Vendor Questions

Q.1. What would the expected order quantity be per order (minimum and maximum quantities)?

A.1. We will order on an as needed basis.

Q.2. The bid states that it can be renewed for (3) additional 1 year terms. If awarded would we be able to adjust pricing before each renewal contract year if needed or does the pricing from year 1 have to be held for all the renewals as well?

A.2. The Exhibit A Pricing Page has been modified to add pricing for each renewal term. Each year's Unit Cost should be multiplied by the estimated quantity then vendor should enter the extended cost for all four years. Vendors should use the excel spreadsheet attached as Exhibit A – Pricing Page Modified for Addendum 2 and the spreadsheet will sum the Extended Cost automatically.
