Comments: Please do not forget - I can not currently guarantee a supply of all 25 Pounds of White Pine Seed. I currently have 4.5 pounds of clean seed in frozen storage. I will be attempting to collect this species again this coming Fall, but crop conditions are beyond my control. The lot I have in storage would be an ideal seed lot for use in West Virginia, as it came from trees planted from WV state nursery stock in the early 1980s. Additional collecting efforts this fall will be in the area of the Seneca State Forest in Pocahontas County.
