42. PREFERENCE FOR USE OF DOMESTIC STEEL PRODUCTS: Except when authorized by the Director of the Purchasing Division pursuant to W. Va. Code § 5A-3-56, no contractor may use or supply steel products for a State Contract Project other than those steel products made in the United States. A contractor who uses steel products in violation of this section may be subject to civil penalties pursuant to W. Va. Code § 5A-3-56. As used in this section:

- a. "State Contract Project" means any erection or construction of, or any addition to, alteration of or other improvement to any building or structure, including, but not limited to, roads or highways, or the installation of any heating or cooling or ventilating plants or other equipment, or the supply of and materials for such projects, pursuant to a contract with the State of West Virginia for which bids were solicited on or after June 6, 2001.
- b. "Steel Products" means products rolled, formed, shaped, drawn, extruded, forged, cast, fabricated or otherwise similarly processed, or processed by a combination of two or more or such operations, from steel made by the open hearth, basic oxygen, electric furnace, Bessemer or other steel making process. The Purchasing Division Director may, in writing, authorize the use of foreign steel products if:
- c. The cost for each contract item used does not exceed one tenth of one percent (.1%) of the total contract cost or two thousand five hundred dollars (\$2,500.00), whichever is greater. For the purposes of this section, the cost is the value of the steel product as delivered to the project; or
- d. The Director of the Purchasing Division determines that specified steel materials are not produced in the United States in sufficient quantity or otherwise are not reasonably available to meet contract requirements.

43. PREFERENCE FOR USE OF DOMESTIC ALUMINUM, GLASS, AND STEEL: In Accordance with W. Va. Code § 5-19-1 et seq., and W. Va. CSR § 148-10-1 et seq., for every contract or subcontract, subject to the limitations contained herein, for the construction, reconstruction, alteration, repair, improvement or maintenance of public works or for the purchase of any item of machinery or equipment to be used at sites of public works, only domestic aluminum, glass or steel products shall be supplied unless the spending officer determines, in writing, after the receipt of offers or bids, (1) that the cost of domestic aluminum, glass or steel products is unreasonable or inconsistent with the public interest of the State of West Virginia, (2) that domestic aluminum, glass or steel products are not produced in sufficient quantities to meet the contract requirements, or (3) the available domestic aluminum, glass, or steel do not meet the contract specifications. This provision only applies to public works contracts awarded in an amount more than fifty thousand dollars (\$50,000) or public works contracts that require more than ten thousand pounds of steel products.

The cost of domestic aluminum, glass, or steel products may be unreasonable if the cost is more than twenty percent (20%) of the bid or offered price for foreign made aluminum, glass, or steel products. If the domestic aluminum, glass or steel products to be supplied or produced in a

“substantial labor surplus area”, as defined by the United States Department of Labor, the cost of domestic aluminum, glass, or steel products may be unreasonable if the cost is more than thirty percent (30%) of the bid or offered price for foreign made aluminum, glass, or steel products. This preference shall be applied to an item of machinery or equipment, as indicated above, when the item is a single unit of equipment or machinery manufactured primarily of aluminum, glass or steel, is part of a public works contract and has the sole purpose or of being a permanent part of a single public works project. This provision does not apply to equipment or machinery purchased by a spending unit for use by that spending unit and not as part of a single public works project.

All bids and offers including domestic aluminum, glass or steel products that exceed bid or offer prices including foreign aluminum, glass or steel products after application of the preferences provided in this provision may be reduced to a price equal to or lower than the lowest bid or offer price for foreign aluminum, glass or steel products plus the applicable preference. If the reduced bid or offer prices are made in writing and supersede the prior bid or offer prices, all bids or offers, including the reduced bid or offer prices, will be reevaluated in accordance with this rule.

44. INTERESTED PARTY SUPPLEMENTAL DISCLOSURE: W. Va. Code § 6D-1-2 requires that for contracts with an actual or estimated value of at least \$1 million, the vendor must submit to the Agency a supplemental disclosure of interested parties reflecting any new or differing interested parties to the contract, which were not included in the original pre-award interested party disclosure, within 30 days following the completion or termination of the contract. A copy of that form is included with this solicitation or can be obtained from the WV Ethics Commission. This requirement does not apply to publicly traded companies listed on a national or international stock exchange. A more detailed definition of interested parties can be obtained from the form referenced above.

45. PROHIBITION AGAINST USED OR REFURBISHED: Unless expressly permitted in the solicitation published by the State, Vendor must provide new, unused commodities, and is prohibited from supplying used or refurbished commodities, in fulfilling its responsibilities under this Contract.

DESIGNATED CONTACT: Vendor appoints the individual identified in this Section as the Contract Administrator and the initial point of contact for matters relating to this Contract.

4.2 VENDOR RESPONSIBILITIES

- 4.2.1 Bidders must provide an hourly rate for each position they expect to submit qualifications for proposed candidates when the need arises. When presenting candidates for review by the Agency, Vendor shall provide the qualifications of proposed candidates who meet all requirements of the RFQ.
- 4.2.2 Successful vendors must provide staffing as requested by the Agency. Assignments also may be for a specified period of time and quantity of hours as indicated on each delivery order. Consistent failure on the part of a successful vendor to fulfill requests from the Agency, or consistently being unresponsive to Agency's requests for staffing services, may be grounds for cancellation of the vendor's entire contract.
- 4.2.3 Successful vendors must provide hourly rates that are inclusive of all costs including, but not limited to, federal, state and local withholding taxes, social security & Medicare taxes as well as all unemployment compensation, workers compensation, general and professional liability premiums. All overhead for the vendor and fringe for the candidate must be included in the successful vendor's hourly rates. All travel expenses must be included in the vendor's hourly rates.
- 4.2.4 Successful vendors shall provide the Agency with information on each staffing candidate according to the state and federal standards, including applications. Vendors must include a current resume and a completed qualification documentation for each candidate with their responses. Resumes will identify the candidate's qualifications listed in the requirements section above and will include copies as verification of degrees and

certifications. Resume pages will be numbered (ex: 1 of 2, 2 of 2 etc...). These must be sent to the Agency along with the listing of possible candidates to interview.

- 4.2.5 Successful Vendor must provide (as requested) the legal documentation to support proof that their candidate is a U.S. citizen or eligible to work in the United States.
- 4.2.6 Successful vendor is prohibited from providing as a candidate any employee who was previously dismissed for disciplinary or performance reasons by any DHHR Facility or Office, whether as a full-time employee or as contract temporary staff.
- 4.2.7 Successful vendor having the first priority contract for any classification required by the Agency will be contacted first and will have 48 hours (2 business days) to **acknowledge the initial contact request for staffing** (in writing, by a means dictated by the Agency on the initial contact request, but likely by email or fax), and **must inform the Agency if they are able or unable to fulfill the request**. If unable to supply a candidate at the time, Vendor must provide a written waiver to the Agency within this same 48 hours (2 business days) timeframe. Failure to provide a written waiver will serve as a waiver as it pertains to the Agency's ability to proceed to contacting lower priority vendors. However, repeated failure to provide a written waiver may be grounds for cancellation of a vendor's entire contract (ie, all awarded classifications).

If able to supply candidate(s), Vendor must provide to the Agency a list of potential candidates for staffing needs within 2 weeks (10 business days) of the initial notification of need. Vendors must provide all documentation for every candidate who indicates they meet the requirements for the classification, including a qualifications document, template supplied by the agency, and resumes. Vendors may send multiple resumes so the agency may choose the most appropriate candidate.

Should a vendor not respond within the allowed number of days from the original notice of the Agency need (eg, 2 days to confirm/waiver a request; 10 business days to provide a list of candidates), the vendor with the second priority contract and other priority vendors for the classification will be contacted and given the opportunity to provide needed staffing. Evaluation will be completed in order of priority.

This second vendor will follow the same process as the first vendor; then the third vendor, and so on, until either a vendor successfully provides a staffing candidate, or all vendors qualifying for award of a contract for that

REQUEST FOR QUOTATION
CRFQ MIS2100000002

classification are contacted. No second opportunity to meet the need will be given to any vendor until all vendors have been contacted in order of award.

The Vendor's provided candidate must consistently perform the contracted duties as outlined in these specifications or in the project-specific scope included within any Delivery Order. The Agency will notify the awarded vendor if a Vendor's employee fails to consistently perform the contracted duties. The Agency may, as part of this notification, request the Vendor replace the candidate; if so, the Vendor has 2 weeks (10 business days) from this notification to provide the qualifications for a replacement. If the vendor provided a candidate under false documentation, that will be grounds for cancellation of the Delivery Order.

- 4.2.8** The successful candidate(s) will be required to present a timesheet for approval on a regular basis not less than a one (1) week period and not more than monthly.
- 4.2.9** If during the term of the Delivery Order the candidate placed by the vendor leaves the company and/or has to be replaced; the vendor must give written notice to the Agency within one (1) business day, explaining the circumstances of departure, and must replace the candidate with another candidate meeting or surpassing all the requirements for the filled classification listed in Section 4.1 of this contract to maintain continuity of services. Vendor must provide to the Agency a list of potential candidates for the replacement staffing needs within 2 weeks (10 business days) of the notification of replacement. Vendors must provide documentation and resumes for every candidate which indicates their meeting the requirements for the classification. Vendors may send multiple resumes so that the agency may choose. Any interruption of service greater than ten (10) business days will be grounds for cancellation of the Delivery Order. If the Agency needs to issue a secondary Delivery Order to cover any cancelled Delivery Order, they are not required to contact or acquire waivers from any vendor for which they had previously contacted to fill the classification (copies of the original waivers and documentation regarding the cancellation should be kept in the files for both the original the replacement Delivery Order(s)).
- 4.2.10** Successful Vendors and candidates must comply with all Agency policies and procedures. Any access or user accounts issued to a candidate to permit work in the State computing environment are subject to revocation without notice, and random or periodic audit of user activity may be conducted by the Agency.

4.3 DUTIES AND RESPONSIBILITIES OF THE AGENCY

4.3.1 Ordering Procedure: Agency will notify (in writing) the successful Vendor with the current priority for any classification of the number of candidates needed, the total number of hours required for the assignment/project, the proposed length of the assignment, the basic description of the project for which the candidate will be used, and any assignment/project-specific requirements. Agency may issue multiple notifications to the same vendor to simultaneously request the same or different classifications, for the same or different assignments; the Agency has full discretion on how they wish to organize and issue notifications to the Vendor with current priority; the Vendor may confirm or waive any individual notification in its entirety, but may not partially confirm or waive a notification without express written approval of the Agency (ie, the Agency should indicate on its notification for more than a single quantity of any classification whether or not it is willing to allow the Vendor to partially confirm or waive.) For example, the Agency requires two Technical Writers for an assignment. If they are willing to allow the first priority Vendor to provide one while waiving the other, they should indicate this in the notification.

Upon receipt of required documents, interviews will be conducted, and review of qualifications will be performed by the Agency in order to verify the candidate meets the requirements for the requested classification.

After the Agency has chosen the candidate from those provided by the Vendor, the Agency will notify the vendor for a signed, dated quote (see Vendor Responsibilities, above), then complete a Delivery Order noting the Candidate, the Hourly Rate, the Quantity of Hours required for the project, start and end dates for the Delivery Order/Project, and any other information or requirements pertinent to the project for each classification requested.

Delivery Orders in excess of \$250,000.00 shall require processing as Centralized Delivery Orders through the WV State Purchasing Division. Orders of \$250,000.00 or under will be processed as Agency Delivery Orders. Signed, dated vendor quote shall be included with each Delivery Order (ie, scanned and electronically attached in wvOASIS).

- 4.3.2** Successful Vendor(s)' candidate shall work under Agency supervision. The Agency shall be solely responsible to provide each candidate with day-to-day guidance in the execution of responsibilities at the Agency.
- 4.3.3** Agency reserves the right to terminate the candidate selected for a position providing services to the Agency without cause if it is determined to be in the best interest and well-being of the Agency. Termination would occur by cancellation of the remainder of the Delivery Order and does not require prior notification to the Vendor.
- 4.3.4** Independent Contractor Status: The purpose of this contract is to obtain temporary services that are provided by individuals or entities as independent contractors and not as employees of the State of West Virginia. The distinction between an independent contractor and an employee is complex and can require an analysis of 20 or more factors relating to the circumstances of each contract. The Internal Revenue Service and the U.S. Department of Labor have provided guidance on this issue at:
- IRS – <http://www.irs.gov/pub/irs-pdf/p15a.pdf>
- IRS – <http://www.irs.gov/Businesses/Small-Businesses-&Self-Employed/Independent-Contractor-Self-Employed-or-Employee>
- DOL – <http://www.dol.gov/elaws/esa/flsa/docs/contractors.asp>
- Prior to utilizing the services available under this contract, each agency must ensure that factors relating to the broad categories of behavioral control, financial control, and the type of relationship between the state and the temporary worker will not cause the independent contractor relationship to be construed as an employee/employer relationship. Items that must be considered include but are not limited to, the degree of control exercised by the State over the temporary worker relating to performance of the job and the degree to which the temporary worker is integrated into the State's system. The Purchasing Division recommends that each agency review the IRS and DOL publications found at the links above and obtain further assurance from their respective internal legal counsel to maintain the independent contractor status of individuals and entities hired under this contract.
- 4.3.5** It is the sole responsibility of the Agency to insure that they are notifying the appropriately prioritized vendor for each classification; the Vendor is not responsible for determining if the Agency has acquired the necessary waiver from, or documented the non-responsiveness of, any other vendor in order for them to be appropriately contacting the current Vendor.

5. CONTRACT AWARD:

5.1 Contract Award: The Contract is intended to provide the Agency with a purchase price for all of the Contract Services, and it is the State's intent to award multiple contracts to insure that every classification can be adequately supplied during the life of the Contract. Each classification will be considered separately for award purposes. The qualified bidder providing the lowest Total Price on the Pricing Page for a classification will be awarded the First Priority Contract for that classification. The qualified bidder providing the second lowest Classification Total Hourly Rate for a classification will be awarded the Second Priority Contract for that classification, and so on, until such time that at most five (5) Contracts are awarded for that classification. Bidders may be awarded none, any or all classifications, as is necessary to award for each classification.

Upon award of the resulting Contract(s), a spreadsheet will be included with each Contract indicating the priority each vendor has for each awarded classification. An indicator of "1" on the spreadsheet contract Pricing Synopsis shall indicate First Priority; "2" shall indicate Second Priority, etc.

5.2 Pricing Page: Vendor should complete the Pricing Page by providing the all-inclusive hourly rate to provide a candidate meeting the requirements for each classification. Vendor should complete the Pricing Page in full as failure to complete the Pricing Page in its entirety may result in Vendor's bid being disqualified. However, Vendors may opt to bid only certain classifications. If not bidding a classification/commodity line, bidders should clearly note a "no bid" or "N/A" on their bid. Vendors may opt to bid different hourly rates for each renewal year.

Vendor should type or electronically enter the information into the Pricing Pages through wvOASIS, if available, or as an electronic document. In most cases, the Vendor can request an electronic copy of the Pricing Pages for bid purposes by sending an email request to the following address: Crystal.G.Hustead@wv.gov

6. PERFORMANCE: Vendor and Agency shall agree upon a schedule for performance of Contract Services and Contract Services Deliverables, unless such a schedule is already included herein by Agency. In the event that this Contract is designated as an open-end contract, Vendor shall perform in accordance with the release orders that may be issued against this Contract.

8. **TRAVEL:** Vendor shall be responsible for all mileage and travel costs, including travel time, associated with performance of this Contract. Any anticipated mileage or travel costs may be included in the flat fee or hourly rate listed on Vendor's bid, but such costs will not be paid by the Agency separately.
9. **FACILITIES ACCESS:** Performance of Contract Services may require access cards and/or keys to gain entrance to Agency's facilities. In the event that access cards and/or keys are required:

 - 9.2. Vendor will be responsible for controlling cards and keys and will pay replacement fee, if the cards or keys become lost or stolen.

ALL CONTRACTS: Under W. Va. Code §5A-3-10a, no contract or renewal of any contract may be awarded by the state or any of its political subdivisions to any vendor or prospective vendor when the vendor or prospective vendor or a related party to the vendor or prospective vendor is a debtor and: (1) the debt owed is an amount greater than one thousand dollars in the aggregate; or (2) the debtor is in employer default.

EXCEPTION: The prohibition listed above does not apply where a vendor has contested any tax administered pursuant to chapter eleven of the W. Va. Code, workers' compensation premium, permit fee or environmental fee or assessment and the matter has not become final or where the vendor has entered into a payment plan or agreement and the vendor is not in default of any of the provisions of such plan or agreement.

DEFINITIONS:

"Debt" means any assessment, premium, penalty, fine, tax or other amount of money owed to the state or any of its political subdivisions because of a judgment, fine, permit violation, license assessment, defaulted workers' compensation premium, penalty or other assessment presently delinquent or due and required to be paid to the state or any of its political subdivisions, including any interest or additional penalties accrued thereon.

"Employer default" means having an outstanding balance or liability to the old fund or to the uninsured employers' fund or being in policy default, as defined in W. Va. Code § 23-2c-2, failure to maintain mandatory workers' compensation coverage, or failure to fully meet its obligations as a workers' compensation self-insured employer. An employer is not in employer default if it has entered into a repayment agreement with the Insurance Commissioner and remains in compliance with the obligations under the repayment agreement.

"Related party" means a party, whether an individual, corporation, partnership, association, limited liability company or any other form or business association or other entity whatsoever, related to any vendor by blood, marriage, ownership or contract through which the party has a relationship of ownership or other interest with the vendor so that the party will actually or by effect receive or control a portion of the benefit, profit or other consideration from performance of a vendor contract with the party receiving an amount that meets or exceeds five percent of the total contract amount.

AFFIRMATION: By signing this form, the vendor's authorized signer affirms and acknowledges under penalty of law for false swearing (W. Va. Code §61-5-3) that: (1) for construction contracts, the vendor is not in default on any monetary obligation owed to the state or a political subdivision of the state, and (2) for all other contracts, that neither vendor nor any related party owe a debt as defined above and that neither vendor nor any related party are in employer default as defined above, unless the debt or employer default is permitted under the exception above.
