After the contract for such services has been approved, but before any such employees are permitted to be on the grounds or in the buildings of the Capitol complex or have access to sensitive or critical information, the service provider shall submit a list of all persons who will be physically present and working at the Capitol complex to the Director of the Division of Protective Services for purposes of verifying compliance with this provision. **42. PREFERENCE FOR USE OF DOMESTIC STEEL PRODUCTS:** Except when authorized by the Director of the Purchasing Division pursuant to W. Va. Code § 5A-3-56, no contractor may use or supply steel products for a State Contract Project other than those steel products made in the United States. A contractor who uses steel products in violation of this section may be subject to civil penalties pursuant to W. Va. Code § 5A-3-56. As used in this section:

- a. "State Contract Project" means any erection or construction of, or any addition to, alteration of or other improvement to any building or structure, including, but not limited to, roads or highways, or the installation of any heating or cooling or ventilating plants or other equipment, or the supply of and materials for such projects, pursuant to a contract with the State of West Virginia for which bids were solicited on or after June 6, 2001.
- b. "Steel Products" means products rolled, formed, shaped, drawn, extruded, forged, cast, fabricated or otherwise similarly processed, or processed by a combination of two or more or such operations, from steel made by the open heath, basic oxygen, electric furnace, Bessemer or other steel making process. The Purchasing Division Director may, in writing, authorize the use of foreign steel products if:
- c. The cost for each contract item used does not exceed one tenth of one percent (.1%) of the total contract cost or two thousand five hundred dollars (\$2,500.00), whichever is greater. For the purposes of this section, the cost is the value of the steel product as delivered to the project; or
- d. The Director of the Purchasing Division determines that specified steel materials are not produced in the United States in sufficient quantity or otherwise are not reasonably available to meet contract requirements.

**43. PREFERENCE FOR USE OF DOMESTIC ALUMINUM, GLASS, AND STEEL:** In Accordance with W. Va. Code § 5-19-1 et seq., and W. Va. CSR § 148-10-1 et seq., for every contract or subcontract, subject to the limitations contained herein, for the construction, reconstruction, alteration, repair, improvement or maintenance of public works or for the purchase of any item of machinery or equipment to be used at sites of public works, only domestic aluminum, glass or steel products shall be supplied unless the spending officer determines, in writing, after the receipt of offers or bids, (1) that the cost of domestic aluminum, glass or steel products is unreasonable or inconsistent with the public interest of the State of West Virginia, (2) that domestic aluminum, glass or steel products are not produced in sufficient quantities to meet the contract requirements, or (3) the available domestic aluminum, glass, or steel do not meet the contract specifications. This provision only applies to public works contracts awarded in an amount more than fifty thousand dollars (\$50,000) or public works contracts that require more than ten thousand pounds of steel products.

The cost of domestic aluminum, glass, or steel products may be unreasonable if the cost is more than twenty percent (20%) of the bid or offered price for foreign made aluminum, glass, or steel products. If the domestic aluminum, glass or steel products to be supplied or produced in a

“substantial labor surplus area”, as defined by the United States Department of Labor, the cost of domestic aluminum, glass, or steel products may be unreasonable if the cost is more than thirty percent (30%) of the bid or offered price for foreign made aluminum, glass, or steel products. This preference shall be applied to an item of machinery or equipment, as indicated above, when the item is a single unit of equipment or machinery manufactured primarily of aluminum, glass or steel, is part of a public works contract and has the sole purpose or of being a permanent part of a single public works project. This provision does not apply to equipment or machinery purchased by a spending unit for use by that spending unit and not as part of a single public works project.

All bids and offers including domestic aluminum, glass or steel products that exceed bid or offer prices including foreign aluminum, glass or steel products after application of the preferences provided in this provision may be reduced to a price equal to or lower than the lowest bid or offer price for foreign aluminum, glass or steel products plus the applicable preference. If the reduced bid or offer prices are made in writing and supersede the prior bid or offer prices, all bids or offers, including the reduced bid or offer prices, will be reevaluated in accordance with this rule.

**44. INTERESTED PARTY SUPPLEMENTAL DISCLOSURE:** W. Va. Code § 6D-1-2 requires that for contracts with an actual or estimated value of at least \$1 million, the vendor must submit to the Agency a supplemental disclosure of interested parties reflecting any new or differing interested parties to the contract, which were not included in the original pre-award interested party disclosure, within 30 days following the completion or termination of the contract. A copy of that form is included with this solicitation or can be obtained from the WV Ethics Commission. This requirement does not apply to publicly traded companies listed on a national or international stock exchange. A more detailed definition of interested parties can be obtained from the form referenced above.

**45. PROHIBITION AGAINST USED OR REFURBISHED:** Unless expressly permitted in the solicitation published by the State, Vendor must provide new, unused commodities, and is prohibited from supplying used or refurbished commodities, in fulfilling its responsibilities under this Contract.

**DESIGNATED CONTACT:** Vendor appoints the individual identified in this Section as the Contract Administrator and the initial point of contact for matters relating to this Contract.

**4. CONTRACT AWARD, PRECENTAGE DISCOUNT, CATALOG:**

**4.1 Contract Award:** The contract is intended to provide Agencies with a discounted price on all Eligible Items. The contract shall be awarded to the Vendor(s) that meet the RFQ specifications and provides the lowest Total Bid Cost for the Eligible Items listed on the Pricing Pages. Notwithstanding the foregoing, the Purchasing Division reserves the right to award this Contract to multiple Vendors if it deems such action is necessary.

**Discount Percentage:** Vendor shall quote a Discount Percentage for each category of Eligible Items. Each category may have a different Discount Percentage; however, the Discount Percentage **MUST** be the same for items within the category. First, the Vendors should insert their Discount Percentage in the box on Page 1 of the Pricing Page (Exhibit A). By completing this action first, the Discount Percentage will automatically be inserted in the “Discount Percentage” field in the spreadsheet. See box below. Each category has been color coded in the box and within the spreadsheet.

The Discount Percentage for a given category will reduce the Catalogue Price for every Eligible Item in that category. The resulting Discounted Price shall be the price Agencies pay for purchases of the Eligible Item under this Contract. Percentage discounts listed under “Miscellaneous Discounts” on the Pricing Pages shall apply to all products not included in another product category. Ten (10) categories listed on the Pricing Pages must be utilized by the Vendor. Vendor has the option of adding additional categories to the pricing pages and it must be included with the Vendor’s bid.

<b>Discount Percentage Category Section</b>		
<b>Category Section</b>	<b>Catalog Item Section</b>	<b>Discount Percentage</b>
3.1.1	Eligible Item # 1 - Uniforms	
3.1.2	Eligible Item # 2 - Casual Clothing	
3.1.3	Eligible Item # 3 - Tactical Equipment	
3.1.4	Eligible Item # 4 - Footwear	
3.1.5	Eligible Item # 5 - Body Armor	
3.1.6	Eligible Item # 6 - Duty Gear	
3.1.7	Eligible Item # 7 - Jackets	
3.1.8	Eligible Item # 8 - Patches/Names Plates	
3.1.9	Eligible Item # 9 - Badges	
3.1.10	Eligible Item # 10 - Miscellaneous Items	

Vendor shall not incorporate Discount Percentages into Catalog unless the Vendor clearly shows the Catalog Price and then separately lists the applicable Discount Percentage and the Discount Price for each Eligible Item.

The Discount Percentage and subsequent Discount Price derived from that discount must take into account any and all fees, charges or other miscellaneous costs that Vendor may require, including delivery charges as indicated below, because those fees, charges, or other miscellaneous cost will not be paid separately. The agency shall only pay the appropriate discounted unit price for items purchased under this contract.

**4.2 Pricing Page:**      *Vendors should complete the Pricing Pages electronically in Microsoft Excel.* Doing so will reduce the number of calculations required and the possibility for calculation errors as explained below.

REQUEST FOR QUOTATION  
CRFQ DAS21\*01 – Tactical Items & Clothing

---

**4.2.1 Information Requested.** Vendor should complete the Pricing Pages by filling in any blank spaces with the information requested. The information requested on the Pricing Pages for each frequently Eligible Item includes Catalog Prices, Unit provided for Catalog Price, Unit Price, Discount Percentages, Discounted Unit Prices, Unit, and Item Total Costs. The Vendor should also include the Total Bid Cost, Discount Percentages for all Eligible Item product categories (including a miscellaneous category), and Contract Coordinator contact information. Vendor should complete all columns as failure to complete the Pricing Pages in their entirety may result in Vendor's bid being disqualified. Vendor must apply the appropriate Discount Percentage for each frequently purchased Eligible Item listed on the Pricing Pages in arriving at the Discounted Unit Price for that item. For example, if item A falls into the personal care products category then the Discount Percentage for the personal care products category must be used to calculate the Discounted Unit Price for item A on the Pricing Pages.

**4.2.2 Pricing Page Calculations.** The Pricing Pages require Vendor to insert its Catalog Price, Unit provided for Catalog Price, and Discount Percentage for each Eligible Item listed thereon. That information, along with information that is already included on the Pricing Pages will be used to calculate the Unit Price, Discounted Unit Price, Item Total Cost, and Total Bid Cost. Vendor should complete the Pricing Pages electronically using Microsoft Excel version from the Purchasing Division, these calculations will be automatically completed.

**4.2.2.1 Unit Price Calculation** – The Unit Price is calculated by dividing the Catalog Price by the Units Provided for Catalog Price.

4.2.2.1.1 Example - \$10.00 per box divided by 10 masks per box equals a Unit Price of \$1.00.

**4.2.2.2 Discounted Unit Price** – The Discounted Unit Price is calculated by applying the appropriate Discount Percentage to the Unit Price.

4.2.2.2.1 Example - \$1.00 Unit Price reduced by a 10% Discount Percentage equals a \$0.90 Discounted Unit Price.

**4.2.2.3 Item Total Cost** – The Item Total Cost is calculated by multiplying the estimated unit quantity by the Discounted Unit Price.

4.2.2.3.1 Example – An estimated unit quantity of 10,000 masks multiplied by a Discounted Unit Price of \$0.90 equals a \$9,000 item total cost for that item.

REQUEST FOR QUOTATION  
**CRFQ DAS21\*01 – Tactical Items & Clothing**

---

**4.2.2.4 Total Bid Cost** – The Total Bid Cost is calculated by adding the Item Total Cost for every item listed on the Pricing Pages.

4.2.2.4.1 Example – Item total costs of \$9,000 and \$1,000 would equal a Total Bid Cost of \$10,000 (assuming that the Pricing Pages only contained two (2) items).

**4.2.3 Estimated Quantities Only.** The Pricing Pages contain a list of frequently purchased items and estimated unit quantity that will be purchased. The estimated unit quantity for each item represents the approximate volume of anticipated purchases only. No future use of the Contract or any individual item is guaranteed or implied.

**4.2.4 Correction of Errors.** Notwithstanding anything contained herein, the Purchasing Division may correct errors on the Pricing Pages. Vendor is strongly encouraged to electronically enter the information into the Pricing Pages to prevent errors on the evaluation.

**4.2.5 Electronic Version.** The Pricing Pages were created as a Microsoft Excel document and Vendor can request an electronic for bid purposes by sending an email request to the following address: [Tara.L.Lyle@wv.gov](mailto:Tara.L.Lyle@wv.gov). The Microsoft Excel document has been added to the CRFQ document through the Vendor Self Service portal via wvOASIS.

**5. CATALOG:**

**5.1 Submission:** Vendor must submit Catalog prior to award of this Contract for evaluation purposes. Vendor shall also mail the catalog free of charge to any Agency covered by this Contract. Copies of the Catalog may be requested in an electronic format and should be provided in that format if possible. Vendor's Catalog will be used by Agencies to order Eligible Items under this Contract.

**5.2 Catalog Modifications:** The Purchasing Division may permit Vendor to update its Catalog at each renewal date. Determination of whether or not to allow a Catalog update is at the sole discretion of the Purchasing Division. Any request by Vendor to update its Catalog must include a detailed listing of the following: (1) any Eligible Items being removed, Discounted Prices for those items. Agencies quantity usage of those items, and total spent by Agencies on those items; (2) any Eligible Items being added to the Catalog and the Discounted Unit Price of those items; (3) all changes in the Discounted Unit Price to Eligible Items, estimated usage relating to items that have changed in price, and the total impact of the price change on the State; and (4) justification for updating its Catalog. The Purchasing Division may waive the detailed listing requirement if it finds that doing so is in the best interest of the State. Unless an updated catalog is approved, the Eligible Items available under this Contract and prices for those items shall remain unchanged during the term of this Contract.

In the event that multiple vendors are awarded a contract under this RFQ, The first priority Vendor shall not be permitted to include in its Catalog items being sold by a Vendor that is lower in ordering priority without the consent of that lower priority vendor.

**6. ORDERING AND PAYMENT:**

**6.1 Ordering:** Vendor shall accept orders by regular mail, facsimile, e-mail, or any other written forms of communication. Vendor may but is not required to accept on-line orders through a secure internet order portal/website. If Vendor has the ability to accept on-line orders, it should include in its response a brief description of how Agencies may utilize the on-line ordering system. Any on-line ordering system must have the capability to restrict prices and available items to conform to the Catalog originally submitted with this RFQ. Vendor shall ensure that its on-line ordering system is properly secured prior to processing Agency orders on-line.

The successful vendor shall provide the agency with its own internet ordering portal/website for the purpose of secured ordering of any such Eligible items, notwithstanding allowable attire, and tactical items authorized by the Agency.

The successful Vendor shall provide the Purchasing Division with access to its internet ordering portal/website, if one will be used under this Contract to allow the Purchasing Division to ensure that the requirements of this Contract are being met.

**6.2 Invoicing and Payment:** Vendor shall indicate the discount received on each invoice submitted for payment. Vendor shall accept payment in accordance with the payment procedures of the State of West Virginia. Methods of acceptable payment must include the West Virginia Purchasing Card (P-Card).

**DEFINITIONS:**

**"Debt"** means any assessment, premium, penalty, fine, tax or other amount of money owed to the state or any of its political subdivisions because of a judgment, fine, permit violation, license assessment, defaulted workers' compensation premium, penalty or other assessment presently delinquent or due and required to be paid to the state or any of its political subdivisions, including any interest or additional penalties accrued thereon.

**"Employer default"** means having an outstanding balance or liability to the old fund or to the uninsured employers' fund or being in policy default, as defined in W. Va. Code § 23-2c-2, failure to maintain mandatory workers' compensation coverage, or failure to fully meet its obligations as a workers' compensation self-insured employer. An employer is not in employer default if it has entered into a repayment agreement with the Insurance Commissioner and remains in compliance with the obligations under the repayment agreement.

**"Related party"** means a party, whether an individual, corporation, partnership, association, limited liability company or any other form or business association or other entity whatsoever, related to any vendor by blood, marriage, ownership or contract through which the party has a relationship of ownership or other interest with the vendor so that the party will actually or by effect receive or control a portion of the benefit, profit or other consideration from performance of a vendor contract with the party receiving an amount that meets or exceeds five percent of the total contract amount.

**AFFIRMATION:** By signing this form, the vendor's authorized signer affirms and acknowledges under penalty of law for false swearing (W. Va. Code §61-5-3) that: (1) for construction contracts, the vendor is not in default on any monetary obligation owed to the state or a political subdivision of the state, and (2) for all other contracts, that neither vendor nor any related party owe a debt as defined above and that neither vendor nor any related party are in employer default as defined above, unless the debt or employer default is permitted under the exception above.
