a “paperless” approach which enable our professionals to spend more time on judgment matters and in-depth research and analysis, rather than on “number crunching” and other mechanical aspects of client service, which enhances efficiency by allowing for the quick update of key documentation from year-to-year.

With an internet connection, our personnel can work from anywhere and have complete access to the firm’s network as well as access to multiple high quality research sites for research of accounting and auditing, and reporting issues. Our electronic software allows efficient integration of client prepared Word, PDF, and Excel files into our workpaper files. All data on Brown Edwards computers, including our workpapers in our computerized audit documentation management system, is encrypted using advanced algorithm technology. The data encryption ensures that in the unlikely event that one of our computers were to be lost or stolen, your data and our workpapers would be unreadable to anyone other than Brown Edwards personnel.

We use the following software solutions to perform the aforementioned tasks:

ProSystem Fx Engagement – A workpaper preparation program that produces financial statements, trial balances, journal entries, fluctuation and ratio analysis.

Checkpoint - Online access to an expansive library of tax, accounting, auditing, and corporate finance content, including primary source materials and expert analysis.

IDEA - A powerful data extraction and analysis program that provides us with access to large amounts of data from which we can quickly import, join, analyze, sample and extract data from almost any source. Through data extraction and analysis programs, a significant amount of information can be evaluated for unusual relationships, which may be the result of erroneous data. **In most cases, use of IDEA reduces the audit preparation time for the client and reduces the duration of fieldwork testing.**

ShareFile - A secure cloud-based collaboration, file-sharing and workflow solution that supports all the document-centric needs of businesses. Auditors and clients can safely share large files, e-sign and get secure remote access to servers and PCs from any device, any time.

Information and Cybersecurity Consulting

Brown Edwards also offers specialized Information and cybersecurity consulting ranging from Security assessments and consulting to penetration and vulnerability testing to help identify threats to system security. Recent studies indicate less than 50% of companies and organizations are prepared for a cyber threat and 46% do not have any type of formal program.

EXPERTISE IN TECHNOLOGY (CONTINUED)

Information and Cybersecurity Consulting (Continued)

We have the expertise and experience to help our clients design and implement solid, secure programs for both IT compliance and security. Fees associated with these services would be based on the degree of responsibility involved and the skill required.

SERVICE PHILOSOPHY

First and foremost, we are in business to serve our clients, to help them solve their problems, achieve their objectives, and to make a solid contribution to their success. Our people work to identify and respond to our clients' needs. We believe that in the course of conducting professional services your firm should generate information and develop insights that-in the hands of professionals who combine competence with judgment, maturity, and creativity-will result in improvements, efficiencies, and wins. It is this "value-added" philosophy to client service that continues our approach to engagement management and distinguishes us from other firms.

We know our clients operate in a complex financial and compliance focused environment. At times, clients face challenges that only our expertise can assist with. These circumstances have strengthened our relationship with clients through services that are beyond the basic engagement. Brown, Edwards can provide a number of professional services, the following represent real world examples of services provided to actual clients:

- Forensic and fraud services
- Excess overtime analysis
- Information technology services, vulnerability evaluations, and social engineering tests
- Internal controls evaluation and testing
- Payroll tax compliance assistance
- Procurement law compliance analysis
- Payroll and human resources controls and process reviews

OUR UNDERSTANDING OF YOUR REQUIREMENTS

We understand that the West Virginia Purchasing Division is soliciting bids on behalf of West Virginia Division of Highways to establish an open-end contract for accounting consultation services.

We understand the Division has an independent audit as they are part of the State's Comprehensive Annual Financial Report.

We understand that the audit is due to the Financial Accounting and Reporting Section (FARS) by October 15 with the draft due September 15 of each year. In addition to the audit of the DOH, there is unaudited information that is due to FARS relating to the Department of Transportation.

OUR UNDERSTANDING OF YOUR REQUIREMENTS (CONTINUED)

We understand that the audit report is due to the Joint Committee's Legislative Services Division on or before September 30. **We also understand that a \$250.00 per day liquidated damages clause has been included in the RFQ to promote meeting the deadline.**

We understand that the selected firm will prepare the financial statements for the Division including notes to the financial statements and required supplementary information and will aid with preparation of the management's discussion and analysis. The selected firm will also provide guidance on requirements for Governmental Accounting Standards Board (GASB) Statements that will be effective in current and future years as requested by the Division. In addition, the selected firm will review and assist with audit support and workpapers requested by the firm doing the audit of the Division, including the Single Audit (which is not under the same audit contract).

We understand that two to five people will be needed on this engagement.

We understand that it is anticipated this engagement will begin each spring and run through October of each year.

We understand that once the contract is awarded, the Division must be informed in writing of any changes in staffing at the supervisory level and above. In addition, the Division retains the right to approve or reject replacements based upon their qualifications, experience, or performance.

We understand that the work will commence after the contract award and on a date to be mutually agreed upon between Brown Edwards and the Division. Preliminary interim work before fiscal year-end will be necessary.

We understand that once the data is available for year end, work will commence on preparing schedules and financial statements to assist in the audit process. The financial statements and all supporting schedules must be completed by October 15 of the current year.

We understand all work under the proposed contract will be under the direction of the Division. Written reports must be submitted initially in draft form in order that any necessary changes may be discussed and agreed upon before final acceptance.

Brown Edwards will hold entrance conferences with all key financial accounting personnel to discuss interim work to be performed and any anticipated problems. During fieldwork, Brown Edwards will meet at two week intervals with designated financial personnel in order to report the progress of its work and identify any problems, issues, and significant findings.

OUR UNDERSTANDING OF YOUR REQUIREMENTS (CONTINUED)

Brown Edwards understands that engagement partners, manager, other supervisory staff, seniors, and specialists may need to be changed if those personnel leave the firm, are promoted, or are assigned to another office. These personnel may also be changed for these or other reasons with the express prior written permission of the Division. In either case, the Division must be informed in writing of these changes and retain the right to approve or reject replacements based upon their qualifications, experience or performance. Other personnel may be changed at the discretion of Brown Edwards, provided that replacements have substantially the same or better qualifications or experience.

AFFIRMATIVE STATEMENTS

Brown Edwards is independent of the State of West Virginia, and any component units of the State of West Virginia, as defined by generally accepted auditing standards and *Government Auditing Standards*. We are free from all objections and interests that might materially conflict with interests of the State.

Brown Edwards will have one or more licensed CPA's with at least four years' experience with governmental engagements present when on site completing work. .

Brown Edwards professional accounting staff will have a minimum of four years of full-time paid experience in preparing or auditing governmental financial statements.

Brown Edwards has at least ten licensed CPA's on staff in Charleston office that are strictly audit and not tax professionals.

Brown Edwards is not currently contracted for the independent audit of the Division.

Brown Edwards has not failed a Peer Review of their audit or accounting practice within the last six years.

Brown Edwards maintains sufficient professional insurance coverage in accordance with the RFQ, and can provide evidence of such upon request.

Brown Edwards will include all out-of-pocket expenses in the hourly rate unit price.

APPENDIX B – PEER REVIEW REPORT

Report on the Firm's System of Quality Control

To the Partners of
Brown Edwards & Company L.L.P.
and the National Peer Review Committee

We have reviewed the system of quality control for the accounting and auditing practice of Brown Edwards & Company L.L.P. (the firm) applicable to engagements not subject to PCAOB inspection in effect for the year ended May 31, 2018. Our peer review was conducted in accordance with the Standards for Performing and Reporting on Peer Reviews established by the Peer Review Board of the American Institute of Certified Public Accountants (Standards).

A summary of the nature, objectives, scope, limitations of, and the procedures performed in a System Review as described in the Standards may be found at www.aicpa.org/prsummary. The summary also includes an explanation of how engagements identified as not performed or reported in conformity with applicable professional standards, if any, are evaluated by a peer reviewer to determine a peer review rating.

Firm's Responsibility

The firm is responsible for designing a system of quality control and complying with it to provide the firm with reasonable assurance of performing and reporting in conformity with applicable professional standards in all material respects. The firm is also responsible for evaluating actions to promptly remediate engagements deemed as not performed or reported in conformity with professional standards, when appropriate, and for remediating weaknesses in its system of quality control, if any.

Peer Reviewer's Responsibility

Our responsibility is to express an opinion on the design of the system of quality control and the firm's compliance therewith based on our review.

Required Selections and Considerations

Engagements selected for review included engagements performed under *Government Auditing Standards*, including compliance audits under the Single Audit Act, and audits of employee benefit plans.

As part of our peer review, we considered reviews by regulatory entities as communicated to the firm, if applicable, in determining the nature and extent of our procedures.

Opinion

In our opinion, the system of quality control for the accounting and auditing practice of Brown Edwards & Company L.L.P. applicable to engagements not subject to PCAOB inspection in effect for the year ended May 31, 2018, has been suitably designed and complied with to provide the firm with reasonable assurance of performing and reporting in conformity with applicable professional standards in all material respects. Firms can receive a rating of *pass*, *pass with deficiency(ies)* or *fail*. Brown Edwards & Company L.L.P. has received a peer review rating of *pass*.

APPENDIX E – ALL REQUIRED FORMS

STATE OF WEST VIRGINIA
Purchasing Division

PURCHASING AFFIDAVIT

CONSTRUCTION CONTRACTS: Under W. Va. Code § 5-22-1(i), the contracting public entity shall not award a construction contract to any bidder that is known to be in default on any monetary obligation owed to the state or a political subdivision of the state, including, but not limited to, obligations related to payroll taxes, property taxes, sales and use taxes, fire service fees, or other fines or fees.

ALL CONTRACTS: Under W. Va. Code §5A-3-10a, no contract or renewal of any contract may be awarded by the state or any of its political subdivisions to any vendor or prospective vendor when the vendor or prospective vendor or a related party to the vendor or prospective vendor is a debtor and: (1) the debt owed is an amount greater than one thousand dollars in the aggregate; or (2) the debtor is in employer default.

EXCEPTION: The prohibition listed above does not apply where a vendor has contested any tax administered pursuant to chapter eleven of the W. Va. Code, workers' compensation premium, permit fee or environmental fee or assessment and the matter has not become final or where the vendor has entered into a payment plan or agreement and the vendor is not in default of any of the provisions of such plan or agreement.

DEFINITIONS:

"Debt" means any assessment, premium, penalty, fine, tax or other amount of money owed to the state or any of its political subdivisions because of a judgment, fine, permit violation, license assessment, defaulted workers' compensation premium, penalty or other assessment presently delinquent or due and required to be paid to the state or any of its political subdivisions, including any interest or additional penalties accrued thereon.

"Employer default" means having an outstanding balance or liability to the old fund or to the uninsured employers' fund or being in policy default, as defined in W. Va. Code § 23-2c-2, failure to maintain mandatory workers' compensation coverage, or failure to fully meet its obligations as a workers' compensation self-insured employer. An employer is not in employer default if it has entered into a repayment agreement with the Insurance Commissioner and remains in compliance with the obligations under the repayment agreement.

"Related party" means a party, whether an individual, corporation, partnership, association, limited liability company or any other form or business association or other entity whatsoever, related to any vendor by blood, marriage, ownership or contract through which the party has a relationship of ownership or other interest with the vendor so that the party will actually or by effect receive or control a portion of the benefit, profit or other consideration from performance of a vendor contract with the party receiving an amount that meets or exceeds five percent of the total contract amount.

AFFIRMATION: By signing this form, the vendor's authorized signer affirms and acknowledges under penalty of law for false swearing (W. Va. Code §81-6-3) that: (1) for construction contracts, the vendor is not in default on any monetary obligation owed to the state or a political subdivision of the state, and (2) for all other contracts, that neither vendor nor any related party owe a debt as defined above and that neither vendor nor any related party are in employer default as defined above, unless the debt or employer default is permitted under the exception above.
